

A Sealed Promise

- ❖ [Gematria](#) 101
- ❖ [Bible Wheel?](#)
- ❖ [The Key - 66](#)

Each lesson moving forward has been built on a reassessment of what was learned from the prior. Of all the wonders learned from *"Eleven Stars,"* one thing that stands out is that each perspective *Sabbath Journey* is merging at its end point with a mutually profound time path of the comet ISON as well. The wise men were also guided by ["The Star of a Young Child"](#) (*Nova*).

Even though the day has passed us, we can't easily dismiss *Earth Day* as *"the sign"* to go up to the house of the Lord on the third day. [King Hezekiah](#) was wise and would have known that his *"third day"* request related to [Shavuot](#) when Moses was to meet God to receive the *Ten Commandments*. That was when the people trembled from loud voices, smoke, fire, quake, lightning and thunder. Could it be that Hezekiah was actually referring to *Shavuot* itself as oppose to a three day count? Not only is Shavuot intimately related to Pentecost, but both fall on the same Sunday, [May 24](#) in 2015. The number of days from *May 5th* would be *"19,"* which is the number of *"physical manifestation"* and equates to *"the earth"* and *"He shall come."*

This hopeful thinking must be tested with our *Sabbath Journey* start date: from 5/9/13 to 5/24/15 are [745 days](#). "745" breaks down as **5 x 149**. "**149**" equates to the *"King of Nations,"* *"east,"* *"meet,"* *"commandments,"* *"return,"* *"I will deliver you"* and *"spoken word."* This can't be by chance because our last study of *"11 Stars"* (page 9) found **50 x 149** equated to [7,450 days](#) from Haggai's count of 11/28/94 (*Kislev 24*) to *Earth Day* 4/22/15. From the same date for *ISON / Thanksgivukkah* 11/28/13 to 5/24/15 are [542 days](#). 542 divided by 2 is 271, which is the [Tenth Centered Hexagon](#) found in the heart of the [Tenth Star Number 541](#). "**271**" equates to *"see,"* *"light,"* *"lift,"* *"Hebron (Gen 23:2),"* *"end,"* *"last"* and *"appearance."* 271/541 is symmetrically equivalent to hexagon star pair of wisdom [37/73](#). Considering the gravity of prophetic significance held by **"271,"** it is safe to infer that hope has surpassed the realm of speculation.

According to the Bible Wheel: "The Number 271 plays a very significant role in the [First Day Holograph](#) which it is symmetrically coordinated with the prime number [37](#):"

The "**Tenth**" **Center Hexagon / Star** (271/541) pair stemming from **ISON/Thanksgivukkah** is very fitting in leading to the day that the "**Ten Commandments**" were presented.

(11) **And be ready against the third day: for the third day the LORD will come down in the sight of all the people upon mount Sinai.** And thou shalt set bounds unto the people round about, saying, Take heed to yourselves, [that ye] go [not] up into the mount, or touch the border of it: whosoever toucheth the mount shall be surely put to death: There shall not an hand touch it, but he shall surely be stoned, or shot through; whether [it be] beast or man, it shall not live: when the trumpet soundeth long, they shall come up to the mount. And Moses went down from the mount unto the people, and sanctified the people; and they washed their clothes. And he said unto the people, **Be ready against the third day: come not at [your] wives. And it came to pass on the third day in the morning, that there were thunders and lightnings, and a thick cloud upon the mount, and the voice of the trumpet exceeding loud; so that all the people that [was] in the camp trembled.** And Moses brought forth the people out of the camp to meet with God; and they stood at the nether part of the mount. **And mount Sinai was altogether on a smoke, because the LORD descended upon it in fire: and the smoke thereof ascended as the smoke of a furnace, and the whole mount quaked greatly.** And when the voice of the trumpet sounded long, and waxed louder and louder, Moses spake, and God answered him by a voice. And the LORD came down upon mount Sinai, on the top of the mount: and the LORD called Moses [up] to the top of the mount; and Moses went up. {Exodus 19:11-20}

But what about the guaranteed doubling of *Sabbath Journeys*: from [353 days](#) (*eclipse to 4/15/15*) to [706](#) for "**everlasting light**," and from [363 days](#) to [726](#) for "**The Messiah?**" Were these time paths connecting Hezekiah's sign to *Yom Ha'atzmaut* and *Earth Day* simply a conjured coincidence? We have repeatedly witnessed God's divine precision of time paths spanning in sync with the universe over thousands of years, and even millions of days starting from man's creation 11,013 BC as shown in the previous lesson. If a time path is off by just a single day, the *Promise Studies* won't record it as a "near proof." So how can we jump ahead 19 whole days from a guaranteed 726 days to an ultimate 745-day *Sabbath Journey*? Well one reason is painfully obvious; today we are still here on earth under strict orders to continue the watch as commanded. However, if we go back to a precise statement from the Word of God, Joseph stipulates his interpretation for all the doubling in Pharaoh's dream ([Gen 41:25-31](#)), which earned him his reward ([Gen 41:37-44](#)):

*And for that the dream was doubled unto Pharaoh twice; [it is] because the thing [is] established by God, and **God will shortly** bring it to pass.* {Gen 41:32}

If Joseph words are not clear enough, on Pentecost Peter boldly stands up and speaks loudly:

But Peter, standing up with the eleven, lifted up his voice, and said unto them, Ye men of Judaea, and all [ye] that dwell at Jerusalem, be this known unto you, and hearken to my words: For these are not drunken, as ye suppose, seeing it is [but] the third hour of the day. **But this is that which was spoken by the prophet Joel;** And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams: And on my servants and on my handmaidens I will pour out in those days of my Spirit; and they shall prophesy: **And I will shew wonders in heaven above, and signs in the earth beneath; blood, and fire, and vapour of smoke: The sun shall be turned into darkness, and the moon into blood, before that great and notable day of the Lord come:** {Acts 2:14-20}

Here Peter “*duplicates*” a public announcement for the “*notable day of the Lord*” from the prophet [Joel](#) shouted out to “**17**” peoples and nations. Yet who’s paying any attention today? These words have virtually fallen on deaf ears. One might think they were never translated from Greek. Still, even in the original language there’s a message: the Greek word “*enōtizomai*” ([G1801](#)) that Peter uses for “*hearken*” ([G3775](#)) meaning “*ear*” is translated “**37**” *times* in the bible.

...For Esaias saith, Lord, who hath believed our report? So then faith [cometh] by hearing, and hearing by the word of God. But I say, Have they not heard? **Yes verily, their sound went into all the earth, and their words unto the ends of the world.** {Rom 10:16-18} ([Palms 19:1-5](#))

Who among you will give ear to this? **[who] will hearken and hear for the time to come?** {Isa 42:23}

Therefore thus saith the LORD, Behold, I will bring evil upon them, which they shall not be able to escape; and though they shall cry unto me, **I will not hearken unto them.** {Jeremiah 11:11}

Last year *The Promise Studies* hearkened to the fact that from the foundation when Solomon’s [First Temple was laid 967 BC](#) to our “*first*” *Yom Ha’aztmaut* sign in 2014 was 2,980 years. We calculated “2,980” as to 2 x 5 x 149. Now further in line with our extended timeline, anyone attempting to undermine God’s divine intervention in the double numbering of the “*King of nations*” in Genesis “**14:9**” and Isaiah “**14:9**” can’t be taken seriously:

With Chedorlaomer the king of Elam, and with Tidal **king of nations**, and Amraphel king of Shinar, and Arioch king of Ellasar; **four kings with five.** {Gen 14:9}

Hell from beneath is moved for thee to meet [thee] at thy coming: it stirreth up the dead for thee, [even] all the chief ones of the earth; it hath raised up from their thrones all the **kings of the nations.** {Isaiah 14:9}

Once again we find the number “5” connecting with “149:” indicating “**The King of Nations**” at “**Pentecost!**” Jesus fed a multitude of 5,000 when He referred to His Ascension ([John 6:10-14, 62](#)). Ezekiel’s *Eternal Temple* vision was measured 500 square. ([Ezekiel 42:15-20](#))

Solomon received much wisdom from God ([1 Kings 3:12](#)) before he turned astray ([1 Kings 11:4-12](#)). Hezekiah was blessed to discern the wisdom that God provided in order to recognize the sign.

These [are] also proverbs of Solomon, which the men of Hezekiah king of Judah copied out. [It is] the glory of God to conceal a thing: but the honour of kings [is] to search out a matter. The heaven for height, and the earth for depth, and the heart of kings [is] unsearchable. {Proverbs 25:1-3}

The test of a true doctrine is its infinite thread of corroboration revealed throughout the scriptures. The integration of gematria in the *Bible Wheel* enhances understanding of comparative biblical proofs for those who are blessed to have eyes to see it. ([Mat 16:14-17](#))

- From the end of salvation *May 21, 2011* (at yet 7,000 years from the flood) to *May 24, 2015* are [1,464 days](#). “1464” breaks down to $3 \times 8 \times 61$. The expansion of “61” is harmoniously comprehensive and corroborates the narrative.

[GR] > The Number 2684 - The Foolishness of God

For Christ sent me not to baptize, but to preach the gospel: not with wisdom of words, lest the cross of Christ should be made of none effect. For **the preaching of the cross** is to them that perish foolishness; but unto us which are saved it is the power of God. ... But unto them which are called, both Jews and Greeks, Christ the power of God, and the wisdom of God. Because **the foolishness of God** is wiser than men; and the weakness of God is stronger than men.

1 Corinthians 1

These verses contain two phrases linked by context, meaning, and numerical value:

The Number 2684	
The Foolishness of God το μωρον του θεου	The Preaching of the Cross ο λογος του σταυρου

The primary theological significance of these identities is encoded in the following factorization:

$$2684 = \underline{44} \text{ (Blood)} \times \underline{61} \text{ (Lord)}$$

Thanks to the glory of God, the massive media attention surrounding the worldwide judgment warning of May 21, 2011 was unprecedented for "[this generation](#)." Perhaps other than 9/11, no other news has reached such magnitude of coverage since the rebirth of national Israel in 1948. One would think that any biblical warning of 7,000 years falling on the exact date of the flood deserved at least tepid consideration from the most doubtful skeptic. The church outright condemned the warning like Christ was reviled by His own at the cross. However, it's even more profound that those who fervently promoted the message have retreated back to living their lives as normal as if their proven calendar had never existed. *How can these witnesses sleep sound at night with the ominous words of Habakkuk looming as the clock dwindles down?*

I will stand upon my watch, and set me upon the tower, and will watch to see what he will say unto me, and what I shall answer when I am [reproved](#). And the LORD answered me, and said, Write the vision, and make [it] plain upon tables, that he may run that readeth it. For the vision [is] yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry. {Habakkuk 2:1-3} ([Hebrews 10:37-38](#))

How can these words be dismissed as an idle threat? ([Revelation 3:3](#))

On the other hand, those who wait 1,335 days to Pentecost will be blessed as we have seen from the prophet Daniel (12:12). 1,335 divided by 365 days equals "[3.65 years](#)," which led to the 3rd day "Feast of Enoch - 1998" ([1998](#) = 666 x 3) from Passover of the Jubilee foundation year 1994/95. This was the time these lessons saw its "[first glory](#)" being led to the "Feast of Lights." [Hanukkah](#), "The Feast of Dedication," is dedicated to the name of "[Enoch](#)," which relates to new, to initiate and teach. **Enoch walked with God** and therefore was raptured at 365 years. We previously noted that Hebrew tradition has Enoch being born and raptured on Pentecost. According to our [calendar of history](#), 2116 years (2² x 23²) before the flood - 4990 BC, **Enoch was born in 7106 BC** making **his rapture** 365 years later in **6,741 BC**. If Hebrew tradition originating from the [Book of Enoch](#) is correct; Enoch would have been born Pentecost [July 10, 7106 BC](#) and raptured Pentecost [June 24, 6741 BC](#) 365 years later. Having a well proven timeline starting creation at *Trumpets* 10/24/11,013 BC; we can easily test the traditional Hebrew account:

- From Pentecost July 10, 7106 BC to the Flood (*Iyar* 17) June 27, 4990 BC = [772,856 days](#)

$$772,856 = 2 \times \mathbf{28} \text{ "Tav/Cross"} \times 37 \times \mathbf{373} \text{ "A Proof Set in Stone," by Peter Bluer}$$

$$\text{From the Flood 6/27/4990 BC to 5/24/2015} = \mathbf{2,558,164 days}$$

$$\sim 365 \text{ years from Enoch's traditional Birth to Rapture} \sim$$

$$133,301 = 7 \times \mathbf{137} \text{ "The Seventh"} \times \mathbf{139} \text{ "Redeemed," "Deliver," "Escape"}$$

- From Pentecost 6/24/6741 BC to First Pentecost May 25, 33 AD = [2,473,809 days](#)

$$2,473,809 = 3 \times \mathbf{13} \times \mathbf{137} \text{ "The Light of Truth"} \times \mathbf{463} \text{ "Commandment"}$$

$$\text{"10" years older; Abraham is 137 at Sarah's rest in Canaan}$$

- From Pentecost July 10, 7106 BC to First Pentecost May 25, 33 AD = [2,607,110 days](#)

$$2,607,110 = 2 \times 5 \times \mathbf{11} \times \mathbf{137} \times \mathbf{173} \text{ "Blessed," "Open my eyes!" "Rejoicing"}$$

$$137 = \text{"The ark of the covenant of the LORD your God"} \text{ (Ord) [Deu 31.26]}$$

This study has reason to believe Hebrew tradition on Enoch / Pentecost is correct!

Pentecost 365 years before Enoch's birth in 7106 BC would have been July 27, 7471 BC, which was 2,740,408 days before the first Pentecost May 25, 33 AD. "2,740,408" breaks down as $8 \times 11^2 \times 19$ (physical manifestation) $\times 149$. As if the case has not been settled, with 4 strong prophetic numbers factoring over 2.7 million days we need not go out on a limb to declare it as a fact: **Enoch was born and raptured on Pentecost! Amen.** From Pentecost 7471 BC to Pentecost 6741 BC spans 730 years, which is the "double" of 365. "730" equates to "gather" "return" "whirlwind," and "**speak.**" A Sabbath Journey of 730 days would have landed "50 days from the 3/20/15 solar eclipse equinox on 5/9/15 - the Torah reading of "Emor," which means "**speak.**" The added 15 days for a total 745 days to Pentecost reconciles Hezekiah's extended "15 years." The "730" table sourced from the Bible Wheel targets the "2-edge sword" upon the church of "Pergamos" dwelt by Satan:

The Number 730

Last year on the way "Up Jacob's Ladder" we considered Chayei Sarah (11/15/14), the "fifth" Torah portion reading, being 555 days from the solar eclipse Ascension 5/9/13. We learned that "555" equates to "the kingdoms of nations," "discerning" and "**Enoch walked with God**" underscored on the Bible Wheel Spoke 5 along with the article "Walking with God." In addition, "H5551" is the Strong Hebrew reference for "**ladder**" occurring only once in the bible.

And he dreamed, and behold a **ladder** [H5551] set up on the earth, and the top of it reached to heaven: and behold the **angels of God ascending and descending on it.** {Gen 28:12} (Re: Christ to Nathanael - John 1:50-51)

In Greek the Strong reference "G5551" also used once in the bible relates to Paul's sail and the "**expiration of time**" closing in on the day of **Pentecost**:

For Paul had determined to sail by Ephesus, because he would not spend the time [G5551] in Asia: **for he hasted, if it were possible for him, to be at Jerusalem the day of Pentecost.** {Acts 20:16}

The Strong reference to the word "chronos" for "**time**" is "G5550," which occurs 53 "prophetic" times in the bible. The Hebrew reference "H5550" for "mount" ("colelah" as in besiege) originates from the word "calal" (H5549) which means "**raise up**" or "**exalt.**"

The theme of "walking with God" dominates Spoke 5. It is easy to measure. Searching the entire Bible for all verses containing the words "walk*" and "God " yields the following distribution:

Mat 27 – Book 27 Daniel
The Saints Arise

Mat 27 – Book 27 Daniel

Mat 23 – Book 23 Isaiah 5

The numerical value for "**ladder**" is 130, the same for "**Mt Sinai**" where Moses met with God to receive the Ten Commandments. At 130, the prominent priest Johoiada who made a national covenant (2 Chro 23:16) and led 3700 Levites, was buried "**full of days**" with honors. (2 Chro 24:15)

And Enoch also, the seventh from Adam, prophesied of these, saying, Behold, the Lord cometh with ten thousands of his saints, To execute judgment upon all, and to convince all that are ungodly among them of all their ungodly deeds which they have ungodly committed, and of all their hard [speeches] which ungodly sinners have spoken against him. {Jude 1:14-15}

The phrase “*And Enoch also, the seventh from Adam, prophesied of these, saying*” (*Jude 1:14*) equates to the gematria value 5994, which breaks down to 37×162 . “162” relates to idols, and totals the letters to the Second Commandment, which in gematria values **12,573** ($99 \times 127 /$ *Abraham’s age at the Promise* \times *Sarah’s rest in Canaan*). Like the idolatry of the golden calf while Moses was on Mt Sinai receiving the Ten Commandments; idol worship of graven images is featured on our journey at the world’s proclaimed festival honoring dead “*saints*” and “*idol images*” 1,260 days from May 21, 2011 (*Spiritual Judgment*) to pagan “Allhallowtide” November 1, 2014. Incredibly, this date turned out to be the 259th (7×37) anniversary of the Lisbon Earthquake, which destroyed its vast temples on its annual day of idol worship for the dead in 1755 AD.

And all the people brake off the golden earrings which [were] in their ears, and brought [them] unto Aaron. **And he received [them] at their hand, and fashioned it with a graving tool, after he had made it a molten calf:** and they said, These [be] thy gods, O Israel, which brought thee up out of the land of Egypt. And when Aaron saw [it], he built an altar before it; **and Aaron made proclamation, and said, To morrow [is] a feast to the LORD.** And they rose up early on the morrow, and offered burnt offerings, and brought peace offerings; **and the people sat down to eat and to drink, and rose up to play.** {Exodus 32:3-6}

We have seen repeatedly that our watches have been extending a five month time path leading to a feast day, which most recently included *Rosh Hosanna*, *Yom Kippur* and the *Feast of Tabernacles* in 2015. We interpret this time as the rapture d’s five month hiding period while those left behind on earth experience “*five months of torment*” as “*twice*” repeated in *Revelations 9:5-10*. Likewise, after Zacharias completed his ministry and departed to his own house, Elisabeth hid herself “*five months*” to be spared from shame among men on earth.

And it came to pass, that, as soon as the days of his ministration were **accomplished**, he departed to his own house. **And after those days his wife Elisabeth conceived, and hid herself five months,** saying, Thus hath the Lord dealt with me in the days wherein he looked on [me], to take away my reproach among men. {Luke 1:23-25}

Landing five months (10/24/15) from Pentecost is the third Weekly Torah Portion reading (*Gen 12:1 - 17:27*) “Lech-Lecha,” which means “*go!*” or “*leave!*” commemorating the time God instructed Abraham and Sarah to “*go forth*” into the land of Canaan where God promised to bless, and Abraham builds an altar and spreads the First Commandment message of “**one God**” (“499”).

Fully Come "In" vs. Fully Come "Out"

In our last study we saw Christ faced towards Jerusalem connect the timing of Elijah fire from heaven at the 9th hour with the tongues fire that came at the time Pentecost was "fully come." Pentecost is considered the birthday of the church with the outpouring of the *Holy Spirit* when 3,000 souls were saved, which reflected at Shavuot when 3,000 defectors were slain for idol worship. The 1335-day link from the kickoff of Christ's baptism as the "Lamb of God" at *Trumpets-29AD* underscores its harmony with Pentecost as a time of "beginning" or "initiation."

Contrary to public opinion, the true biblical calendar proved that the saving power of the *Holy Spirit* ended May 21, 2011 just as the church commission to spread the gospel terminated on Pentecost / Shavuot 23 years prior [May 22, 1988](#), 13,000 years (11013 + 1988 - 1) from creation.

- From First Pentecost 5/25/33 AD to May 21, 2011 (7,000 years from flood) = [722,448 days](#)

$722,448 = 18$ "Life," "Sin" x 232 "The Blessing" x 173 "Blessed," "Flood of waters"

- From Church Last Pentecost 5/22/1988 to last day Pentecost 5/25/2015 = [9,864 days](#)

$9,864 = 3^2 \times 8$ "Beginning" x 137 , "The God of Truth," "Flood"

The 1260-day (42 months) time path from May 21, 2011 to the 259th anniversary of the *Lisbon Earthquake* can be seen as powerful sign pointing towards things to come. The observance of the so called "All Saints Day" of idol worship was just getting started when the massive 8.5 magnitude earthquake striking 9:40 a.m. demolished virtually all of the sanctuaries while service was underway. From 11/1/1755 to 11/1/2014 are [94,598 days](#), which factors as 233 (Tree of Life) x 406 (Tav / Cross). When adding an inclusive day, 94,599 breaks down as 207 (light, pure) x 457 (cursed, theologian, the devil). The divine judgment brings to mind the prophetic words when Jesus warned that not one stone would be standing upon another in response to His disciples' desire to know the timing of His return at the end of the world ([Mat 24:1-3](#)). Although the overthrow of the *Second Temple* on the same date as the First in 70 AD is a strong prophetic prelude; today it's safe to inform the [Preterits](#) that it was not yet the end of the world.

On the morning of *May 24, 2015*, the world's apostate congregations will gear up for its "fifth" post-May 21, 2011 Pentecost in Pergamos. Many in the West will be planning an extended [Memorial Day](#) weekend honoring deceased veterans and loved ones. Others grow plants and prepare for picnic gatherings to launch off the summer. Similarly for [Shavuot](#), Israelis celebrate the harvest and the receipt of the Torah while their synagogues remain open through the night. *May 24th* will have "fully come in" from noon to 3 p.m. Jerusalem time Sunday, and will be "fully spent" the next day at sunset. The *summer time* of harvest is **at the door**. ([Mat 24:32-33](#))

Habakkuk 2:3 = [1637](#) = "Thanksgiving"

The disciple's 40-day Sabbath Journey from the Ascension to Pentecost 33 AD parallels with the Promise Studies' 745-day journey from the solar eclipse Ascension 5/9/13 to 5/24/15. While this period of "[many infallible proofs](#)" relates to the post-flood trial of 40 days of rain; the enduring elect can identify with the numerical vale of "[40](#)" as "heart," "redeem," "victory," "mouth," "glory," "praise," "live" and "reveal." In its link to the number "[40](#)", the Bible Wheel presents an article connecting the flood to the 22 letters on the wheel as an "[ancient witness](#)" to the grace of God.

The fact that the *1994 Jubilee Feast of Trumpets* is being featured in correlation to the time John the Baptist trumpeted the priesthood of Christ with the “*kingdom of heaven at hand*,” should be of no surprised to those who have upheld the integrity of the same proven calendar. “1,335 days” from *Trumpets to Pentecost* (9/28/29 - 5/25/33 AD) is basically today’s match of the “7,565 days” from *Trumpets* 9/6/94 to *Pentecost* 5/24/15. In essence, Daniel 12:12 is saying: *Blessed is he that waited since the inspired Jubilee year announcement of September 6, 1994.* The biblical proofs supporting the watch of *Trumpets 1994* was no less credible than the watch for *May 21, 2011*. Those who rely on their eyes for spiritual proof could never understand that “...*faith is the substance of things hoped for, the evidence of things not seen.*” (Hebrew 11:1)

“127” times 9 totals 1143 (“*Glory of the Lord*”) letters of “17” verses of the *Ten Commandments*. Sarah was laid to rest in a “**double**” portion field (“Machpelah” which Abraham paid “400” shekels) in Canaan at 127 when Isaac got married at 37 (*Exodus* 20). In addition to the above tables, the *Bible Wheel* has the words “*mouth*,” “*fill*,” “*God*” and “*reign*” holding common numeric values for both “127” and “101.”

It's intriguing to note that the [7474 days](#) from the jubilee year Hanukkah can also be factored as 3737×2 . "[3737](#)" is the numerical value for *Leviticus 9:24* when the glory of the Lord of fire "appeared" to all the people:

(23) And Moses and Aaron went into the tabernacle of the congregation, and came out, and blessed the people: **and the glory of the LORD appeared unto all the people.**

(24) **And there came a fire out from before the LORD, and consumed upon the altar the burnt offering and the fat: [which] when all the people saw, they shouted, and fell on their faces.** {Lev 9:23-24}

We concluded from our last study because of their knowledge of the prophet Elijah that the disciples understood "fire from heaven" as a signal for the *fullness of time* when the Lord's face was set towards Jerusalem:

And it came to pass, when the time was come ([G4845](#)) that he should be received up, he stedfastly **set his face to go to Jerusalem**, And sent messengers before his face: and they went, and entered into a village of the Samaritans, to make ready for him. And they did not receive him, because his face was as though he would go to Jerusalem. And when his disciples James and John saw [this], they said, **Lord, wilt thou that we command fire to come down from heaven, and consume them, even as Elias did?** {Luke 9:51-54}

And when the day of Pentecost was fully come ([G4845](#)), they were all with one accord in one place. And suddenly there came a sound from heaven as of a rushing mighty wind, and it filled all the house where they were sitting. **And there appeared unto them cloven tongues like as of fire, and it sat upon each of them.** And they were all filled with the Holy Ghost, and began to speak with other tongues, as the Spirit gave them utterance. {Acts 2:1-4}

*Make a joyful noise unto the LORD, all ye lands. Serve the LORD with gladness: come before his presence with singing. Know ye that the LORD he [is] God: [it is] he [that] hath made us, and not we ourselves; [we are] his people, and the sheep of his pasture. **Enter into his gates with thanksgiving, [and] into his courts with praise: be thankful unto him, [and] bless his name.** For the LORD [is] good; his mercy [is] everlasting; and his truth [endureth] to all generations.* {Psalms 100:1-5} ([Psalms 7:17](#))

Praise ye the LORD. Praise God in his sanctuary: praise him in the firmament of his power. Praise him for his mighty acts: praise him according to his excellent greatness. Praise him with the sound of the trumpet: praise him with the psaltery and harp. Praise him with the timbrel and dance: praise him with stringed instruments and organs. Praise him upon the loud cymbals: praise him upon the high sounding cymbals. **Let every thing that hath breath praise the LORD. Praise ye the LORD.** {Psalms 150:1-6} ([Jeremiah 33:11](#))

Now that we have the account of Joseph's life being essential leading to the end, it seems appropriate to apply his chronology to the final year of promise 2015. Based on the biblical [timeline](#), Joseph was rewarded as viceroy at the age of 30 in 1886 BC. Nine years later his brothers came to Egypt in 1877 BC. [71](#) years ("fullness") after their first visit Joseph dies in 1806 BC at [110](#) years old (Gen 50:56), the same age as Joshua when he died as well (Josh 24:29).

➤ From the year Joseph is rewarded 1886 BC to world's last year 2015 = 3,900 years

➤ $3,900 = 130$ "Sinai" "ladder" x 30 "Ten," "Exalt," "Live"
13 "One" x 300 "The Spirit of God," "The Wheel"

1886 = 2 Chronicles 29:36

And Hezekiah rejoiced, and all the people, that God had prepared the people: for the thing was [done] suddenly. [2 Chr 29:36]

➤ From Joseph's brothers' visit 1877 BC at [39](#) to world's last year 2015 = 3,891 years

$3,891$ "Fill," "Gather" = 3×1297 ; $1297 =$ Isaiah 40:5

And the glory of the LORD shall be revealed, and all flesh shall see it together: for the mouth of the LORD hath spoken it. {Isa 40:5}

1877 = "Transfigured"

➤ From Joseph's death at [110](#) years 1806 BC to world's last year 2015 = 3,820 years

$3,820 =$ Joshua 18:9

And the men went and passed through the land, and described it by cities into seven parts in a book, and came [again] to Joshua to the host at Shiloh. ([H7887](#) = Place of rest, Ark of Covenant / Tabernacle)

The Hebrew Strong reference [H3900](#) equates to "feast" while, on the other hand, the Greek reference [G3900](#) translates to "trespass" or "sin." The [3900th verse](#) in the bible is Numbers 7:49

His offering [was] one silver charger, the weight whereof [was] **an hundred and thirty [shekels]**, one silver bowl of seventy shekels, after the shekel of the sanctuary; both of them full of fine flour mingled with oil for a meat offering:

Seeing that 30 factored with 130 to result in 3,900 years since Joseph was rewarded, it fits well that “30” also equates to the number “ten,” which is the actual number of days that the disciples travel from the *Ascension in Bethany to Pentecost in Jerusalem* ([John 11:18](#)). As indicated from the table sourced from the *Bible Wheel* below, “1,500” is a powerful result of 30 times 50.

Fear none of those things which thou shalt suffer: behold, the devil shall cast [some] of you into prison, that ye may be tried; and **ye shall have tribulation ten days: be thou faithful unto death, and I will give thee a crown of life.** {Rev 2:10}

On the other side of the sword, Christ was betrayed by Judas for “30” pieces of silvers. ([Mat 27:3](#))

From the very beginning God defined each day as “evening morning” starting in the “evening” and ending in the “morning” of the following day so that every single day overlaps the next ([Genesis 1:5](#)). Therefore, by biblical definition, the 745th day of the Sabbath Journey that started from the solar eclipse Ascension 5/9/2013 will biblically end on the 746th day - May 25, 2015, which is also “[543](#)” days from ISON 11/28/13.

The proven 11,013-BC creation timeline has provided a progressive learning perspective being developed from the Bible Wheel on the journey to the promise. This is clearly seen in our recent time paths of “everlasting light” [353/706](#) to “the Messiah” [363/726](#). Now once again the number “[746](#)” (“To open the book”), being twice divisible by “[373](#)” (“The Word”), has extreme categorical significance as sourced from the Bible Wheel tables and excerpts presented below:

The Number 746 = 2 x [373](#) (Logos/Word). It is the value of the Hebrew Name of the Second Book - Shemuth (Names). This integrates with many primary themes of [Spoke 2](#) having to do with the Word and the Logos.

In the beginning was the Word, and the Word was with God, and the Word was God.

John 1.1

The wonders of the prime Number 373 know no bounds. Its identification with Diety - specifically God the Son - is made explicit in the verse above, as well as Revelation 19.13 where Jesus Christ is called the Word of God. The relation between God and the Word is reiterated in the alphanumeric structure of John 1.1 where we find the identity:

Word		and God was
λογος	= 373 =	και θεος ην
Logos		kai Theos en

This is discussed in more detail in the [The Divine Tapestry of John 1.1](#).

Along with the Numbers [37](#) and [73](#), the Number 373 forms the basis of the [Creation](#) and [Logos](#) Holographs. These numbers are geometrically integrated with the words for Wisdom and Word:

***** End of The Bible Wheel excerpts linked to [373](#) & [746](#) *****

It has become vividly clear that the correlation of the *Biblical Calendar of History* with the *Bible Wheel's* numeric values and concepts were divinely predetermined to merge as a prevailing light shining on the pathway to the appointed time of redemption at the end.

The revelations of these *many infallible proofs* provide an extraordinary glimpse of the glory of God. However, they can only be appreciated by the few disciples who walk up the mountain with Christ in faith. Unfortunately, the unsaved world will only consider the word when God speaks to all mankind at the time of supernatural manifestation. Like Noah, Enoch walked with God and was raptured. The miracle of enduring light at the “*Feast of Enoch*” was first instituted in [165 BC](#) when Judas Maccabees celebrated the reformation of the temple for 8 days from the eve of Dec. 24, 165 BC to the morning of Jan. 1, 164 BC.

➤ From 8th day Hanukkah 1/1/164 BC to world’s last Pentecost 5/24/15 = [795,644 days](#)

$$795,644 = 19 \times 19 \times 19 \text{ “Physical Manifestation”} \times 116 \text{ “The Mouth of the Lord”}$$

And the glory of the LORD shall be revealed, and all flesh shall see [it] together: for the mouth of the LORD hath spoken [it]. {Isaiah 40:5}

Presented below we have amazing correlation of light from the *Bible Wheel excerpts* for related numbers 116, [232 The Blessing](#)” and [58 “Grace:](#)”

The Mouth of the Lord relates to the Word of God through the pair of identities:

<p>The Word of the LORD</p> <p>דבר יהוה = 232 = 2 x 116</p> <p>Davar YHVH</p>	<p>The Mouth of the LORD</p> <p>פי יהוה = 116</p> <p>Pei YHVH</p>	<table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr style="background-color: #800000; color: white;"> <th style="text-align: center; padding: 2px;">The Number 116</th> </tr> </thead> <tbody> <tr> <td style="text-align: center; padding: 2px;">The mouth of the Lord [Is 40.5]</td> </tr> <tr> <td style="text-align: center; padding: 2px;">פי יהוה</td> </tr> <tr> <td style="text-align: center; padding: 2px;">True [Jn 15.1] αληθινη</td> </tr> <tr> <td style="text-align: center; padding: 2px;">Taught of the Lord [Is 54.12]</td> </tr> <tr> <td style="text-align: center; padding: 2px;">למורי יהוה</td> </tr> <tr> <td style="text-align: center; padding: 2px;">The brightness of the Lord's glory.</td> </tr> <tr> <td style="text-align: center; padding: 2px;">נגה פבורד יהוה [Ezek 10.4]</td> </tr> <tr> <td style="text-align: center; padding: 2px;">The Lord reigns [Ps 96.10]</td> </tr> <tr> <td style="text-align: center; padding: 2px;">יהוה מלך</td> </tr> <tr> <td style="text-align: center; padding: 2px;">Yinon (Rabbinic Name of the Messiah)</td> </tr> <tr> <td style="text-align: center; padding: 2px;">ינן [Ps 72.17]</td> </tr> </tbody> </table>	The Number 116	The mouth of the Lord [Is 40.5]	פי יהוה	True [Jn 15.1] αληθινη	Taught of the Lord [Is 54.12]	למורי יהוה	The brightness of the Lord's glory.	נגה פבורד יהוה [Ezek 10.4]	The Lord reigns [Ps 96.10]	יהוה מלך	Yinon (Rabbinic Name of the Messiah)	ינן [Ps 72.17]

Both of these are multiples of the Number [58](#):

Grace
 חן = n58

The Number 116 integrates well with the subject matter of Revelation 1.16:

And he had in his right hand seven stars: and out of his mouth went a sharp twoedged sword: and his countenance was as the sun shineth in his strength.

[GR] > The Number 232 - Let there be Light!

And God said, **Let there be light**: and there was light.

Genesis 1.3

His seed shall endure for ever, and his throne as the sun before me. **It shall be established for ever** as the moon, and as a faithful witness in heaven.

Psalms 89.37

The first two words in Scripture spoken by the Lord God Almighty are **Yahi Aur**, translated as **Let there by light**. We have the identity:

Let there be light

יהי אור = 232

Yahi Aur

This coincides exactly with the two words that define what the Bible is really all about:

The Word of the Lord

דבר יהוה = 232

Davar YHVH

The Number 232

Eternal God אלהים עולם
Let there be light [Gen 1.3] יהי אור
The Word of the Lord דבר יהוה
The writing of God, graven upon the tables (Ord) [Ex 32.16]
My Firstborn [Gen 49.3] בכר

The eyes of the Lord thy God [Deu 11.12] עיני יהוה אלהיך
Salt [Mat 5.13] αλας

But **Noah** found **grace** in the eyes of the LORD.

The Number 58

Bible Wheel excerpts on [19](#) Physical Manifestation "on earth" for the "Testimony-79" of the "Ingathering-151":

[GR] > The Number 79 - The Congregation and Testimony

But the Levites shall pitch round about the tabernacle of testimony, that there be no wrath upon the **congregation** of the children of Israel: and the Levites shall keep the charge of the tabernacle of **testimony**.

Numbers 1.53

The words for congregation and testimony have the common root of Ed, meaning witness. This integrates with the [Grace Manifest](#) Holograph through the identity:

dwelt amongst us
 ΕΣΚΑΗΥΩΣΕΥ ΕΥ ΗΜΙΝ = [19](#) (Manifestation) x 79 (Congregation)
 eskenosen en hemem

Feast of Weeks = Shavuot / Pentecost!

[GR] > The Number 151 - The People of God

And thou shalt observe the feast of weeks, of the firstfruits of wheat harvest, and the feast of **ingathering** at the year's end

Exodus 34.22

And God called the dry land Earth; and **the gathering** together of the waters called he Seas; and God saw that it was good.

Genesis 1.10

This number also manifests in the nominative phrase "The Body of Jesus"
 = 2869 = 19 (Physical Manifestation) x 151 (The People of God)

The Number 151
The People of God [Num 13.12] עבדי אל <i>Ammiel</i>
Gathering (of Water) [Gen 1.10] מִקְוָה <i>Miqvah</i>
Ingathering [Ex 34.22] אֲסֵף <i>Aseeph</i>
Multitudes [Joel 3.13] הַמְרִיִּם
The strength of my life [Ps 27.1] מְעוֹז חַיִּי <i>Mevoz Chai</i>
Whirlwind [Isa 17.13] סֹרְפָה <i>Sorpha</i>

Both the Numbers 19 and 151 are prime. They are both intimately associated with the heart of the Logos Star:

The heart of the Logos Star is a six-fold ring of hexagons representing the Number 19 centered on the Number 37 as Star. This structure resonates with the ideas of physical manifestation associated independently with the Numbers 6 (Six Days - cf. the Work of Creation) and the Number 19 (cf. Grace Manifest Holograph).

***** End of The Bible Wheel excerpts on 79 and 151 tied to 19 *****

From Maccabees' institution of Hanukkah 165 BC to Christ's biblical validation by observance of the "Feast of Dedication" in 32 AD (John 10:22-24) connects the "testimony" (79) of "the people of God" (151) to the "physical manifestation" (19) of the "ingathering" at Pentecost, the feast of weeks at the end of the year when summer begins. All praises and glory to the King of kings!

The "Rest" of 373

"373" is the 74th (2 x 37) prime number. Dr. Peter Bluer author of "[373 - A Proof Set in Stone](#)," who unlocked the geometric parallel of *John 1:1* to creation (Gen 1:1), recognized the intimately profound relationship between the values of the last two words in *Genesis 1:1* "**and the earth**" (703) with the "**Word**" (373) as follows:

$$\underline{703} \text{ "and the earth"} = \underline{111} \text{ "Aleph"} + \underline{373} \text{ "Word"} + \underline{219} \text{ "Create"}$$

(37 x 3) (3 x 73)

His illustration below further compares equal values of "373" for the "Word" and "and God was" from the Gospel of John 1:1 - *In the beginning was the Word, and the Word was with God, and the Word was God.*

This remarkable truth is also encoded in the numeric values of John. The sentence states in plain language that the 'Word was God'

Now the numeric value of the 3 words 'and God was' is 373 and the same numeric value of 'Word' is 373.

καὶ	θεὸς	ἦν	ὁ	λόγος
and	God	was	the	Word
[31	284	58]	70	
< — 373 — >			=	373
20,1,10	9,5,70,200	8,50	70	30,70,3,70,200

Graphics sourced from "373 – A Proof Set in Stone," P. Bluer

This equivalence reflects exactly the same teaching of the phrase. 'and the Word was God'

373 ↔ 373

Remember 373 is the 74th Prime number and 74 is 2 x 37 and the neighbour of 73

How incredible? "373" doubled is 746 ("To open the book") the very end point of the *Sabbath Journey!* As if that's not enough, the 13 occurrences of the Strong reference "[G373](#)" means to permit one to "**rest**," as in the meaning of "[Noah](#)" (Gen 5:29) who like Enoch "*walked with God.*" When the hour came for judgment Christ told the disciples to take their rest:

And he cometh the third time, and saith unto them, Sleep on now, **and take [your] rest: it is enough, the hour is come**; behold, the Son of man is betrayed into the hands of sinners. {Mark 14:41}

And I heard a voice from heaven saying unto me, Write, Blessed [are] the dead which die in the Lord from henceforth: **Yea, saith the Spirit, that they may rest from their labours; and their works do follow them.** {Rev 14:13}

And white robes were given unto every one of them; and it was said unto them, that **they should rest yet for a little season, until their fellowservants also and their brethren, that should be killed as they [were], should be fulfilled.** {Rev 6:11}

The *Promise Studies* make it abundantly clear that the correlation of the 11013 BC [Biblical Calendar of History](#) with the *Bible Wheel's* numeric values and concepts were divinely predetermined to merge as a prevailing light shining on the pathway to the appointed time of redemption at the end. Uncovering a biblical structure and value system is astonishing in itself, but who could imagine that the standard Strong index of a cross reference concordance published only 125 years ago was actually inspired by the will of God to harmonize His end time prophecy to be revealed for the last generation? In fact, [gematria](#) values were only implemented by the Jews around 100 BC, some 11,000 years since creation. According to Ivan Panin; to design such a perfect numeric arrangement found in the bible, there would have had to be a collaboration of highly proficient mathematicians spread over thousands of years to be attributed to as the work of man. The contributions of Ivan Panin should be circulating for edification in the lobbies of every Christian church today. Instead they were frowned upon, rejected and dismissed without any credible challenge. Could James Strong foresee and appreciate the gematria relevance of his assignment of "[G37](#)" meaning "sanctify" and "holy;" and "[G3700](#)" translated 37 times as "see" and 17 times as "appearance?" The answer is no - because the initial numeric insight of Ivan Panin was only published until the year (1891) after the print of [Strong's Concordance in 1890](#). Besides so many other index / gematria correlations, neither could Dr. Strong perceive the prophetic significance of our recent discoveries in the doubling time paths for 353/706 and 363/726.

Greek Strong Concordance Index			
G353	G706	G363	G726
14x	18x	6x	13x
"To Rise"	"A fixed number"	"To Remember"	"To Seize"
"To receive up"	"Multitude"	"To Consider"	"To Catch Up"
Acts 1:22	Acts 4:4	Hebrews 10:32	John 10:28
Bible Wheel Gematria Values			
353	706	363	726
Everlasting light	Temple	Messiah	Gather
Return, Five	Lilly	Return, Fifth	Rejoice
Promise, Heaven	Freedom	Anointed, Learn	Understand

Finally at the end, it's fitting that we find the Strong reference of [G746](#) means "**beginning**" (40x) like "[Enoch](#)" who "walked with God" and name means "[initiated](#)." The number "[746](#)" signifies the "authority" of God to "open the book" when eternity "begins." "Behold, we count them happy which endure. Ye have heard of the patience of Job, and have seen the end of the Lord; that the Lord is very pitiful, and of tender mercy." (Jas 5:11)

And he said unto me, It is done. I am Alpha and Omega, the beginning and the end. I will give unto him that is athirst of the fountain of the water of life freely.
 {Rev 21:6} ([Rev 22:13](#))

May He "Come Quickly"

This watch for the *Sabbath Journey* to the end has been a tremendous blessing that seems to have reached a culmination of *746 days* to Pentecost/Shavuot. No prior study has delivered such extreme degree of extraordinary promise. We can only hope that the reference to *"fully come"* will not extend beyond the end of the [International Timeline](#) (8 a.m. ET), which will be at the sixth hour on Tuesday May 26th at 3 pm in Jerusalem. (Evening oblation) If that were to happen, we can only reassess what we've learned and continue to forge onward in the watch.

The testing of any subsequent time paths for prospective dates should firstly consider the *solar eclipse Ascension 5/9/13* as starting point as well as Thanksgiving/ISON 11/28/13. It should also apply Haggai's count for foundation years 1948, 1994, 2011 and 2013. Any count should find a correlation with Hezekiah's 10 degree sign for the third day, Israel's rebirth 1948, Enoch's birth and rapture dates, as well as the first Hanukkah 165 BC and Christ's last observance 32 AD. It should also relate to the flood date 4990 BC, Rosh Hashanah for jubilee year 1994 and creation 11013 BC, Spiritual Judgment Day May 21, 2011, and Pentecost years 33 AD and 1988. It should also consider the chronologies of Solomon's Temple, Joseph and Esther. The numeric values: 11, 17, 19, 23, **37**, 50, 73, 89, 127, 149, 153, 271, 353, 363, **373**, 541, 666, 703, 726, 746, 1010 are significant factors that may relate to the final journey. How could any other date measure up to all the wonders this study leading to Pentecost/Shavuot has revealed? Based upon so many profound proofs uncovered, it seems highly unlikely that the entire international world will fully pass this date. On the *"third day"* at Mt Moriah, Abraham was tested to sacrifice his only son Isaac right up to the very last moment ([Gen 22](#)). So until the day is completely over, we have justification to hold on to hope. Yet, we know with God, all things are possible for the Creator of the universe. As wisdom and revelation can only come from God, we must yield to His will; remaining patient, **prayerful** and vigilant in the watch right up until the very end.

Through the extended timeline uncovered in these studies, God has laid out a cohesive direction of understanding in connecting the dots from many sound resources, including the [Blue Letter Bible](#), [TimeandDate.com](#), [Chabad Jewish Calendar](#), [Hebrew BC-AD Calendar](#), [Keisan Online Calculator](#), [Prime Factorization Tool](#) and of course the [Bible Wheel](#) despite its own opposition. Numerous reference links have always been provided to encourage the reader to validate proofs first hand. No source should ever be trusted without testing doctrine in light of the bible authority for truth. Should time continue on without an imminent date peering in the horizon, the Promises Studies will press on with the watch, although it may have to suspend website access as early as the first week of June. It is therefore recommended that readers download or print the extended [Biblical Calendar of History](#) that has been relied on through the progression of these studies. Any worthy updates uncovered on this subject will be found on Twitter at *"The Promise@May21."* Thanks for all the prayers and devotion in this watch. May the Lord bless and guide His people who look for His coming in faith to His command.
