Counselor of Wonders

In John 10, Jesus makes a point to be present at the Temple in observance of the Feast of Dedication 32 AD in commemoration of its historical restoration in 165 BC, which like its predicted destruction of 70 AD, is not recorded in the bible. ([John 20:30-31, 21:25](#))

There was a division therefore again among the Jews for these sayings. And many of them said, He hath a devil, and is mad; why hear ye him? Others said, These are not the words of him that hath a devil. Can a devil open the eyes of the blind? **And it was at Jerusalem the feast of the dedication, and it was winter.** And Jesus walked in the temple in Solomon's porch. **Then came the Jews round about him, and said unto him, How long dost thou make us to doubt? If thou be the Christ, tell us plainly.** Jesus answered them, I told you, and ye believed not: the works that I do in my Father's name, they bear witness of me. But ye believe not, because ye are not of my sheep, as I said unto you. {John 10:19-26}

Based on the original Greek words “airo” ([G142](#) - *to lift up*) and “psyche” ([G5590](#) - *to breathe = gematria value 216*); we have learned that this key question can be re-phrased to **“When is the rapture and end of man’s life on earth?”** The question being [71,574 days](#) from the first [Hanukkah](#) was also perfectly timed by God as well. $71,574 = 6 \times 79 \times 151$. While **“151”** equates to the “ingathering” and “people of God”; **“79”** is the value for *congregation* and *testimony*, which are featured in Numbers **1:53** and Numbers **3:7**, the [3700th verse](#) in the bible.

But the Levites shall pitch round about the **tabernacle of testimony**, that there be no wrath **upon the congregation** of the children of Israel: and the Levites shall keep the **charge of the tabernacle of testimony**. {Numbers **1:53**} ([153](#) = “He shall cause to inherit”)

And they shall keep his charge, and the charge of the whole congregation before the **tabernacle of the congregation**, to do **the service of the tabernacle**. {Numbers **3:7**}

This is so extraordinary, how can anyone disregard it? 151 and 79 factored by 19 results in “*the body of Jesus*” and “*dwelt among us.*” Christ’s last observance of the Feast of Dedication was pointing to our time on earth as well.

Last year's New Moon Feast of Dedication - 12/22/14 was [592 days](#) from the 5/9/13 Ascension solar eclipse at the 10th Torah reading [Miketz](#), which highlights Joseph's dream interpretation reward and means "at the end." "[592](#)" is the value for the "Godhead" and "filled the temple," and totals the number of times Moses' name is cited in the Torah. Just like the sum of our Super moon time paths (23 + 66 + 127), the last New Moon of 2014 (12/22/14) is also [216 days](#) from Tisha B'av. "[216](#)" factors as 6 x 6 x 6 identifies with 666 and is the perimeter of the [73rd triangular number](#) representing the first verse of creation (Gen 1:1). "216" also happens to be the gematria value for the "certain saint" Palmoni who is also asked "**How long?**" in Daniel 8:

Then I heard one saint speaking, and another saint said unto that certain [saint] ([H6422](#)) which spake, **How long [shall be] the vision** [concerning] the daily [sacrifice], and the transgression of desolation, to give both the sanctuary and the host to be trodden under foot? {Dan 8:13}

The certain saint noted as "Palmoni" ([H6422](#)) in the margin of the 1611 King James Version, who is call the *Wonderful Counselor* is the one Jesus Christ who holds the key to the kingdom ([Rev 3:7](#)) and is identified in the "23rd" book of the bible:

For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: **and his name shall be called Wonderful, Counsellor**, The mighty God, The everlasting Father, The Prince of Peace. Of the increase of [his] government and peace [there shall be] no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even for ever. The zeal of the LORD of hosts will perform this. {Isaiah 9:6-7}

As noted in Promise Study 60 "[Wonderful Counselor of Wisdom](#)," this passage is [mysteriously](#) highlighted by Isaiah's irregular Hebrew grammar with the word "marbeh" translated as "**of the increase.**" The 13th letter "mem" at the "beginning" of the word is improperly scripted in a "final" form (closed mem), which should only be used when it's positioned at the "end" of a word. "Mem" means "water," and conceptually relates to the process of an action to "completion." I.e.: "from thirst to quench," or "a watch to redemption." The reverse arrangement of the letter mem is pointing to a "new order" where the Lord is revealing the transition of a restored kingdom of an enhanced "life" everlasting to come at the completion of time at the very end.

It's extremely significant that Isaiah uses the Hebrew word *qara* for "**his name shall be called**" Wonderful, Counselor. "Qara" is the same word that unraveled [The Biblical Calendar of History](#) by distinguishing the bible's wording regarding the birth of Enosh from Seth in [Genesis 4:26](#) and [5:6](#). Understanding the key reference "**called his name**" ([H7121](#)- "qara") as an immediate father-son relationship as opposed to "begot," which could relate to a distant decedent, was the key factor to determine 6,023 years as the correct period of time from Adam to Noah at the time of the flood - Iyar 17, 4990 BC. The same word "qara" used to calculate the **11013 BC** creation [Biblical Timeline of History](#) points to the Lord's name as well! 2

The Hebrew word used for “wonderful” in Isaiah 9:6 is “pele” (Strong [H6382](#)) defined as “wonder” (extraordinary, hard to understand thing) (of God's acts of judgment and redemption).

And account [that] the longsuffering of our Lord [is] salvation; even as our beloved brother Paul also **according to the wisdom given** unto him hath written unto you; As also in all [his] epistles, speaking in them of these things; **in which are some things hard to be understood**, which they that are unlearned and unstable wrest, as [they do] also the other scriptures, unto their own destruction. {2 Peter 3:15-16}

Collectively, the following passages consisting of the word “pele” provides a deeper understanding.

Many, O LORD my God, [are] **thy wonderful works** [which] thou hast done, and thy thoughts [which are] to us-ward: they cannot be reckoned up in order unto thee: **[if] I would declare and speak [of them], they are more than can be numbered.** {Psalm 40:5}

[Such] knowledge [is] too wonderful for me; it is high, I cannot [attain] unto it. {Psalm 139:6}

And the heavens shall praise thy wonders, [H6382](#) O LORD: thy faithfulness also in the congregation of the saints. {Psalm 89:5} (Psalm 19)

PE. Thy testimonies *are* wonderful: [H6382](#) therefore doth my soul keep them {Psa 119:129}

Therefore, behold, I will proceed to do a marvellous work among this people, **even a marvellous work and a wonder: [H6382](#) for the wisdom of their wise men shall perish, and the understanding of their prudent men shall be hid.** {Isa 29:14}

And *one* said to the man clothed in linen, which *was* upon the waters of the river, **How long shall it be to the end of these wonders?** [H6382](#) {Dan 12:6}

This also cometh forth from the LORD of hosts, [which] is **wonderful in counsel**, [and] excellent in working. {Isa 28:29}

Even to prepare me timber in abundance: **for the house which I am about to build [shall be] wonderful great.** {2 Chr 2:9}

Alpha and Omega

Also in the Book of Revelation, we have this from Chapter **21:6**

“And he said unto me, It is done. I am Alpha and Omega, the beginning and the end. I will give unto him that is athirst of the fountain of the water of life freely.” Revelation **21:6**

As we have seen from the gematria of [verses 3:19 and 9:10](#) in the Book of Proverbs, 216 is the perimeter of the Alpha and Omega sections of the Wisdom Star. The Genesis triangle also has a perimeter of the same 216.

In the above diagram, the moon is placed tangent to earth. When this is done, using their exact dimensions, the triangle that can be drawn within their centers is precisely the proportions of the Great Pyramid. It suggests that the Great Pyramid was patterned by the size of earth and its moon.

Moonlight is the reflected light of the sun. The sun is a representation of God, the source of light and life. Thus the moon appropriately symbolizes God's law that was originally given to Moses. The principles of God's divine law were incorporated into the Ten Commandments. It was a small representation of divine law – a reflection of God Himself.

The "moonlight" went out on the afternoon when Jesus hung upon the cross. In fact, the literal moon went into eclipse as a sign that the symbolic moonlight – the Law Covenant – had been put to an end.

That law had been given to Moses on Mount Sinai, which is also called Horeb. It is not to be overlooked that the name Horeb has a Gematria value of 216. The transaction on Mount Horeb that day was symbolized by the moon, whose diameter is 2160 miles.

Although subsequently overshadowed by our discovery of the Ascension solar eclipse of 2013, the prior year 2012 was fundamentally significant because it began our recognition of solar eclipse falling in sync with the *Biblical timeline*. The [5/19/12](#) solar eclipse was [365 days](#) the $7,000^{\text{th}}$ anniversary of the flood - *May 21, 2011*, and matched the 1994 jubilee year solar eclipse - [5/10/94](#) being 17 weeks from *Rosh Hashanah*. Since 5/19/12 fell on the [27th day of Iyar](#), its solar eclipse corresponded with Noah's dry land rainbow date a year after the flood. ([Gen 8:14, 9:13-14](#)) Without recognizing the correlation of God's promise to Noah with the solar eclipse of 2012, we would have missed the pivotal significance of the promised "next year" ([Gen 18:10, 14](#)) solar eclipse start for the Sabbath Journey - May 9, 2013. Therefore, we have sound reason to consider **2012 as another foundation year** in the count from the 24th day of the 9th month as directed in [Haggai 2:18](#):

➤ From foundation year 2012 Kislev 24 - 12/8/12 to Tisha B'av 7/25/15 are [959 days](#)

137 is the age of Abraham when Sarah died at 127, while Isaac was married at 37. According to the [link](#) and graphic below by *Pearls of Wisdom*, the number "137" is fundamentally profound.

The separation of light from darkness, as governed by α , is intrinsic to the creation story. It is the subject of the Bible's fourth verse, and this verse has profound implications. Not only does it have a gematria value 1776, but the mysterious 137 also makes an appearance.

Another consideration for the third day rapture as frequently predicted throughout the gospels and perceived by Hezekiah ([2 Kings 20:8](#)) could be a count of three days from the 9th of Av, which would then be 130 days from the 3/20/15 trifacta Super Moon - Equinox - Solar Eclipse to 7/28/15. The number 130 has extensive prophetic value as illustrated in the column presented on the right. A [common example](#) used to explain gematria is the **ladder** in Jacob’s dream – Sulam (סֹלָם), which has a numerical value of 130 (ס (samekh) = 60, ל (lamed) = 30, מ (mem) = 40). Since the Hebrew word for “Sinai” (סִינַי), has the same numerical value; although it’s spelled with different letters, **Jacob’s ladder** is often interpreted as representing **the giving of the Torah on Mount Sinai**.

In his 7th year, prominent priest [Jehoiada](#) who made a national covenant with the Lord’s people ([2 Chr 23:16](#)) was buried “full of days” at 130 years old ([2 Chr 24:15](#)) having led 3,700 from Aaron’s tribe of Levi with honors in the city of David.

*And Jehoiada [was] the leader of the Aaronites, and with him [were] **three thousand and seven hundred**; {[1 Chronicles 12:27](#)}*

Strong’s “G3700” references the Greek word “Optanomai” which means “to look at,” “behold” and “to appear.” As reminded early on the first page of this study, the 3700th verse of the bible is Numbers “**3:7**,” which mirrors Numbers “**1:53**.” Both of these verses amazingly relate to the Levites keeping charge of the *tabernacle and testimony of the congregation*.

As well as the destruction of the temples, a final three days were significant in the accounts of the *Crucifixion, Shavuot* and *Purim*. An additional 3 days to this year’s *Tisha B’av* would increase the total *Sabbath Journey* count from 5/9/13 to [811 days](#). The number “**811**” holds the value for the words “rise,” “increase,” “cover,” “salvation,” “dove,” “heal,” “command,” “porch” and “ten.”

The "Same Count" design by the "Numberer of Secrets"

"Elect" = 144,000, "Beast/Man" = 666, "Holy Spirit" = 1080, "Holy of Holies" = 216

- 144,000 ÷ 666 = 216.2162162162162
- 144,000 ÷ 216 = 666.6666666666667
- 216 x 5 = 1,080 = 3 x 360 = 6 x 180 "The Face"
- 144,000 ÷ 1,080 = 133.3333333333333
- 133.3333333333333 x 5 = 666.66666666667 △
2701 + 3627
- 666 x 5 = 3,330 (333 is the border of the 112th Triangle #, sum of Gen 1:1 + John 1:1)
- 144,000 ÷ 3,330 = 43.24324324324324324, (333 = "Snow," related to Wisdom Star)
- 43.24324324324324324 x 5 = 216.2162162162162162 (43 x 2 = 86)

The duplicating interrelationships between the number of the "Elect" - 144,000, the "Holy Spirit" - 1080, the "Holy of Holies" - 216 and the "number of Man" - 666 is signified in the Greek word for "gematria" "(sopsephia), which means "same count" (G2470, G5585) found in the number of the beast verse on wisdom (Rev 13:18). Thus, the following analysis excerpted from our previous study on wisdom is further harmonized remaining well intact.

The above table highlights the key words in discerning Revelation 13:18, which indicates 666 as the same count for the judgment of man and the Sabbath journey watch by the disciples. The Greek word for "count" equates to the root "Isopsephia" that means "same count," which also matches the value for "gematria" at 1499. A Greek synonym word for "gematria" is the word "kleis" found in Rev "3:7" indicates that only the Lord holds **the key** to the **door** of His kingdom:

These things saith he that is holy, he that is true, he that hath the key of David, he 10 that openeth, and no man shutteth; and shutteth, and no man openeth; {Rev 3:7}

The corresponding Hebrew word for "[the key](#)" is *maphte'ach*, which values "[528](#)" and equals "door," "alphabet" and "understanding." $528 \div 8$ (*new beginnings*) = [66](#) (*wheel*.) Also, 1499 in Hebrew is the value for "[Iscairiot](#)" (*indwelt by Satan*) ([H377](#)), which means "manly" (also "powers & principalities" high places [Eph 6:16](#)) referred to as "man of sin" (error, wanderer - Rev 13:11-17):

Let no man deceive you by any means: for [that day shall not come], except there come a falling away first, and that **man of sin** be revealed, the son of perdition {2The 2:3} ([2Ths 2](#))

But there are some of you that believe not. For Jesus knew from the beginning who they were that believed not, and who should betray him. {John 6:64}

While the number of man relates to the beast (*Rev 13:18*, [Isa 56:9-12](#)), it also ties man to the intense watch of the elect illustrated by Strong's words for [G444](#), [G3700](#) and [G2300](#). ([Dan 8:13-14](#), [Isaiah 9:6-7](#)) In context of the Promise Studies, we can now paraphrase the ultimate passage for "Here is wisdom:"

Let him with the key of understanding from Christ through the wheel of gematria, count the time of the trap set for Satan and his followers. For it is the "same count" of the 666th day Sabbath journey landing at Purim, which ultimately ends 216 days from the last Hanukkah 2014, for the blessed who keep the Lord's strict command to watch by earnestly seeking the promise with patience and endurance. ([Rev 13:10, 14:12](#))

As presented by the *Pearls of Wisdom*, Ecclesiastes 12:8 is the 216th verse duplicating the value of 216 in [Eccl 1:2](#), which underscores "[vanity of vanities](#):"

(8) Vanity of vanities, saith the preacher; all [is] vanity..... Let us hear the conclusion of the whole matter: Fear God, and keep his commandments: for this [is] the whole [duty] of man. For God shall bring every work into judgment, with every secret thing, whether [it be] good, or whether [it be] evil. {Ecclesiastes 12:8-14}

The most holy place in both the Tabernacle and the Temple, THE HOLY OF HOLIES, is a cube ([II Chr. 3:8](#); [I Kings 6:20](#)). In [Daniel 8:13](#), Messiah appears as a [Christophany](#) called *Palmoni*, a name some Bibles annotate as "numberer of secrets" or "wonderful numberer," (since that is what [Palmoni](#) means in Hebrew). The Hebrew letters for *Palmoni* (yod, nun, vav, mem, lamed, peh) have a gematria of 216, a cube (6^3). The sum of the factors of 216 ($2 \times 2 \times 2 \times 3 \times 3 \times 3$) is 15, both the 5th triangle number $(n^2 + n)/2$, and the 2nd centered [tetrahedral](#) number $(2n^3 + 3n^2 + 7n + 3)/3$. The number 216 is the perimeter value of both the 73rd triangle (2701) and the 19th star (2053). The [place value](#) of *Palmoni* (72) is also the perimeter value of both the 25th triangle (325) and the 7th star (253).
