Like 1st Verse

Describing the preparation of the children of Israel to receive the gift of the Ten Commandments; the previous chapter Exodus 19 totals [1369 letters](#), which equals the square of 37. "[1369](#)" is the value of "the conclusion" of the second verse of the bible ([Gen 1:2](#)): "And the spirit of God moved upon the face of the waters." This phrase has an ordinal (order) value of [271](#).

Because it cleanses, "water" symbolizes the spoken Word of God ([Heb 10:22](#)) from the beginning because it held the power to purify the soul. The spirit of God moving upon the face of the waters symbolizes the fulfillment of the Word leading to the promise of eternity at the conclusion, which its manifestation is represented by the gift of the [Ten Commandments](#) spoken on Mt. Sinai in Exodus 20. Accordingly, Exodus 20 has a gematria letter value of [1143](#) which equates to "The Glory of The Lord" as calculated above. 1143 is 9 times divisible by "[127](#)" - "The King of Glory" and the age of Sarah's rest in the promise land of Canaan ([Gen 23:1](#)).

Now we find that the actual words of the *Ten Commandments* themselves total "172" joining our amazing prophetic group of anagrams 2017, 2701, 271 and 127. Valued by the double of 666 pointing to 172 words, the *Ten Commandments* intro verse ([Exo 20:1](#)) unveils the manifestation of prophecy hidden behind the 2701 value of the creation verse Gen 1:1. $172 = 2 \times 86$; which is double value of "God (Elohim)." The 172 *Ten Commandment* words are made up of 620 letters. "[620](#)" holds the value for "The Scripture," "[cleansing](#)," "Crown," "spirit" and "covenant." The Bible Wheel uncovers following identity pair in the number [1231](#).

The Number 1231	The Ten Commandments
	The Crown of the Torah

The difference between the letters 620 and words 172 is [448](#), which equals 7×64 the number of "truth" and "The LORD hath sworn," "As it is written." $1143 - 620 = 523 = \text{"Aleph and Tav."}$

The Sabbath Journey timeline of this watch has led us to conclude Shavuot 2017 as the feast of manifestation because it falls exactly *153 days* after the double of *666 days (1332)* from the pivotal *solar eclipse dry land Ascension day 5/9/13*. With the first *666-day* watch landing on *Purim 2015* followed by a 2nd *666-day period* landing on [Miketz 2016](#); only the non-eventful passing of *153 days* to *Shavuot 2017* would permit us to consider doubling the final time path an added *153 days* for a total of *306 days* to manifestation. Suddenly throwing in the towel after all the wondrous proofs should not be entertained. As stated by the prophet Isaiah; “...**he that believeth shall not make haste**” ([Isa 28:10-16](#)). We must continue to stay the course, elevating closer up the tower, enduring to the end with the spoken word of God ([Rev 3:3](#)).

Counting forward *153 days* from *Shavuot 6/1/17* would land on the familiar infamous feast [Allhallowtide 11/1](#) when rebellious man celebrates the dead. This was the day of the horrific [Lisbon Earthquake of 1755](#) when the churches were destroyed by a trifecta earthquake, inferno and tsunami during Sunday worship. Curiously, *Allhallowtide 11/1/14* fell *541 days* from *5/9/13* and *1260 days* from *May 21, 2011*, which turned out to be *259 years* from 1755. “259” = 7 x 37.

From the start of the *Sabbath Journey 5/9/13* to *Allhallowtide-11/1/17* are *1637 days*. “1637” not only happens to be the [259th prime number](#), but it also holds the gematria value for the key word “*Thanksgiving*” as well as the key verse *Habakkuk “2:3,”* which has been the inspiring mantra of our endurance since the beginning of this watch:

For the vision [is] yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry. {[Hab 2:3](#)} ([Heb 10:37](#))

The feast of Thanksgiving evolved from God’s blessing of “*New World Order*” during the blood moon tetrad year 1492. Strong index [G1492 “to see” \(eido\)](#) occurs **666x** and closely matches [G3700](#) and [G2300](#) in meaning. Just four years ago *11/28/13*; the harbinger [Comet ISON](#) arriving 666 years from the [Black Death Comet Negra of 1347](#) merged Thanksgiving and Hanukkah ([Thankgivukkah](#)) which cannot repeat for another 77,000 years. In light of the progressive harmony along with Joseph’s interpretation of Pharaoh’s dream; the extended doubling of the *153 days (2 x 153 = 306)* to bring the total *Sabbath Journey* to *1637 days* cannot be taken lightly.

And for that the dream was doubled unto Pharaoh twice; [it is] because the thing [is] established by God, and God will shortly bring it to pass. {[Gen 41:32](#)}

A 1637-day Sabbath Journey means that the total Final Tribulation Period from *Spiritual Judgment day May 21, 2011* to a *third-day rapture from Allhallowtide 11/1/17* becomes [2,359 days](#). "2359" breaks down as 7 x 337. "[337](#)" holds the gematria value for strong redemptive words as "seed," "Hebrew," "Nazarite," "whirlwind," "treasure," "rise," "heal," "begin" and "manifest." Further research reveals that "[337](#)" also values the phrase: "**God said**," which fits perfectly with Habakkuk "2:3" that promises to speak at the end, while *Lamentations "3:37"* makes it clear that only the Lord can reveal when it happens:

"Who can **speak** and have it happen if the Lord has not decreed it?" {Lam 3:37}

337 along with its anagrams 373 and 733 are all three prime numbers, which sums to a total of **1443** (= [777](#) + [666](#)). 1443 is 3 times divisible by "[481](#)" which equates to "*The beginning*."

"[1443](#)" = "**Let there be lights in the firmament of the heaven**" Genesis 1:14

The Greek word "*anaireō*," occurring "23" times in the bible, has the Strong index of "[G337](#)" and means "**to take up, to lift up (from the ground)**".

A scorner seeketh wisdom, and [findeth it] not: but knowledge [is] easy unto him that understandeth. {Proverbs 14:6}

The skeptics choose to convince themselves that the study of “numerology” is consumed by those who are paranoid in a meaningless search for mystery in darkness. They have no idea that God’s light of truth is hidden from them in their own willful ignorance of numbers.

And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil. For every one that doeth evil hateth the light, neither cometh to the light, lest his deeds should be reproved. **But he that doeth truth cometh to the light, that his deeds may be made manifest, that they are wrought in God.** {John 3:19-21}

What hath God wrought! (*Numbers 23:23*) The **37th word** in the bible is “**light**” (*Gen 1:4*), which begins with the **137th letter**. “**137**” is the [fine structure constant](#), the division of light over matter.

The pivotal discovery of the solar eclipse *Ascension Thursday 5/9/13 Sabbath Journey* count start date has been the lynch pin to countless time paths leading the way closer and closer to the promise. Now that we are concluding *1637 days* as the ultimate *Sabbath Journey* count to the promise; one may question if yet another extension could await us at the end.

The Strong’s concordance values a gematria of 1637 for the Greek word “*chronizo*” ([G5549](#)), which occurs 6 times in 5 bible verses and ironically means “*to linger, tarry or delay.*” However, when we review the word in its context, it becomes apparent that the 1637-day span actually determines the time length of tarry while the five related verses reiterate *Habakkuk’s 2:3* (*Gematria 1637*) underlying message that the tarry will eventually cease as repeated in *Hebrews 10:37*.

For yet a little while, and he that shall come will come, and will [G5549](#) [G0](#) **not tarry**. [G5549](#)
{*Hebrews 10:37*}

But and if that evil servant shall say in his heart, My lord **delayeth** [G5549](#) his coming; {*Mat 24:48*}

While the bridegroom **tarryed**, [G5549](#) they all slumbered and slept. {*Mat 25:5*}

And the people waited for Zacharias, and marvelled that he **tarryed so long** [G5549](#) in the temple. {*Luke 1:21*}

But and if that servant say in his heart, My lord **delayeth** [G5549](#) his coming; and shall begin to beat the menservants and maidens, and to eat and drink, and to be drunken; {*Luke 12:45*}

With a perspective judgment day looming for the fall of 2017, we can better appreciate the “18” sections of the 5778 triangle previously presented from [Bible Gematria](#) in pointing to the [Hebrew year 5778](#) beginning in September 2017.

The 5778 triangle depicts the *Creation Triangle* ([Gen 1:1](#)) with the complete purification of the elect (13×153 fishes) and the ark of the Lord moving with the elect “upon the waters” ([Psalm 145:17](#)).

1088 = 17 x 64:

“17” = “Fish,” “Sacrifice,” “Kid,”

“64” = “Truth,” “Judgment,” “My Covenant,” “Aleph and Tav”

The digit sum of for 1637 happens to total the number 17 = $(1+6+3+7)$. 1637 minus 337 equals “1300,” which matches the gematria value of Ecclesiastes 8:7:

Because to every purpose there is time and judgment, therefore the misery of man [is] great upon him. **For he knoweth not that which shall be: for who can tell him when it shall be?** {Ecc 8:6-7}

The Strong Hebrew and Greek indexes for 1637 also have relevant significance. [G1637](#) references the Greek word (*elaion*) for “**olive oil**,” which is used to fuel the lamps, heal the sick and for anointing during feasts.

The Hebrew index [H1637](#) translates (*goren*) “18” times as “**threshing floor**,” which is where the temple of David was built:

*Then Solomon began to build the house of the LORD at Jerusalem in mount Moriah, where [the LORD] appeared unto David his father, in the place that David had prepared in the **threshing floor** of Ornan the Jebusite. {2 Chr 3:1}*

From The Temple Destruction 587BC to 2017 are 2603 years, 2603 = 19 x 137

The table below suddenly draws the attention of this study with the incorporation of our *Sabbath Journey* number "1637." The graphic was posted by John Tng Nov 12, 2009. The table charts the difference in the position of counters in a triangle based on the varying orders of counting. A direct explanation is found at "[His Number is 666.](#)" Although the originator's interpretation is inconsistent with this watch, the independent geometric result recorded in the table is presumed to be mathematically objective. Simply considering the gematria values of each number in the table, our perspective offers a dimension that speaks "plain upon the tables:"

2017 = to "Seize" Inheritance = [Mat 21:38](#)

	Red Stone 666	Center Stone	Distance in-between	
380 = "Firmament" ←	380	2017	1637	→ New World "Thanksgiving" = 1637 <i>Habakkuk 2:3</i>
666 = "The Holy Ark" ←	666	685	19	→ Physical Manifestation = 19
2036 = "Deliver" ←	2036	1351	685	→ "Rest" = Isa 40:1 = 137 x 5 = 685

1351 = "Suddenly" = [Acts 2:2](#) = Holy Spirit Arrival at Pentecost

A previous illustration from the same *Five Doves* source posted in 2007 combines 1351 and 2017 as the central intersecting focus of the triangle. The sum of both figures (1351 + 2017) equates to 3368, which holds the value to "[Lord](#) + [Jesus](#) + [Christ](#)." 2017 - 1351 = 666.

$$1351 + 666 = 2017 = 3368 - 1351$$

Despite the extraordinary precision of the 11013 BC creation calendar vigorously promoted for examination and warning leading up to 2011, - 7,000 years from Noah's flood; it has been widely disregarded by the world and forgotten by the very messengers who lost faith in the watch. Beyond the timetable, the bible makes it clear that:

The heavens declare the glory of God, and the firmament sheweth his handywork. Day unto day uttereth speech, and night unto night sheweth knowledge. [There is] no speech nor language, [where] their voice is not heard. **Their line is gone out through all the earth, and their words to the end of the world.** In them hath he set a tabernacle for the sun, Which [is] as a bridegroom coming out of his chamber, [and] rejoiceth as a strong man to run a race. His going forth [is] from the end of the heaven, and his circuit unto the ends of it: and there is nothing hid from the heat thereof. {Psalm 19:1-6}

When the Pharisees and Sadducees desired a sign from heaven; Jesus perceived that, beyond the weather, their belief in the possibility of heavenly signs tracking time was really insincere.

He answered and said unto them, When it is evening, ye say, [It will be] fair weather: for the sky is red. And in the morning, [It will be] foul weather to day: for the sky is red and lowring. **O [ye] hypocrites, ye can discern the face of the sky; but can ye not [discern] the signs of the times?** {Matt 16:2-3}

And he said also to the people, When ye see a cloud rise out of the west, straightway ye say, There cometh a shower; and so it is. And when [ye see] the south wind blow, ye say, There will be heat; and it cometh to pass. **[Ye] hypocrites, ye can discern the face of the sky and of the earth; but how is it that ye do not discern this time?** {Luke 12:54-56}

Landing 666 years after the Black Death Comet Negra that killed 66% of the world's population in 1347, even the ardent skeptics had a tough time downplaying God timing the comet ISON to shine light on the once-in-a-lifetime merging of Thanksgiving and Hanukkah on the very same date 11/28/13, which could not reoccur for another *77,000 years*. When the sign of ISON vaporized, the apprehension of man passed with it. Just like the great anticipation of Halley's Comet a century prior, man's "myth" of comets as harbingers seemed to fail once again.

However, the separation of days between these two comets is so uncanny, only gematria enthusiasts can begin appreciate the meaning:

➤ *From Halley's Comet 5/19/1910 to Comet ISON 11/28/13 are [37,814 days](#)*

$$37,814 = 2 \times 7 \times 2701$$

Perhaps what's even more staggering than the time span of two comets a full century apart being divisible by 37, 73 and the value of the bible creation verse (Gen 1:1); is the fact that bystanders can insult God's glorious proof with staunch casual indifference. Whether man likes it or not, any application of the law of probability makes it absolutely clear for those who dare to confirm that these comets are indeed harbingers of things to come and thereby emphatically confirm the declaration of God's glory from the heavens!

The only question that remains is why God particularly targets our attention on both Hanukkah and Thanksgiving? Both feasts are observed in dedication and thanks to the blessings of God. While Hanukkah celebrates the reclamation of the Temple by the Jews in 165 BC; Thanksgiving was originated by the pilgrims in dedication to God for America's "New World" of freedom from the religious persecution of 1492.

The combined feast was branded as "[Thanksgivukkah](#)." Within the gematria value of "Thanksgiving" - 1637, "[100](#)" happens to be the value for the words "**feast of dedication**." The difference "[1537](#)" (1637 - 100) holds the value for "**Majesty**:"

*To the only wise God our Saviour, [be] glory and **majesty**, dominion and power, both now and ever. Amen. {Jude 1:25}*

100 amplified 10 times equals "[1,000](#)," which equates to "perfect ([Psalm 37:37](#))," "trumpet," "ten" and "Him that overcometh." $1,637 - 1,000 = 637$. "[637](#)" holds the gematria value for the phrase "**dust and ashes**," which relates to the completion from "beginning and the end."

In the sweat of thy face shalt thou eat bread, **till thou return unto the ground; for out of it wast thou taken: for dust thou [art], and unto dust shalt thou return.** {Gen 3:19}

Just after receiving God's promise before the judgment of Sodom and Gomorrah, Abraham began his countdown plea from *fifty (50)* righteous if God would spare the two wicked cities from destruction:

And the LORD said, If I find in Sodom fifty righteous within the city, then I will spare all the place for their sakes. And Abraham answered and said, Behold now, I have taken upon me to speak unto the Lord, which [am but] **dust and ashes**: {Gen 18:26-27}

In the story of Purim, when Mordecai had learned that the Jews were going to be killed on a certain day, it was a time of great mourning and fasting:

"...Mordecai rent his clothes, **and put on sackcloth with ashes**, and went out into the midst of the city, and cried with a loud and a bitter cry;" ([Esther 4:1-3](#))

Incidentally, the Hebrew word for "ashes" ([apher](#)) has been assigned Strong's index of [H666](#).

The Great Rainbow “New World” Eclipse - Sign

Based on the insights of gematria, this study has long recognized America’s evolution (1492 - 1776) to independence as a symbol of the “New World” to come. For one, her year of discovery 1492 was during a [blood moon tetrad](#), which paralleled with the [Spanish Inquisition](#). [Tetrad eclipses](#) are harbingers of worldwide change (i.e.: [1929](#), [1948](#), and [1967](#)). 1492 is 4 times divisible by [373](#), which reveals the intimate connection between “wisdom-73,” the “word-373” and “physical manifestation-19.” [G1492](#) for the Greek word “eido” (to see, know) is translated [666](#) times in the bible. Strong’s indexes for [G1492](#), [G3700](#) and [G2300](#) are virtually interchangeable.

The spiritual significance of 1776 for the year of [America’s independence](#) is extremely prominent as well. “[1776](#)” holds the value for “eschatos / last,” “prophecy” and [Genesis 1:4](#), which integrated with [813](#) relates to the “**Creation of Light**.” 813 is the result of 3 x “[271](#),” which equates to “*And the Spirit of God moved upon the face of the waters.*” ([Gen 1:2](#)) The ordinal value [271](#) parallels the standard value of [1369](#) ($37 \times 37 =$ “fullness,” “Image of God”) and “[271](#)” is the 10th Centered Hexagon number found it the heart of the 10th Star number [541](#), the value of “Israel,” “Sarah,” “The Commandments” and “Stone Tablets.” The below graph highlights the intergration of light for 1776 and 813.

This should put in context the prophetic symbolic significance of the only exclusively US visible “[Great American Eclipse](#)” spanning 14 states viewed by millions on 8/21/17, which marked the beginning of the final [73 days](#) to the world’s idol feast of judgment [Allhallowtide](#) 2017.

The last coast to coast eclipse in the US fulfilled the prediction of Albert Einstein 99 years ago [June 8, 1918](#) when a massive [flu pandemic](#) assaulted one third of the world’s population killing 20 to 50 million infected around the world. [1918](#) was the same year [WWI](#) finally came to an “end.” “[99](#)” holds the value for “Amen,” the last word of the Word {[Rev 22:21](#)}. 99 was Abraham’s age when God “**appeared**” ([Gen 17:1](#)) and repeated His dry land rainbow promise to Noah:

*And God said, This [is] the token of the covenant which I make between me and you and every living creature that [is] with you, for perpetual generations: **I do set my bow in the cloud, and it shall be for a token of a covenant between me and the earth.** And it shall come to pass, when I bring a cloud over the earth, that the bow shall be seen in the cloud: **And I will remember my covenant**... {[Gen 9:12-15](#)}*

This watch study was recharged with the great anticipation of the biblical guarantee *Judgment Day* for May 21, 2011, precisely 7,000 years from the flood 4990 BC. The sign of two annual solar eclipses leading to the count of the Sabbath Journey on *Ascension Thursday 5/9/13* spiritually inspired the hope and wisdom that delivered the ultimate revelation. Since May 21, 2011 was equated to the judgment of the flood, the solar eclipse of May 20-21, 2012 observed in the US **365 days** later was matched with Noah's dry land rainbow when God remembered His promise. Because God's promise was reiterated to Abraham one year forward ([Gen 17:21](#)); we discovered the solar eclipse **Ascension Thursday 5/9/13** that began the wisdom count (666 + 153 + 666 + 153 days) ([Rev 13:18](#)) for the Lord's return "a sabbath day's Journey" away ([Acts 1:12](#)).

With a measure of faith, following the year-long journey of Noah to dry land; recognizing the first rainbow eclipse 5/20/12 as a profound sign was swiftly apparent because it also happened to be exactly 365 days from the corresponding flood judgment date 5/21/11 according to the Hebrew dates for 4990 BC - 4989 BC. "Walking with God" 365 days like Enoch (who was raptured [Gen 5:23-24](#)) to notice the 2012 eclipse was critical because it alerted our attention to key the *Ascension Thursday* solar eclipse 5/9/13, which began the final *Sabbath Journey count* one year later. Incidentally, Noah's dry land verse ([Gen 8:14](#)) happens to hold the value of "2701."

Realizing the *Great America Eclipse 8/21/17* as the ultimate dry land rainbow sign ([Gen 9:12-14](#)), we should expect to see a correlation with the three relevant dates. Indeed we are not at all disappointed. Considering that the 2012 eclipse extended to 5/21/12, the time path to this August eclipse is stunning as it spans "**1918**" days tying it to the previous US span total solar eclipse that occurred 99 years ago. Only the word "reign" holds a value of 1918 in the bible.

- From Spiritual Harvest Day 5/21/12 to Great NW Eclipse 8/21/17 are 1,918 days

1918 = 2 x 7 x 137 "Kabbalah" = 1918 = Year of last Total US Span Solar Eclipse!

If you believe that's a coincidence, visit an astonishing article online from Frank Colijn on "[The First Word](#)" (In the beginning), that reveals its association with "**1819**" leading to the **17th Triangle** number: "**153**." The 1918 and 2017 US total eclipses underscore God's guarantee.

- From Ascension Thursday Eclipse 5/9/13 to Great NW Eclipse 8/21/17 are 1,566 days

1566 = 27 "Light," "Hath Told," "Riddle" x 58 "Noah," "Grace," "Garden"

- From Spiritual Judgment Day 5/21/11 to Great NW Eclipse 8/21/17 are 2,284 days

2284 = 4 (Universe) x 571 "unto Israel" (Gen 46:2)

And God spake unto Israel in the visions of the night, and said, Jacob, Jacob.

And he said, Here am I. {Gen 46:2}

Israel ([H3478](#)) = "**God prevails**"

The extreme rarity of the Great America Solar Eclipse is reminiscent of the rare Super-Moon - Equinox - Solar Eclipse trifecta that occurred smack in the middle of the 2014-2015 Blood Moon Tetrad on March 20, 2015, which profoundly harmonized in step with the progression of the Promise Study timeline. It's no coincidence when Passover and Tabernacles line up with four consecutive lunar eclipses over a two-year period. This extraordinary phenomenon only accompany worldwide change on the magnitude of 70 AD (*2nd Temple Fall*), 79 AD (*Destruction of Pompei*), 1492 (*Spanish Inquisition – New World America*) 1929 (*Great Depression*), 1948 (*Israel's national rebirth*) and 1967 (*The Six Day War*). The latest anticipated tetrad was punctuated by the Super-Moon celestial trifecta to emphasize that this sign specifically timed by the Almighty was not sent in vain. Now let's see what happens when we calculate its time path to New World eclipse. The doubling of 443 spanning these two distinctive solar events speaks to a guarantee.

- From Super-Moon-Equinox-Eclipse 3/20/15 to New World Eclipse 8/21/17 are [886 days](#)

$886 = 2 \times 443$ "The Word," "The House of God"

The comet ISON's target on the merge of Thanksgiving and Hanukkah (*Thanksqivukkah*) on 11/28/13, which could not reoccur for another 77,000 years, was arguably the most amazing celestial sign of our day. Many skeptics who refused to confirm a 7,000-year time path from 4990 BC to 2011 were quietly nervous during their holiday dinner. Thus far, the Great American Eclipse has proven to be a prophetic linchpin for each significant date. How could we miss the count from Comet ISON? The birthright blessing for the firstborn to prevail is nigh...

- From Comet ISON 11/28/13 to US New World eclipse 8/21/17 are [1,362 days](#)

$1362 = 2 \times 3 \times 227$ "Birthright," "Firstborn," "Blessing," "Thy Light"

"Memorial," "Prevail," "Congregation," "Gather," "Man"

Despite the history of the [Lisbon Earthquake of 1755](#), not many in the US would suspect [Allhallowtide](#) as the ultimate Day of Reckoning. Even In the wake of devastating Hurricane Sandy that blacked out the tri-state in the fall of 2012, New Jersey invoked an executive order to postpone Trick or Treat to prevent their dear children from being cheated out of the ghostly fun of Halloween. However, the historic impact of 1755 might give pause to the neighbors across the seas. This was when a horrific earthquake, tsunami, inferno trifecta demolished the town of Lisbon on their abominable annual November 1st festival to idolize the dead.

The so called "[All Saints Day](#)" in association with Halloween is a man-made feast that glorifies the relics of the dead in extreme abomination against the holy Word of God, where all the laws for His feasts days are set and meticulously defined ([Lev 23:24-44](#)). Allhallowtide defies the Second Commandment outlined in three verses from Exodus 20:4-6.

Thou shalt not make unto thee any graven image, or any likeness [of any thing] that [is] in heaven above, or that [is] in the earth beneath, or that [is] in the water under the earth: Thou shalt not bow down thyself to them, nor serve them: for I the LORD thy God [am] a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth [generation] of them that hate me; And shewing mercy unto thousands of them that love me, and keep my commandments. {Exo 20:4-6}

The spiritual enormity of this passage is realized in the factorization of its gematria value 12,573, which equates to 99×127 . "99" of course is the age of Abraham ([Gen 17:1](#)) when God "appeared" to reiterate His dry land rainbow promise to Noah, while "127" is the age when Sarah was laid to rest in the double portion cave found in the promise land of Canaan ([Gen 23:1-2](#)). "[127](#)" identifies with "[The King of Glory](#)" and happens to join the "beginning" and "ending" anagrams of "2701" and "2017." When Sarah rested at 127, Isaac got married at age "37."

The grave implication of November 1st was shockingly calculated exactly [1,260 days](#) ([Rev 11:2, 13:5](#)) from May 21, 2011. November 1, 2014 was also the 259th anniversary of the Lisbon Earthquake itself. 259 is the result of 7×37 "wisdom." Certainly here God was underscoring this specific date for a very prophetic purpose. It's also prudent to know that there are exactly [2,300 days](#) from May 21, 2011 to September 6, 2017, which happens to be the 23rd anniversary of the initial warning of Rosh Hashanah during the Jubilee year 1994. Just to think the mockers loved to use this date as their best evidence of a "[failed prophecy](#)" during the 2011 worldwide warning although September 6-7, 1994 was derived from being [2,300 days](#) from the end of the church age on Pentecost 5/22/88 - the 13,000th anniversary of the world. September 6-7, 171 BC was also [2,300 days](#) from the original *Feast of Dedication* - December 24, 165 BC. Currently significant, there are [2357 days](#) from May 21, 2011 to Allhallowtide 11/1/17. $2357 = 350^{\text{th}}$ prime number. "[350](#)" holds the gematria value for only one verse in the bible Isaiah 2:18:

And the idols he shall utterly abolish. {Isa 2:18} = 350

Before the 2nd, the Forth Commandment to keep the Sabbath ([Exo 20:8-11](#)) holds the highest gematria value of all the commandments at 17,303. $17,303 = (13 \times 11 \times 11 \times 11)$ or $(13 \times 1,331)$. "[1331](#)" relates to the envy of Joseph's **11 brothers** because he dreamed [11-stars bowed](#) to him:

[1,331](#) = Gen 37:19 - *And they said one to another, Behold, this dreamer cometh.*

The Solar Total Eclipse is only possible on the earth because while the [sun's diameter](#) is 400 times larger than the moon, it is also 400 times further in distance from the moon. "400" is the value of the last (22nd) Hebrew letter: "Tav," which originates from the Egyptian symbol "X" for "[Taw](#)," meaning "mark." The path of totality for the Great American Eclipse lines up with the nation's earthquake hazard zones while intersecting with the its next projected total solar eclipse in 2024 at the Mississippi and Ohio rivers 7 years ahead.

Considering "X marks the spot" as illustrated above, one might surmise that the promise would not be realized for another seven years in 2024. However, the overwhelming evidence building up to 2017 cannot be simply dismissed without harmonizing a new conclusion. The seven-year projected eclipse must be considered within the context of what was comprehensively developed for 2017. Remember, "400" relates to the "sign" of the sun, and holds the value for "harvest," "heaven," "judge," "year" and the last Hebrew letter *tav*. The first letter alpha plus *tav* equals [401](#), which also values "Sign." This is the key hidden Hebrew word that's untranslated to English in the first creation verse of the bible.

בְּרֵאשִׁית	בָּרָא	אֱלֹהִים	אֶת	הַשָּׁמַיִם	וְאֶת	הָאָרֶץ
In the beginning	created	God	(untranslated)	the heaven	and	the earth
913	203	86	401	395	407	296

In other words, because the number 401 is included in its total value 2701, it would be perfectly accurate to translate Genesis 1:1 as: "In the beginning God created **the signs of the heaven and the earth**," which is clearly collaborated by the declaration of Psalms 19.

The heavens declare the glory of God; and the firmament sheweth his handywork. Day unto day uttereth speech, and night unto night sheweth knowledge. [There is] no speech nor language, [where] their voice is not heard. Their line is gone out through all the earth, and their words to the end of the world. In them hath he set a tabernacle for the sun, Which [is] as a bridegroom coming out of his chamber, [and] rejoiceth as a strong man to run a race. His going forth [is] from the end of the heaven, and his circuit unto the ends of it: and there is nothing hid from the heat thereof. {Psalms 19:1-6}

$$2701 - 401 = "2300" \text{ (Daniel 8:13-14)}$$

The relatively close timeframe of seeing two total eclipses intersecting the US just seven years apart after nearly a century 1918 appears to be an underscoring of God’s imminent redemption and looming Day of Judgment upon the world. It’s reassuring to find that Strong’s index [G2017](#) relates to light “shined upon” while the index [G2024](#) relates to “supply” or “contribution.”

When Sarah died at age “0127,” Abraham made a very public purchase of her burial to be laid to rest in the promise land of Canaan for a pricey **400 shekels of silver**.

And Abraham hearkened unto Ephron; and Abraham weighed to Ephron the silver, which he had named in the audience of the sons of Heth, **four hundred shekels** of silver, current [money] with the merchant. And the field of Ephron, which [was] in **Machpelah, which [was] before Mamre**, the field, and the cave which [was] therein, and all the trees that [were] in the field, that [were] in all the borders round about, were made sure Unto Abraham for a possession in the presence of the children of Heth, before all that went in at the gate of his city. And after this, **Abraham buried Sarah his wife in the cave of the field of Machpelah before Mamre: the same [is] Hebron in the land of Canaan.** {Gen 23:16-19}

“**Machpelah**,” the field in the Promise Land where the Sarah and patriarchs were buried, means “**double**” or “**portion**” ([H4375](#)). The significance of something doubled was understood by Joseph who was rewarded for his interpretation of Pharaoh’s dream.

And for that the dream was doubled unto Pharaoh twice; [it is] because the thing [is] **established by God**, and **God will shortly bring it to pass.** {Gen 41:32}

Amazingly, the doubling of 400 equals “**800**,” which happens to be the value of “**rainbow**” and “**omega**” the last letter of the Greek alphabet. [801](#) (9 x 89) equates to “**Alpha + Omega**,” “**The Creator**” and “**dove**.”

I am **Alpha and Omega**, the beginning and the end, the first and the last. Blessed [are] they that do his commandments, that they may have right to the tree of life, and may enter in through the gates into the city. {Rev 22:13-14}

The table below represents common words found in the gematria values for “**400**” and “**800**.”

May 2011 celebrated the 400th published anniversary of the [King James Bible](#) - May, 1611

As time winds down in 2017, Columbus Day celebrates America as the New World discovery in 1492 on October 9, 2017. This holiday happens to be [23 days](#) from *Allhallowtide*. “23” is the ordinal gematria value for Aleph + Tav, the first and last letters of the Hebrew alphabet.

Harmoniously, 2017 marks 23 years from the Jubilee year 1994 which was the inspiration of this watch from The Feast of Trumpets / Announcement - Rosh Hashanah September 6, 1994. The Feast of Trumpets was when John the Baptist officially trumpeted Christ as the Lamb of God [1335 days](#) before the birth of the church on the first Pentecost 33 AD - when the Holy Spirit was poured out upon the world. 1,955 (5 x 17 x 23) years later, on Pentecost 1988, the 13,000th anniversary the world; the church age had ended. From the then, the commission to witness and send forth the gospel for 23 years was left to the elect outside the church - until Spiritual Judgment Day - May 21, 2011 (*Exactly 7,000 years from the flood 4990 BC*) when sadly salvation for the world had finally ended. As in Noah’s days, 365 days later was the sign of the rainbow in the solar eclipse [5/20/2012](#), which led to the discovery of Abraham’s promise to be establish in the birth of Isaac for the start of the Sabbath Journey count at the same set time one year later - solar eclipse - [5/9/13](#) ([Gen 17:21](#)). The double promise of God’s return ([Gen 18:10, 14](#)), points back to Sarah’s time of life at **127**, when Isaac is married at 37, holds a numeric value of [“2024.”](#)

Is any thing too hard for the LORD? At the time appointed I will return unto thee, according to the time of life, and Sarah shall have a son. {Gen 18:14} = 2024

This year Rosh Hashanah connects with the “Great Virgo Sign” of Revelation 12 that’s been long-anticipated by astronomers and astrologist for some time. The rarity of a 7,000-year occurrence should bring pause for anyone to take notice. Without the benefit of a telescope, please permit me to defer to the experts of the stars for the general comparative assessment:

Once in 7000 years

23RD September 2017

Revelation 12v1&2
And there appeared a great wonder in heaven; and upon her head a crown of twelve stars: and she being with child cried, travailing in birth, and pained to be delivered.

Rev 12:1-2

And there appeared a great wonder in heaven; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars: And she being with child cried, travailing in birth, and pained to be delivered.

How the constellations Virgo and Leo will fit the “Great Sign” of Revelation 12:

On September 23, the sun will be in the **constellation Virgo** - “a woman clothed with the sun”. The moon will be at the feet of Virgo - “with the moon under her feet”. The ‘nine’ stars of the zodiac constellation Leo, plus three planets (Mercury, Venus, and Mars), will be at the head of Virgo - “on her head a crown of 12 stars”. The planet Jupiter will be in the center of Virgo, and, as the weeks pass after September 23, Jupiter will exit Virgo to the east, past her feet, so to speak - “She was with child and wailed aloud in pain as she labored to give birth”. Jupiter is the largest of the planets, the “king” of the planets, so to speak - “She gave birth to a son, a male child, destined to rule all the nations.” [EarthSky.org](#).

The Great Sign of Revelation 12:1-2

Revelation 12 opens with a scene that, for many, many years people have said would be impossible to literally observe; we now know for certain that that particular assessment is false, and a very literal interpretation of the opening verse of this scripture is going to occur in 2017.

In [Isaiah 40:26](#), Isaiah is speaking of the stars and the constellations, wherein he states that God named every single one of them: "Lift up your eyes on high, and behold who hath created these things, that bringeth out their host by number: he calleth them all by names by the greatness of his might, for that he is strong in power; not one faileth." This is also verified in [Psalms 147:4](#), "He telleth the number of the stars; he calleth them all by their names."

Enter the constellation Virgo, also known as the virgin. Above her head sits the constellation Leo, a constellation of 9 stars which is representative of a lion. In January of 2017, the planet Jupiter (which is known by the Hebrews as the "king planet") enters the womb of Virgo and travails back and forth for 42 weeks... or the length of a healthy, human pregnancy. At the end of this cosmic pregnancy on September 23rd, 2017, Jupiter pops out of the womb while Virgo is clothed with the sun, has the moon at her feet, and the constellation of Leo (which normally only has 9 stars) is joined by a planetary alignment involving Mercury, Mars, and Venus. As far as the people who work on 3D models of our solar system can tell, **this specific event has not happened and will not happen again for at least 7,000 years** in either direction. We are presented with the literal interpretation of Revelation 12 verses 1 and 2....

~ [Excerpt from A. Smith article](#) ~

Surely there are thousands of interpretations on the Great Virgo Constellation across the net. The literal alignment of the stars matching Revelation 12 is a fascination worthy to draw mass attention in itself. But without a timeline of relevance being [39 days](#) to *Allhallowtide*, it remains locked as a wonder to onlookers that will only further perplex beyond its passing. Just as "37" is reflective to "73;" "[39](#)" is the reflective number of "[93](#)." 39×93 equals [3627](#), which holds the gematria value for [John 1:1](#), the New Testament reflective verse and **foundation trapezoid** supporting the *Creation Triangle* verse Genesis 1:1.

In the beginning was the Word, and the Word was with God, and the Word was God.

"684," the connecting difference between the first creation verse value "2701" and the last year "2017" is the product of "19" "physical manifestation" times "6 x 6," the "work of creation," "Tabernacle" and "Holy of Holies." At Rosh Hashanah 9/22/17, the Jewish year **5778** overlaps the Gregorian year 2017. "216" values the border of the creation triangle - Gen 1:1.

According to the [Shemi Gematria Method](#) where each letter is equal to the value of its name, "**864**" holds the value of the [Menahen \(H4505\)](#) which means "**Comforter**."

$$\varphi(2701) - \varphi(5778) = 684$$

$$\varphi(684) = \varphi(666) = 216$$

The fact that the final span of the [Sabbath Journey](#) of “**1637**” days turns out to be the [259th prime number](#) (7 x 37) holding the value for “*Thanksgiving*” and [Habakkuk 2:3](#), which declares that “*at the end it shall speak*” means that His timing is absolute - “*It will surely come*” and “*it will not tarry*” any longer. The admonishment to “*wait for it*” was preplanned and established by God ([Gen 41:32](#)) all along because His emphatic warning gets doubled in Hebrews **10:37f**.

For yet a little while, and he that shall come will come, and will not tarry. Now the just shall live by faith: but if [any man] draw back, my soul shall have no pleasure in him. But we are not of them who draw back unto perdition; but of them that believe to the saving of the soul. {Hebrew 10:37}

Today, over six years later, the May 21 declarers have abandoned its position and the watch has been all but forgotten. Despite all the chaos, the world goes about its business building a secure future in the land. But by the grace of God, this study has been greatly blessed with the sign of the rainbow holding up God’s flag of faith right to the very end. This world is not home for the strangers and pilgrims whose heart yearns for the promise of eternity in heaven. ([Heb 11:8-10](#))

Knowing the exact length the Sabbath Journey 1637 plus 3 for the third day rapture ([2 Kings 20:8](#)) for a total 1640 days; we can now consider the prophecy of the bible’s 37th book “*Haggai*,” which means “[feast](#)” “[hath told](#)” and “[riddle](#).”

Consider now from this day and upward, from the four and twentieth day of the ninth [month, even] from the day that the foundation of the LORD'S temple was laid, consider [it]. Is the seed yet in the barn? yea, as yet the vine, and the fig tree, and the pomegranate, and the olive tree, hath not brought forth: **from this day will I bless [you].** And again the word of the LORD came unto Haggai in the four and twentieth [day] of the month, saying, Speak to Zerubbabel, governor of Judah, saying, **I will shake the heavens and the earth;** And I will overthrow the throne of kingdoms, and I will destroy the strength of the kingdoms...{2 Hag 18-22}

Using 2013 as the foundation year for the temple of believers when the *Sabbath Journey* began, the 24th day of the ninth Hebrew month Kislev equates to [November 27, 2013](#).

- From the 24th day of Kislev 11-27-13 to Third Day Rapture 11/4/17 are [1438 days](#)

$$1,438 = 2 \times \a href="#">719 “[Beginning](#),” “[Return](#).” “[Window](#),” “[Wrath](#)”$$

- From **5-21-11** to “*Beginning*” of the *Sabbath Journey*- **May 9, 2013** was also [719 days](#)

$$719 \times 3 = \a href="#">2157 = “[Cockcrowing](#),” “[Return](#),” “[Meet](#),” “[Revelation](#)” & “[Lev 9:23](#)”$$

"1637" should also remind us of the *1,600 furlongs* when the sickle is thrust as described in Revelation 14. While some were disillusioned in following "a strong likelihood" that the Lord would come exactly *1,600 days* from May 21, 2011 on 10/7/15 because it happened to connect with *10,000 days* from Pentecost 5/22/88; this watched recognized that 10/7/15 was clearly outside the Tabernacles feast that ended *October 4, 2015* and understood that gematria equated the 1,600 to "*the end of two full years*" (Gen 41:1) from May 21, 2011 to the start of the Sabbath Journey 5/9/13. Since one furlong is equivalent to .125 miles, "*1,600 furlongs*" converts to 200 miles (.125 x 1600). $200 \div 2 = \text{"100,"}$ which holds the value for "*Feast of Dedication,*" "*King of Israel,*" "*Fire and Brimstone*" and "*Wise Hearted.*"

And I looked, and behold a white cloud, and upon the cloud [one] sat like unto the Son of man, having on his head a golden crown, and in his hand a sharp sickle. And another angel came out of the temple, crying with a loud voice to him that sat on the cloud, **Thrust in thy sickle, and reap: for the time is come for thee to reap; for the harvest of the earth is ripe.** And he that sat on the cloud thrust in his sickle on the earth; and the earth was reaped. And another angel came out of the temple which is in heaven, he also having a sharp sickle. And another angel came out from the altar, which had power over fire; and cried with a loud cry to him that had the sharp sickle, saying, Thrust in thy sharp sickle, and gather the clusters of the vine of the earth; for her grapes are fully ripe. And the angel thrust in his sickle into the earth, and gathered the vine of the earth, and cast [it] into the great winepress of the wrath of God. **And the winepress was trodden without the city, and blood came out of the winepress, even unto the horse bridles, by the space of a thousand [and] six hundred furlongs.** {Rev 14:14-20}

In essence, the spiritual time path of "*1600 furlongs*" or "*two full years*" from *May 21, 2011 to May 9, 2013* extended by a literal *1637-day Sabbath Journey to November 1, 2017* virtually amounts to a "*doubling*" of the time for harvest, which means it is "*...established by God, and God will shortly bring it to pass.*" ([Gen 41:32](#))

Another mysterious time verse in Revelations relates to five months of torment for those left behind is doubly stated in Revelation 9. Taken literally, *5 months* would lands in [Passover 2018](#):

And to them it was given that they should not kill them, but that **they should be tormented five months**: and their torment [was] as the torment of a scorpion, when he striketh a man. **And in those days shall men seek death, and shall not find it**; and shall desire to die, and death shall flee from them. And the shapes of the locusts [were] like unto horses prepared unto battle; and on their heads [were] as it were crowns like gold, and their faces [were] as the faces of men. And they had hair as the hair of women, and their teeth were as [the teeth] of lions. And they had breastplates, as it were breastplates of iron; and the sound of their wings [was] as the sound of chariots of many horses running to battle. And they had tails like unto scorpions, and there were stings in their tails: **and their power [was] to hurt men five months.** {Rev 9:5-10}

Still today, bewildered theorists [question](#) whether or not the Lisbon Earthquake that suddenly struck the cathedrals and churches fully attended at 9:30 a.m. Sunday morning's idol worship was either [coincidental](#) or a direct act of God's wrath in judgment against the church. The ominous conclusion of this study puts an end to any speculation for those privileged to this watch. It clearly proves that everything that happens under the sun is under the sovereign control of God. No one was reasoning global warming in 1755. That includes the world's five greatest catastrophic disasters that occurred in Spiritual Judgment year 2011, which totaled 296,000 billion dollars in damages.

Date / Event	Country / Region	Costs in Billions
3/11/11 Quake-tsunami	Japan - 15,840 fatalities	210,000
7/25/11-f Flooding	Southern Thailand	40,000
2/22/11 Earthquake	Christchurch, New Zealand	16,000
4/27/11 Super Tornado	Midwest - Northeast USA	15,000
8/28/11 Hurricane Irene	East Coast USA, Caribbean	15,000
Total cost		296,000

The very special number "**296**" is the result of 8×37 , 2368 ([Jesus-888](#) + [Christ-1480](#)) divided by 8 and "296" holds the value for "the earth." Should it surprise us to witness the recent signs of record-shattering hurricanes striking "the earth" just weeks before God's physical judgment to come in 2017?

"According to the time of life," ([Gen 18:10, 14](#)) God promised to return when Sarah was laid to eternal rest in the promise land of Canaan at age **127** ([Gen 23:1-2](#)) 2701, 2017, 172; **Isaac was finally married at 37** when Abraham was **137**, the [mysterious fine structure constant](#) (Light over matter) and value for "kabbalah."

The **3700th** verse in the bible is **Numbers 3:7** regarding the charge of the Levites (*elect*) to keep the testimony of the tabernacle (*Promise*) is duplicated by **Numbers 1:53** which underscores their (37 & 153) profound intimate relationship.

With the blessing of wisdom, the infallible prophetic proofs are infinite. As indicated, the number “172” is also an anagram of 2017, 2701, [271](#) and 127. Page 2 of this study reveals that “172” totals the words of the **Ten Commandments**, which represents the gift of God’s promise in His Word. $172 \div 2 = \text{“86,”}$ the number value of “**God.**” Immediately following God’s appearance to Abraham at age [99](#) ([Gen 17:1](#)), He promises His revelation in Genesis [“17:2”](#)

"2017 Omega Year of Light"

With time quickly running out; above is a revised snap-shot video in a bold attempt to summarize in 7 minutes of over seven years of this glorious trial of patience and faith which the Lord has set before us.

For ye have need of patience, that, after ye have done the will of God, ye might receive the promise. 37 For yet a little while, and he that shall come will come, and will not tarry. 38 Now the just shall live by faith... {Hebrew 10:36-38}

Many shall be purified, and made white, and tried; but the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand. {Dan 12:10}

Understanding the significance of a few more anagrams of 2017 are worth noting moving forward. "1207" values the words "reveal," "marvel" and is factored by the key reflective numbers 17×71 , which is the value for "dove" and "fullness." When a marvel is revealed, that marvel becomes known. "2170" holds the value for the word "know" as well as "the writing on the wall" for those who are primed for judgment:

And this [is] the writing that was written, MENE, MENE, TEKEL, UPHARSIN. {Dan 5:25}

In short, King Belshazzar holds a great feast praising gods for his wealth when he suddenly sees part of a hand writing the Aramaic words *Mene, Mene, Tekel, Upsharin* on a wall. Being troubled, he then summons Daniel to interpret what his wise men could not. Daniel translates the words as "**Numbered, numbered, weighed, divided**" which he interprets as a judgment from God foretelling the fall of Babylon by the Medes and the Persians. The same night, the king is slain.

"712" is the result of two factors relating to the **new beginning** 8×89 . "89" holds the value for "new" and "redeem," while the number "8" points to the sign of the covenant with the establishment of circumcision on the 8th day. "712" numerically equates the words "appear," "vision," "beginning," "return," "gather" and "renew."

"7102" values a passage from Christ that few pay any attention to:

The lord of that servant shall come in a day when he looketh not for [him], and in an hour that he is not aware of, {Matt 24:50}

"7012" describes the children of Israel possessing the land of Canaan.

So the children went in and possessed the land, and thou subduedst before them the inhabitants of the land, the Canaanites, and gavest them into their hands, with their kings, and the people of the land, that they might do with them as they would. {Neh 9:24}

The following scriptures contain the anagram value of "1027:"

Then did he see it, and declare it; he prepared it, yea, and searched it out. {Job 28:27}

Thou shalt make thee no molten gods {Exodus 34:17}

The immediate passage above brings to mind Moses breaking the Tablets of Stone when he returned to find the people engaged in idol worship, which resulted in 3,000 souls being slaughtered ([Exodus 32:28](#)). Coupled with the fact that the value of the Second Commandment at 12,573 factors **99 x 127** (the age of Abraham when promised by the age of Sarah when she rested in the Promise Land); the judgment looming on [Allhallowtide](#), when man worships the dead in the face of God is put in clear perspective.

There are simply no human words to adequately describe the glory revealed by "**The King of Glory**" in the ascending multiples of the number "**127**" as displayed in the table below:

1 x 127	<i>The King of Glory (Psalm 24)</i>
3 x 127	<i>The LORD is exalted (Is 33.5)</i>
9 x 127	<i>The glory of the Lord = "<u>1143</u>"</i> <i>1143 = Total Ten Commandment letters</i>
10 x 127	<i>Bridegroom</i>
10 x 127	<i>The Ark of the Covenant (Josh 3.3)</i>
11 x 127	<i>The glory of God = "<u>1397</u>"</i> <i>1397 = "walk," "companion"</i>
14 x 127	<i>In the beginning with God (John 1.2)</i>
14 x 127	<i>Thou shalt not worship them nor serve them (Ex 20.5)</i>
17 x 127	<i>His Face (Rev 1.16)</i> <i>"<u>116</u>" = "The mouth of the LORD"</i>
37 x 127	<i>I am the Alpha and the Omega, the Beginning and the End (Rev 2.16)</i> <i>"<u>216</u>" "The Holy of Holies" = 6 x 6 x 6</i>
38 x 127	<i>And the Word became flesh and dwelt among us, and we beheld his glory (John 1.14) <u>114</u> = Gracious, Enoch, comfort</i>
99 x 127	<i>The Sum of the 2nd Commandment Abraham promised @ 99, Sarah rests 127</i>

Is Sarah's age of promise in the Land of Canaan not essential in the timing of the Lord's salvation plan? Is the Lord God Almighty not the sovereign Author of the bible, Creator the heavens and the earth? Is Christ not identified as the "Wonderful Numberer" and the Word itself from the very beginning? ([Joh 1:14](#)) "***Is there anything too hard for the LORD?***" ([Gen 18:14](#)) certainly not revealing the timing of His return to His elect, "according to the time of life."

Viewing the beginning of creation (Gen 1:1) in light of the beginning of the Word (John 1:1), below we have an image of the 112th triangle, which value of 6328 (2701 + 3627) reflects an anagram for the numeric value of "Jesus Christ" being "2368." "**6328**" holds the value for [1 Peter 2:22](#), which describe Christ as the One without guile or sin. "**112**" is borders the base foundation of the 112 triangle and values "The Lord God."

In addition to being intimately related to the "fullness" of the 112th triangle, the value of "Jesus Christ" at 2368 is also the value of the written computation "Thirty Seven times Seventy Three" ([Gen 1:1 - 2701](#)), which confirms Christ as the Creator declared in John 1:1.

Of the 12 Tribes of Israel that make up the total 3700. Reuben is the only one with a value 259 (37×7) that's divisible by 37. The 259th prime number is 1637, the Sabbath day's journey to Promise. As Jacob's firstborn son, [Reuben](#) "stands alone" of his eleven brothers to save [Joseph's](#) life before selling him off to Egypt. Except of Reuben, the values of all the other brothers need a combination to become divisible by 37. The name "[Reuben](#)" means "Behold a son!"

In addition to Reuben, "[259](#)" holds the numeric value for redemptive words such as "ark," "vow," "rule," "appearance," "kingdom" and "Lazarus." While in eternal torment, a rich man asked Abraham to send Lazarus to warn his five brothers not to follow his example, but Abraham responded:

They have Moses and the prophets; let them hear them. And he said, Nay, father Abraham: but if one went unto them from the dead, they will repent. And he said unto him, If they hear not Moses and the prophets, neither will they be persuaded, though one rose from the dead. {Luke 16:29-31}

Sadly, despite the glorious revelation that God has loudly spoken, not many will listen or credit it as coming from a source of truth – with harmonious biblical evidence. When murmured against, the "Bread of Life" Himself responded by pointing to the time of His ascension "[What] and if ye shall see the **Son of man ascend up** where he was before?" (John 6:62)

Regardless of the post-timeline and all the extraordinary proofs beyond 7,000 years, how many today see the *Ascension Thursday - Solar Eclipse 5/9/13* as God's initial rainbow sign that began the *Sabbath day's journey / Wisdom-count* to the end? After already performing the miraculous provision for 5,000, once Jesus explained that belief comes only from the Spirit when given by the Father:

John 6:66

From that [time] many of his disciples went back, and walked no more with him.

Then said Jesus unto the twelve, Will ye also go away? {John 6:67}

Today, where is the army that so gallantly carried God's banners of warning around the world all the way up to the guaranteed Spiritual Judgment Day - May 21, 2011? Where are those who were despised, mocked and rejected for standing up for a biblical cause? How gracious and merciful of a God who would extend a last-minute warning for salvation as He did in the days of the flood ([Gen 7:4](#)). Where is the praise and cry on the road to Jerusalem; "Hosanna in the Highest, Blessed is He who comes in the name of the Lord!" (Mat 21:9) Must the stars fall down from the skies before the people will believe?

A few years ago, we calculated 2921 years for Noah's dry-land promise 365 days after the flood 4989 BC and Abraham's promise at 99 years 2068 BC. At the time, we could not fully appreciate the implications of the calculation of $127 \times 23 = 2,921$ (4989 - 2068). The gematria world recognizes that the probability of multiples of the number "37" found 23 times in first verse of the bible cannot be by chance. The words "[appointed time](#)" found 23 times, coupled with [Sarah's name](#) found 37 times in the bible cannot be by chance either.

Three years ago, we were hopeful to learn that *Chayei Sarah 11/15/14* fell exactly [555 days](#) from the Sabbath Journey start 5/9/13 because the word "[Chayei](#)" means life, and "[555](#)" is equivalent to "**And Enoch walked.**" This year, Chayei Sarah, the [5th Torah Portion](#) reading, will land on [11/11/17](#), which means Allhallowtide will be "ten degrees back," Isaiah's sign to Hezekiah to know when to go up to the house of the Lord ([2Kings 20:8-11](#)). 2014 was also 1260 years from Constantine's [iconoclasm](#) reform in 754 AD, which we deemed to be the correct starting point instead of 800 AD for Isaac's Newton's 1260-year prophecy. The relevant significance of Isaac Newton and 754 AD, initially posted during the watch for Allhallowtide 2014, is applicably provided again below.

Sir Isaac Newton's "Histories of Things to Come" Collaborating "1,260 years" (7 x 180)

99 Abraham's promise

12,573 Second Commandment
43 Words, 162 Letters

In February of 2003 over 50 years of hidden prophetic manuscripts by Sir Isaac Newton were suddenly publicized sending shockwaves around the world 276 years after his death 1727. Beyond his vast scientific revolutionary contributions, the renowned physicist defied secular rationale by applying his genius abilities to his faith in the bible. For centuries unbelievers who stood safe and secure behind "scholars" of evolution and the big bang theory of 4.5 billion years were suddenly forced to deal with the piety of a theologian mastermind who foresaw Israel's homeland return. Even for a prideful world, it's tough to discredit or dismiss as willy-nilly the eschatology lifelong passion from the same guy who uncovered the laws and principles that govern the universe. Coupled with Albert Einstein as one the greatest scientist that ever lived; Newton's stature alone commands the respect of consideration for any of his material. Yet we know that the Lord has "no respect of persons" (Rom 2:10-11), which his contemporary Edmund Halley might attest to. As an atheist, Mr. Halley correctly predicted the 1910 orbit of his namesake comet ("Halley's Comet") that marked the first and last (1986) of five Passover - Tabernacle tetrad lunar eclipses throughout the 20th century. ("Light on the Horizon" pg. 11)

a time 360
times 720
a half 180
1,260

It turns out that Mr. Newton determined that 1,260 years would be the ultimate time path leading to the end. After harmonizing Dan 12:7 "time, times and a half" with 7 passages relating to 1,260 days; his starting-point from Charlemagne's revival of the Roman Empire in 800 AD places Newton's prediction at year 2060 AD. Although our conclusions are 46 years (2 x 23) apart (1Cor 13:9-10, 12); we can easily test for harmony with his time path by subtracting the 1,260 years from 2014. Yes indeed, the result of 754 AD has historical significance. 754 was the year that Byzantine Emperor Constantine V convened with 333 bishops for a reformation to abolish image idolatry within the Roman church that brazenly defy the 2nd Commandment (99 x 127) (Exo 20:4-6). "1260 years" from the 754 AD sign of idolatry lands year 2014! Although his actions were ultimately rejected consistent with the 7 referenced scriptures, Constantine's purposed crusade simulated the likes of King Hezekiah (2Kgs 18:4-6) and Juda Maccabees' restoration of the temple leading to the Feast of Lights in 165 BC. In fact, after his death, Constantine's opponents were so enraged by him that they exhumed his body to cast out into sea. The message served as stern warning to discourage any other "animal dung" rival of idols for the following 1,260 years.

Video Tour

According to the manuscripts, Newton devoted much of his attention discerning the detail dimensions of Solomon's Temple, which he perceived as the key to unravel the ultimate prophetic revelation. We have found that the foundation of Solomon's temple at 967 BC aligns perfectly with timelines of the flood (4023: 9 x 149), Sarah's birth of Isaac (1100: 11 x 100, 967-2067), the Jubilee Year (2960: 37 x 80) and the Second Coming (2980: 600 - "Creation"). How amazing is it that the Greek gematria for "Solomon" is "1260" (70 x 18, 7 x 180). From the Ascension Solar Eclipse 5/9/13 to 11/1/14 are 541 days. "541" is the 100th prime number and "Tenth Hexagon Star Number" that equates to "Israel," "Sarah," "Tablets of Stone" and "The Commandments."

~ End of 2014 Promise Study excerpt ~

Besides being the year when [Constantine V](#) moved to abolish relics and idolatry in 754 AD exactly 1260 years from 2014; “754” is an extremely special number as it holds the Hebrew value for the name “Jesus Christ” corresponding to the Greek value 2368.

[The totient \$\Psi\$ sum](#) of the first 49 integers equals [754](#) (“My Holy Name”) while the totient sum of the first 88 integers equates to 2368. The totient $\Psi(n)$ of a number is the number of positive integers less than itself (n) that have no common divisors other than 1. There are many online totient calculators that compute totient results.

$$2,368 \div 754 = \text{“3.14,” The value of Pi} \qquad \pi = 3.141592\dots$$

$$49 + 88 = \text{“137,” The Fine Structure Constant} \qquad 3^2 + 1^2 + 4^2 + 1^2 + 5^2 + 9^2 + 2^2 = \text{137}$$

The fine structure constant defines the divide of light over matter. “Light” is the 37th word in the bible that begins with 137th letter in Genesis 1:4:

*And God saw the light, that [it was] good: **and God divided the light from the darkness.***

The sum of the Hebrew and Greek value for “Jesus Christ” totals 3122 (754 + 2368). The totient of $\Psi(3122) = 1332$. [1332](#) is the double of 666 and the value of the introduction verse of the Ten Commandments ([Exo 20:1](#)) as well as the words of Moses just before Israel crossed over into the land of Canaan ([Deu 3:23](#)): “And I besought the LORD at that time, saying...”

O Lord GOD, thou hast begun to shew thy servant thy greatness, and thy mighty hand: for what God [is there] in heaven or in earth, that can do according to thy works, and according to thy might? {Deu 3:24}

For this watch, the totient function opens up a whole new window of prophetic insight. Just as this study begins recognizing the extreme significance of **684 (2701 - 2017)** as the difference between value of the first verse in the bible 2701 and the last year for earth 2017; we can also examine the difference between the totients of the two, which equals 576. Then by subtracting the totient of the Hebrew year 5778, the result again yields 684. The totient of 684 equals the totient of 666.

Input a number n:		Euler's totient function $\phi(n)$:	Input a number n:		Euler's totient function $\phi(n)$:

“576” = “The Kings Signet Ring,” “Spirit,” “Shine,” “Tenth,”
“Enoch with God,” “Trumpet,” “Eagle”

“1776” = “Last,” “Prophecy,” **“Creation of Light”**

The following table features the totient (*aka: phi function*) of prominent prophetic numbers uncovered throughout this incredible steadfast journey of light. The aggregate harmonious factors form by the totient result is profound and stunning to say the least.

The two factors 144 and 216 are virtually jumping off the chart. Without checking a random set of numbers, one might surmise that totient factors of almost all numbers include either 144 or 216. But that's not the case. The above results clearly defy the laws of chance and probability.

"144" (12 x 12) holds the value for *"The Elect"* and *"full of wisdom."* **G144** relates to *"judgment,"* while **H144** relates to the *"12th"* month Adar, which means *"glorious."* The significance of 144 is specifically referenced in the 144,000 (Rev 14:1) *"redeemed from the earth,"* clearly defined in Revelation 14:4

And I looked, and, lo, a Lamb stood on the mount Sion, and with him **an hundred forty [and] four thousand**, having his Father's name written in their foreheads...These are they which were not defiled with women; for they are virgins. **These are they which follow the Lamb whithersoever he goeth. These were redeemed from among men, [being] the firstfruits unto God and to the Lamb.** {Rev 14:1-4}

On the other hand, "**216**" is the border of the 73rd creation triangle (Gen 1:1) and holds the value of "Holy of Holies," "My Word" and "Habakkuk." $216 = 6 \times 6 \times 6$. During this watch from the trifacta *Super Moon-Equinox-Solar Eclipse* of March 20, 2015; we tracked 23+, 66+ and 127+ days of consecutive prophetic time paths, which together totaled 216.

Additionally, "216" equals the totient of 666, 648 and "684," which turns out to be the difference between the value of the first creation verse 2701 and the last ending year 2017.

$$\Psi(666) = \Psi(648) = \Psi(684) = 216$$

Just as the Strong's index **G2017** equates to "give light," **H216** is translated as "light" 114 times in the KJV bible. Thus the "theme of light" glares at the end like the 864,000 mile diameter of the sun; as well as its surface temperature of 5778 Kelvin.

Curiously, a 24 hour day equates to 1,440 minutes or 86,400 seconds, which means that "ten days" can be calculated as 864,000 seconds. In other words, the disciples' 10-day Sabbath Journey from Christ's Ascension 33 AD to Pentecost 33 AD "in like manner" (Acts 1:11-12) literally converts to 864,000 seconds.

G2017 (*epiphaskō*) is a close form of **G2014** (*epiphainō*): to "give light" or "appear." Being 1260 days from 5/21/2011; Allhallowtide - 2014 was found to be the 259th anniversary of the *Lisbon Earthquake 1755* and 1260 years from Constantine V's Reformation 754 AD. This was obviously God's preview leading to the coming light of "2017" three years later. It just so happens that the totient $\Psi(1755) = 864$. "864" holds the gematria value for "Jerusalem" "saints" and "God."

$144 + 216 = 360$. "360 days" was the "prophetic year" that Isaac Newton used to harmonize the books of Daniel and Revelations for the Daniel 12:7 prophecy: "a time, times and a half." Newton calculated that "time" equaled 360 and "times" equaled 720 (2×360), and "a half" equaled to six months (180) giving him a total of three and a half years - 1260. Not bad considering that his starting point of 800 AD vs. 754 AD was only off by 46 years (2×23).

Below is an excerpt by the late Bonnie Gaunt, which adds a “New Jerusalem” perspective from the book of Revelations:

In Revelation 21 and 22 we find a description of that new beginning. The great 8th day. It describes the Holy City, the New Jerusalem, descending from God and encompassing the whole earth. We have seen how its dimensions, stated in feet, are commensurate with the dimensions of our earth. However, if we use the dimensions in "furlongs", as is given in Revelation, it takes on added beauty and meaning.

The city is said to be a cube with sides of 12,000 furlongs. This would make the square measure of each side 144,000 furlongs. A cube has six sides, thus $6 \times 144,000 = 864,000$ furlongs. It is the commensurate with the diameter of the "sun." when Jesus made reference to that completed Kingdom of God that is represented by the New Jerusalem, he said,..."Then shall the righteous shine forth as the sun in the kingdom of their Father" (Matt 13:43). It is not a coincidence that the dimensions of the New Jerusalem bear the "solar number", 864,000, and that the name Jerusalem (in the Greek) has a gematria value of 864.

Like Jesus stated, those who..."shine forth in the kingdom of their Father" are called, in Revelation, "saints." The Greek gematria for the term "saints" is 864.

Excerpt: Jesus Christ, the Number of His Name, by Bonnie Gaunt

Among all else, October 31, 2017 will mark the 500th anniversary of the [Great Reformation](#) initiated by Martin Luther, who in opposition to indulgence of the papacy - sent the Archbishop his [Ninety-five Theses](#) , which he also posted on church doors of Germany in 1517.

Besides holding the value for “law,” “number” and “ruler;” “[500](#)” enumerates the dry land command and covenant with Adam and Noah to “[Be fruitful and multiply](#)” ([Gen 1:28, 8:17](#)).

The Sabbath Journey of 1637 days from 5/9/13 becomes 1638 days when the first and last days are inclusive in the count. "144" falls at the 1638 position of pi. Beyond the decimal point, the constant Pi runs an infinite string of integers. The position of number within the string opens another numeric dimension of prophetic insight that can be researched today by one of many online [pi position finders](#). Particular focus on this aspect is covered by [BibleGematria.com](#).

Another prophetic example is the pi position of 726 (6 x 11 x 11), which is the Greek value for "The Messiah." "726" is found at the 288th position. The Messiah is "Jesus" whose value is 888. "888" also equates to "The Salvation of our God" and "the heavens declare the glory of God" (Psalm 19:2). The totient Ψ (888) = 288 = Ψ (864). "864" = Jerusalem. The totient Ψ (726) = 220. "220" = "a sure foundation."

The Hebrew value for The Messiah is "363" or half of 726 (2 x 363). At the 642nd position, "363" is sandwiched between [17](#) (fish) and [71](#) (dove). The spiritual synchronization behind the veil of numbers is infinite and yet only offers a glimpse of His magnificent glory soon to come.

The extremely rare **Great American Eclipse** and once-in-a-world's time **Virgo Sign** together total 112 (73 + 39) days to the end and form the *Gen 1:1 and John 1:1* triangle "[112](#)," which also equals "The LORD God" and "the key will open" (Zec 3:9). $73 - 39 = 34$ or 2×17 .

The prophetic interconnection between the factors of the two creation verses comes for when you apply the totient functions:

$$73 \times 39 = 2847$$

$$\Psi (2847) = 1728 = (2 \times 864)$$

$$93 \times 37 = 3441$$

$$\Psi (3441) = 2160 = (10 \times 216)$$

$$2160 = \underline{27} \text{ "Hath told," "Riddle" } \times \underline{80} \text{ Perfect Finish}$$

$$37 \times 39 = 1443$$

$$\Psi (1443) = 864$$

$$\underline{1443} = \underline{666} + \underline{777}$$

$$93 \times 73 = 6789$$

$$\Psi (6789) = 4320 = (5 \times 864)$$

As we have clearly seen in the number of the final Sabbath Journey (1637) and final year (2017), the order and placement of prime numbers enhances and re-affirms deeper understanding on prophecy as well.

The conclusion of the watch is highlighted at the 259th and 306th prime numbers. The difference between the key year 2017 and key time path 1637 is 380. "**380**" holds the gematria value for "Egypt," "crossroad" and "firmament."

The sum of 2017 and 1637 amounts to 3654, which seems unremarkable on the surface before its totient is considered.

$$\Psi(3654) = 1008$$

1008 = "Increase," "Armageddon," "Raise"

The Wedding Date

Whenever there's a wedding, there's much planning that goes into it leading up to a specific date because the occasion is meant to be a memorial of a lifetime. The set timing is determined first and foremost and everything else is planned around it. Even if an unconventional couple suddenly decides to elope, there's an agreed plan to get married at a specific place and time. However, elope couples are 12.5x more likely to get divorced than conventional marriages.

In the bible God's covenant of eternity is compared to a wedding. Jesus' first miracle was at a third-day wedding in Cana of Galilee ([John 2:1](#)). The invitation is not to be taken lightly ([Mat 22:2-8](#)). When the disciple's specifically asked their Master for a "sign" when the end of the world would be; rather than dismiss them - Jesus utterly entertains the question and specifically instructs them to "learn" the parable of the fig tree ([Mat 24:3, 32-34](#)). Clearly, Christ was forecasting the rebirth of Israel in 1948 as the last living generation of WWII (*now in their 90's*) that would not pass. Then He ominously concludes the parable for anyone who would dare take Him lightly: "Heaven and earth shall pass away, but my words shall not pass away" (Mat 24:35).

In the first seven words of the bible the word "sign" ('eth - [H853](#)) is hidden untranslated in the Hebrew text, but is numerically included as 401 being part of the value 2701 (2701 - 2300 = 401). If the KJV translated all seven words to English, Genesis 1:1 would read "In the beginning God created (**the signs of**) the heaven and the earth" harmonizing Psalm 19, which states that "...the heavens declare the glory of God..."

As noted, Gen 1:1 and John 1:1 are divinely intertwined theoretically and numerically related.

In the beginning God created the heaven and the earth.

$$37 \times 73 = 2701 \text{ (73}^{\text{rd}} \text{ triangle)}$$

In the beginning was the Word, and the Word was with God, and the Word was God.

$$39 \times 93 = 3627$$

On page 33 above, we see John 1:1 (*base trapezoid*) geometrically illustrated as the perfect foundation which sets Genesis 1:1 (*upper triangle*)

$$2701 + 3627 = 6328 \text{ (112}^{\text{th}} \text{ triangle \#), The anagram 2368 = "Jesus Christ"}$$

King Hezekiah was regarded as the most prominent king of Judah and should be prudently considered because "...after him was none like him among all the kings of Judah, nor [any] that were before him..."; ([2 Kgs 18:5](#)) He sought Isaiah for a 10-degree backwards sign to indicate a third-day count to go up. Yet, many watchers fail to give any consideration for this sign.

With *Allhallowtide* falling back on 11/1/17, the ten-degree sign lands on Chai Sarah 11/11/17 as expressed in Hebrews 11:11 correlating the faith of Sarah, who God twice promised of His “return according to the time of life” (Gen 18:10, 14.) Three days to November 4 fits well with Revelation 11:11. While “111” values “*the beginning of wisdom*” and “*Wonderful,*” and is located at the 153rd position of Pi; “**1111**,” depicted in the united signs of *Gen 1:1 and John 1:1*, holds the value for “*The Witness,*” “*The foundations*” and “*jot / iota.*”

*For verily I say unto you, Till heaven and earth pass, one **jot** or one tittle shall in no wise pass from the law, till all be fulfilled.* {Mat 5:18}

Joseph dreamed of the sun, moon and “*eleven stars*” had bowed to him:

And he dreamed yet another dream, and told it his brethren, and said, Behold, I have dreamed a dream more; and, behold, the sun and the moon and the eleven stars made obeisance to me. (Gen 37:9)

11 x 11 x 11 = 1331 = Gen “37:19”

“And they said one to another, Behold, this dreamer cometh.”

Is any thing too hard for the LORD? At the time appointed I will return unto thee, according to the time of life, and Sarah shall have a son. (Gen 18:14, 10)

Hezekiah, Constantine V and Martin Luther all gallantly revolted against idolatry in the temple. They all understood the seriousness of the Second Commandment. There’s little doubt that Martin Luther was intentionally making a point when he chose the Saturday before Sunday morning service 11/1/1517 to post his 95 theses on the church doors. Certainly, the 1755 Lisbon Earthquake when virtually all the churches fell as the brothels stood was not a random coincidence on 11/1.

Neither is it a coincidence that The Second Commandment holds the value of 12,573 which is the result of 99 x 127. 99 is the age God promised Abraham, while 127 is the age Sarah was rested in the Promise Land of Canaan. The Lord God is not to be revered “second” to anyone or anything as the 2nd Commandment stems from the First: *Thou shalt have no other gods before me.* {Exo 20:3}

Thou shalt not make unto thee any graven image, or any likeness [of any thing] that [is] in heaven above, or that [is] in the earth beneath, or that [is] in the water under the earth: Thou shalt not bow down thyself to them, nor serve them: for I the LORD thy God [am] a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth [generation] of them that hate me; And shewing mercy unto thousands of them that love me, and keep my commandments. {Exo 20:4-6} (12,573 = 99 x 127)

Deuteronomy 1:1-2

Another name for Mount Sinai from where God gave the law to Moses and the Israelites

Likewise when the LORD sent you from Kadeshbarnea, [H6947](#) saying, Go up and possess the land which I have given you; then ye rebelled against the commandment of the LORD your God, and ye believed him not, nor hearkened to his voice. Deuteronomy 9:23

([There are] eleven days' [journey] from Horeb by the way of mount Seir unto Kadeshbarnea.) And it came to pass in the fortieth year, **in the eleventh month, on the first [day] of the month**, [that] Moses spake unto the children of Israel, according unto all that the LORD had given him in commandment unto them...**On this side Jordan**, in the land of Moab, began Moses to declare this law, saying, The LORD our God spake unto us in Horeb, saying, Ye have dwelt long enough in this mount: Turn you, and take your journey, and go to the mount of the Amorites, and unto all [the places] nigh thereunto, in the plain, in the hills, and in the vale, and in the south, and by the sea side, to the land of the Canaanites, and unto Lebanon, unto the great river, the river Euphrates. **Behold, I have set the land before you: go in and possess the land which the LORD sware unto your fathers**, Abraham, Isaac, and Jacob, to give unto them and to their seed after them. And I spake unto you at that time, saying, I am not able to bear you myself alone: **10 The LORD your God hath multiplied you, and, behold, ye [are] this day as the stars of heaven for multitude. 11 (The LORD God of your fathers make you a thousand times so many more as ye [are], and bless you, as he hath promised you!)** {Deu 1:2-11}

Thanks to Hezekiah for requesting a sign to go up, it's comforting to know that the 3rd day promise of appearance is firmly set between two pillars of God 10-degrees apart: 11/1 and 11/11, which parallels the 10-day journey from the Ascension to Pentecost. Each of these dates index a powerful message of faith from the book of Hebrews. The substance of hope and the evidence of things to come (**1:11**), while portraying the reward and manifestation of God's promise established in the birth of Isaac (**11:11**).

111 = 153rd position of Pi, "Aleph, Beginning of Wisdom, Wait, House, Wonderful"

1111 = "The Witness," "Iota," "The Foundations"

November 4th happens to fall on the 4th Torah portion reading [Vayera](#), which means "and He appeared." In Genesis [17:1](#), the Lord "appeared" to Abraham at **99** (3 x 3 x 11) when He reiterated to him His dryland rainbow promise to Noah - to be established in the life of Isaac ([Gen 17:21](#)). "**99**" equates to "Amen," the last word of the bible. "**171**" holds the gematria value of "See" "Judgment," "shine" and "**The Face of God**" (penuel). Abraham's "appearance of God" in Gen "17:1" is linked with His appearance in Matthew "17:1" at the Transfiguration where the disciples (like Abraham) fell on their faces hearing the voice of God ([Mat 17:6](#), [Gen 17:3, 17](#)).

When Pentecost was "[fully come](#)," Peter declared that the darken signs in the skies is what Joel prophesized for "the great and terrible day" at the end of the world {[Acts 2:16-20](#), [Joel 2:31](#)}. Symplēroō - "Fully Come" ([G4845](#)) means to completely expire or completely fulfilled. When **11/4th** closes at the International Timeline, it will be eventide Jerusalem time at 3:00 pm.

The "eventide" ([G3798](#)) referred to in [Mark 11:11](#) is considered from either 3 to 6 pm (9th to 12th hour); or from 6 pm to the beginning of night (sunset in Jerusalem). At the crucifixion the graves were opened at the 9th hour. ([Mat 27:45-46](#))

And it came to pass at the time of the offering of the evening sacrifice, that Elijah the prophet came near, and said, **LORD God of Abraham, Isaac, and of Israel**, let it be known this day that thou art God in Israel, and that I am thy servant, and that I have done all these things at thy word. **Hear me, O LORD, hear me, that this people may know that thou art the LORD God, and that thou hast turned their heart back again. Then the fire of the LORD fell, and consumed the burnt sacrifice, and the wood, and the stones, and the dust, and licked up the water that was in the trench.** And when all the people saw it, they fell on their faces: and they said, The LORD, he is the God; the LORD, he is the God. **And Elijah said unto them, Take the prophets of Baal; let not one of them escape.** {1Kings 18:36-40}

Nov 4, as aka "**114**" (6 x 19), holds the values for "Enoch (who was raptured)," "Comfort" (meaning of Noah) "gracious" and "**lightning**" ([Ezek 1:14](#)), which breaks out with thunder at the 3rd day on Mt. Sinai ([Exo 19:15-19](#)) when the people met with God to receive the Ten Commandments ([Exo 20:18](#)).

Nov 4 can be also written as "**1104**," which is the value of "**God the Son**" and "be awake." 1104 is the result of 4 x 276, the number of souls saved in Paul's shipwreck. The one verse in the bible with 1101 as an index has extreme connotations:

The LORD hath sworn, and will not repent, Thou [art] a priest for ever **after the order of Melchizedek.** (Psalm 110:4)

And we desire that every one of you do shew the same diligence to the full assurance of hope unto the end: That ye be not slothful, but followers of them who through faith and patience inherit the promises. **For when God made promise to Abraham, because he could swear by no greater, he sware by himself, Saying, Surely blessing I will bless thee, and multiplying I will multiply thee.** And so, after he had patiently endured, he obtained the promise. For men verily swear by the greater: and an oath for confirmation [is] to them an end of all strife. Wherein God, willing more abundantly to shew unto the heirs of promise the immutability of his counsel, confirmed [it] by an oath: That by two immutable things, in which [it was] impossible for God to lie, we might have a strong consolation, who have fled for refuge to lay hold upon the hope set before us: Which [hope] we have as an anchor of the soul, both sure and stedfast, and which entereth into that within the veil; Whither the forerunner is for us entered, [even] Jesus, made an high priest **for ever after the order of Melchisedec.** {Heb 6:11-20}

The phrase **“According to the order of Melchizedek”** doubles its’ value **“1010”** in Hebrew to **“2020”** in Greek. The sum of 1010 and 2020 equates to **“The Son of Man”** at **“3030.”**

It’s likely that the disciple’s understood from the history of Sodom and Gomorra ([Gen 18:17-22](#)) the significance of the **“face”** with God when it’s time for fire to come down from heaven:

And it came to pass, when the time was come that he should be received up, **he stedfastly set his face to go to Jerusalem,** And sent messengers before his face: and they went, and entered into a village of the Samaritans, to make ready for him. And they did not receive him, **because his face was as though he would go to Jerusalem.** And when his disciples James and John saw [this], they said, **Lord, wilt thou that we command fire to come down from heaven, and consume them, even as Elias did?** {Luke 9:51-54}

Now when Solomon had made an end of praying, the fire came down from heaven, and consumed the burnt offering and the sacrifices; and the glory of the LORD filled the house. {2 Chr 7:1}

Isaac Newton was the first to understand the “rainbow” in light by refracting white **light** with a prism, which he resolved it into its component of seven colors in 345 years ago in 1672. “**345**” = “God Almighty” (El Shaddai) & “The Name” God used when “**He appeared**” to Abraham with His promise at 99 (Gen 17:1) – **Vayera**. “345” is the reflective of “543.” “**543**” = “**I AM THAT I AM**” and “**His Name Immanuel**” (Exo 3:14) “314” = Pi, “The Almighty,” “Book” (Mat 1:1), “Return ye!” (Jer 3:14), “Wedding” and (2 x 157) “157” = “**The New Covenant**” and “**Everlasting Salvation**”

Thomas Edison’s filed his US patent for the electric light on **November 4**, 1879. His patent 223898 was granted January 27, 1880. (“1/27”)

Thomas Edison filed his US patent on electric light **Nov. 4, 1879**

His electric light patent # 223898 was granted **Jan 27, 1880**

➤ From light patent granted 1/27/1880 to 11/4/17 are 50,320 days

$50,320 = 17 \times 37 \times “80”$ “Foundation / Perfected Finish”

➤ From light patent year 1880 to Omega Year of Light 2017 = 137 years

137 = Fine Structure Constant = defines the interaction between light and matter

The 137th letter in the bible begins the 37th word “Light”

Book 1, Chapter 1, Verse 4 = 11/4

And God saw the light, that [it was] good: and God divided the light from the darkness.

And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years: {Gen 1:14}

In him was life; and the life was the light of men. And the light shineth in darkness; and the darkness comprehended it not. There was a man sent from God, whose name [was] John. The same came for a witness, to bear witness of the Light, that all [men] through him might believe. He was not that Light, but [was sent] to bear witness of that Light. [That] was the true Light, which lighteth every man that cometh into the world. {John 1:4-9}

And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil. For every one that doeth evil hateth the light, neither cometh to the light, lest his deeds should be reproved. But he that doeth truth cometh to the light, that his deeds may be made manifest, that they are wrought in God. {John 3:19-21}
