“The End of Creation”

Although with the passing of Purim the testimony is now completely dead ([Rev 11:7-8](#)) for those who walk by sight; the biblical proofs remain alive and well as we continue to grow and move closer to the promise with each test of faith.

Therefore thus saith the Lord GOD, Behold, I lay in Zion for a foundation a stone, a tried stone, a precious corner [stone], a sure foundation: **he that believeth shall not make haste.** {Isa 28:16}

In the last study on [“The Brink of Glory,”](#) we were led to consider the arraignment and endurance of watchful lilies of the field, which all the wealth of Solomon could not be compared to. ([Luke 12:27](#), [Mat 6:28-29](#)) The number of the beast brought us to Purim (*i.e. Lot*) - [666 days](#) from 5/9/13. Now we can understand this as the gamble with time for those who disobey the Lord’s strict command to watch. ([Rev 3:3](#)) Just as plotted in the story, the picture of God’s sovereignty provided at Purim is completely hidden from the world with the passing of this day.

Holding fast to the 5/9/13 Ascension time-post, we must once again reconsider the count of the final *Sabbath Journey* to the end. Since Tabernacles 2014, most of the prophetic candidates have increased in multiples of 37. The next 37 increment from 666 would extend the Sabbath Journey to 703 days (666 + 37). Amazingly “703” is the 37th [Triangular Number](#), which also collaborates with the foundation of creation, as it equates the last two Hebrew words (“*and the earth*”) of the first verse in the bible ([Gen 1:1](#)). “703” is not only the numerical value of the promise land of “*Canaan*” and “*the covenant of God;*” it also factors the Hexagon/Star pair: 19 x 37. “19” relates to “*physical manifestation!*” In order to appreciate this amazing revelation, one must be familiar with the secret language of [gematria](#). For now we will view geometric images that have been presented by bible mathematical intellects to assist in understanding. We will start out with an excerpt from the ***Bible Wheel***:

Note that the numbers 7, 13, 19, 37, and 73 are **all primes!** These are the building blocks of the [Biblical Holographs](#), just as the primes are the building blocks of the integers. The interplay of these numbers, their geometric significance, and their integration with Genesis 1.1 is discussed at length in Vernon Jenkin's article called [The Lamp](#) 🌟.

Hexagon/Star pairs are closely related to [Triangular numbers](#). Their product is always a Triangle, and they can be symmetrically generated from a pair of Triangles, as discussed in [Foundation of Creation](#).

The Number [37](#) appears in two Hexagon/Star pairs. It is the Star in the [19/37](#) pair and the Hexagon in the [37/73](#) pair. **This is an extremely rare property. There are only twelve numbers less than seven thousand trillion that can be represented both as a Hexagon and a Star. The Number 37 is the only such number less than a thousand.** To find it embedded in the heart of Genesis 1.1 is a clear sign of divine design, especially when coupled with the fact that it is also the geometric basis of the [Logos Star](#) which represents God's creative Word in the form of a fractal snowflake. Yet the evidence continues to mount as we note that the **substructure** of Genesis 1.1 is built upon the Hexagon/Star pair [19/37](#):

The Number 703
And the earth [Gen 1.1] ואת הארץ
The God of the whole earth shall he be called. [Is 54.5] אלהי כל הארץ יקרא
The LORD the King of Israel, and his redeemer [Is 44.6] יהוה מלכ ישראל וגאלו
The Covenant of God ברית האלהים
Chanaan [S# 5477] Xavaav

Exactly the same pattern - based now on the Hexagon/Star pair 19/37 - is found in the Hebrew word for **The Heart**:

The Heart הלב HaLev	19 = 5 + 12 + 2 (Ordinal Value)	 19 / 37
	37 = 5 + 30 + 2 (Standard Value)	

The product of these numbers also appear prominently in Genesis 1.1:

and the earth
 ואת הארץ = [703](#) = [19](#) x 37 = Sum(37)
 V'eth HaAretz

Sum of Genesis 1.1 = [2701](#) = [37](#) x 73 = Sum(73)

Numbers [37](#) and 73 are the [Ordinal](#) and [Standard](#) values of Wisdom:

Wisdom חכמה Hokmah	37 = 8 + 11 + 13 + 5 (Ord)	 37 / 73
	73 = 8 + 20 + 40 + 5 (Standard)	

Correlating properties of "703" and "2,701" in Genesis 1:1

בראשית	ברא	אלהים	את	השמים	ואת	הארץ
In the beginning	created	God	(untranslated)	the heaven	and	the earth
913	203	86	401	395	407	296

1. Genesis 1:1 consisting of the first 7 words & 28 letters total a gematria value of 2,701. **2,701 = (913 + 203 + 86 + 401 + 395 + 407 + 296)** 2,701 is factored as **37 x 73**
2. **The sum total of all integers 1 through 73 is 2,701.** (1 + 2 + 3 + 4...+ 73 = 2,701)

ואת	הארץ
and	the earth
407	296

= 703

1. **"And the earth:"** - The Numeric value of 6th and 7th words added together **ve-eth' ha-a'rets, = 703 = (407 + 296)**, which factors **19 x 37**. The Ordinal value = **73 = (29 + 44)**
2. **The sum total of all integers 1 through 37 is 703.** (1 + 2 + 3 + 4...+ 37 = 703)

Excerpt from [Pearls of Wisdom](#)

As can be seen, [3996](#) is one of the most amazing numbers in all of Bible gematria. It reinforces the powerful creation account from Genesis 1:1 and gives further evidence of the oneness and divine authorship of the Bible. 3996 as 108×37 provides graphic evidence of this number's significance. 108 is the number count of the perimeter of both the Israel star and the earth triangle from Genesis 1:1. Both are 37 rows deep. In number theory, the [totient function](#) or ϕ represents the number of integers $< n$ which are co-prime with n . Interestingly, $\phi(37) = \phi(108)$. This co-incidence is repeated in the gematria of the Genesis 1:1 triangle, where $\phi(1998) = \phi(703)$.

- $2701 \times 541 = 1,461,241$
- $1 + 461 + 241 = 703$
- $541 \times 703 = 380,323$
- $380 + 323 = 703$

~~~~ End of Pearls of Wisdom excerpt~~~~

We've previously addressed the significance of "[541](#)" as the [Tenth Hexagonal Star Number](#), which is the value of "Israel," "The Commandments," "Sarah," "Tablets of Stone" and "The Judgment." [541 days](#) from 5/9/13 to 11/1/14 was [Allhallowtide](#), the man-made feast of idolatry and worship of the dead. 703 minus 541 = 162. "[162](#)" relates to the [2<sup>nd</sup> Commandment](#) against idolatry, which factors [99](#) (Amen) x [127](#) (The King of Glory). God "appeared" to Abraham with His promise at 99 ([Gen 17:1](#)), and Sarah rested in Canaan at 127 ([Gen 23:1](#)) when Isaac was married at "[37](#)." Now in the number "703," we also have a profound correlation to 541, the star of Jacob ([Number 24:17](#)). "541" also equates to "teach me the way," and the awakening words from the dream of Jacob's ladder: "The Lord is in this place." ([Gen 28:16](#))  $127 - 99 = 28$ ; "[28](#)" equates to "beloved," "Tav/Cross" and the "power" of God. ([1 Cor 1:18](#))

[703 days](#) from the 5/9/13 solar eclipse Ascension falls on April 12<sup>th</sup> on the [8<sup>th</sup> day of Omer](#), [8 days](#) ([Gen 17: 11-12](#)) beyond the tetrad's 3<sup>rd</sup> lunar eclipse - [4/4/15](#). Sept. 12<sup>th</sup> will be 5 months ([153 days](#)) from April 12. The next day begins the "New Year of Jubilee" - Rosh Hashanah [9/13/15](#).

**Bible Numerics Part 1** – by Peter Bluer

These triangular values are illustrated below.  
 Now the 37<sup>th</sup> (703) triangular number fits precisely inside the 73<sup>rd</sup> (2701) triangular number and sections off three more triangles - 36<sup>th</sup> (666) triangular number and  $36 = 6 \times 6$

We can see now that the seven original values are not arbitrary values but are specially chosen so as to give this elegant design.

The various links and graphics herein are independent and have been provided to help understand and appreciate the tremendous value of 703 being the 37th triangular number as the ultimate *Sabbath Journey* to the promise. *“In like manner,”* Isaac was 37 years old ([Gen 17:21](#)) when Sarah was laid to rest in Canaan at 127; *“according to the time of life”* when the Lord made a *“double”* promise to return. ([Gen 18:10, 14](#)) ([Gen 41:32](#))

This journey has been truly a walk in faith tracking the solar signs and feast days on the extended Biblical Calendar beyond the spiritual judgment of May 21, 2011. The harmony and collaboration of the various independent witnesses centered on the number 703 is a testimony to the glory and power of the Holy Spirit at the time of the end. ([Act 1:8](#), [Dan 12:4](#)) From the perspective of the Promise Studies, the *“three”* 666 triangles represent God’s *“purpose”* to emphasize His dominion over man’s destiny as the last signal to the world just before the end. The number *three* is heavily featured at the crucifixion when Christ yielded *“thy will be done.”* Anyone who can sleep on the 666 count of wisdom from Revelation 13:18 would be completely blinded to any comprehension provided in the subsequent geometric time path of *“703.”*

Thanks and praises to God, who spoke and counted his creation from day one ([Gen 1:1](#)) for teaching us to number our days so we could apply our hearts to wisdom. ([Psalm 90:12](#)) *“37”* is *“the heart of wisdom.”* For some, to decipher the timing of the end from an ancient bible is utterly absurd. With men this is impossible; *“but with God all things are possible.”* (Mat 19:26)

For the vision [is] yet for an appointed time, **but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry.** {Hab 2:3}

Blessed [is] he that cometh in the name of the Lord; Hosanna in the highest. {Mat 21:9}

The Clue of "Qara"

The mystery of [The Biblical Calendar of History](#) was unraveled many years ago by the late debated theologian Harold Camping, who recognized the bible's distinctive wording regarding the birth of Enosh from Seth in Genesis [4:26](#) and [5:6](#). Understanding the key reference "**called his name**" ([H7121](#)- "qara") as an immediate father-son relationship as opposed to "**begot**," which could relate to a distant decedent, was the key factor to determine 6,023 years as the correct period of time from Adam to Noah at the time of the flood - Iyar 17, 4990 BC.

Here's a well done explanatory video link to [The Biblical Timeline of History](#) tying to the year of Solomon's death 931 BC - by John McOwen in 2009.

Exactly 7,000 years from the flood, the salvation door was shut on May 21, 2011, which began a new era of testing and endurance for the elect right up to the very end. ([Dan 12:9-10](#)) However, *The Promise Studies* have long appreciated the divine integrity of God's calendar correlating the feast days in sync with cosmic occurrences, and many other infallible proofs on the extended timeline beyond 5-21-2011. The numerous prophetic truths uncovered along the way have progressively amazed beyond imagination. Any change of just one day on the timeline would be equivalent to the result of removing just one letter from the bible; the divine synchronized time revelation would cave like a house of cards. What are the odds that the last two consecutive time paths of 666 and 703 days, leading to Purim and Omer 8 as the Sabbath Journey, would perfectly fit the creation proofs of the first seven Hebrew words of 28 letters in the bible?

In addition to the judgment of the flood, the 7,000 anniversary in 2011 was a parallel of Christ's sacrifice on the cross, which was depicted by the test of Abraham's sacrifice of Isaac at the age of 37 according to the time of life when Sarah died at 127. (Gen 22-23) As the days of Noah, the following 40 days after the cross was a time of testing and waiting with many infallible proofs leading up to the Ascension ([Acts 1:1-5](#)). Just like the watchmen of 2011; the disciples anticipated the immediate restoration, which would only come not many days hence at the appointed time from the power of God Himself through the "**spirit that quickeneth.**" ([John 6:62 to 6:66](#))

Lord, wilt thou at this time restore again the kingdom to Israel? And he said unto them, It is not for you to know the times or the seasons, which the Father hath put in his own power. **But ye shall receive power, after that the Holy Ghost is come upon you:** and ye shall be witnesses unto me both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth. {Acts 1:6-8}

From [11/27/94](#) to [5/21/11](#) = [6019 days](#) (13 x 463)

ISON [11/28/13](#) to Purim [3/6/15](#) = [463 days](#)

"463" = "We See Light"

The jubilee year announcement of 1994 was found to be the "foundation year" leading to completion of salvation on May 21, 2011 ([6019 days](#); 13 x [463](#) "[prophecy & supplication](#)," ISON to Purim 2015 = [463 days](#)). Subsequently, beyond this date, 2011 was another "foundation year" for the elect of God who would continue to endure God's stern command to watch right up until the very end. When we consider the ultimate time to be blessed according to the words of [Haqqai 2:18-22](#); from 24th day of the 9th month ([12/20/11](#)) to Shushan Purim ([3/6/15](#)) we get [1,172 days](#). 1172 breaks down to 2 x "[586](#)," which equates to "Jerusalem," "Tabernacles of the Most High," "Trumpet" and "gather." Clearly, the path to Purim was pointing ahead to something prophetically special. Counting forward from 12/20/11 to 4/12/15 equals [1,209 days](#). While "[1209](#)" is the value of "fellowdisciples" & "dominium," it also equates to the regard of idols twice underscored:

*For all the gods of the nations [are] idols: **but the LORD made the heavens.***

{[Psalms 96:5](#), and [1 Chronicles 16:26](#)}

1209 divided by 3 equals 403. In addition to the list cited below, the number [403](#) values "rejoice," "inherit," "[eight](#)," "The fiftieth year" and "by every [word] that proceedeth out of the mouth of the Lord." ([Deut 8:3](#))

| The Number 403 |
|--|
| And God called [Ex 3.14]
ויקרא אלהים |
| In Everlasting Remembrance [Ps 112.6]
לזכר עולם |
| Thy salvation comes! [Is 62.11]
ישעך בא |
| The Fiftieth year [Lev 25.10]
החמשים |
| Winepress [S# 1660]
נת |

"The fiftieth year" means the jubilee year when "thy salvation comes!"

1,209 is also a product of 13 x 93. "[93](#)" relates "wedding chamber," "shield," "inheritance" and "in the temple of the Lord." "[13](#)" equates to "love," "unity" and "the Lord." 1,209 also = [31](#) x [39](#).

Haggai's consideration of 1209 days pointing to John 1:1 is irrefutable confirmation.

1,209 multiplied by 3 are equal to 3,627. "3,627" is the numerical value of John 1:1: ***"In the beginning was the Word, and the Word was with God, and the Word was God,"*** which is intimately identified with Genesis 1:1 - the first words of the bible.

The Bible Wheel has several related links to the "Creation Holograph" A holograph is a handwritten document that contains the signature of the writer, which refers to *The Creator* when it applies to the bible:

 - ◆ John 1.1
 - Divine Prologue
 - ◆ Divine Logos Hyper Holograph
 - ◆ The First Day
 - ◆ Jesus and YHVH
 - ◆ Full Creation Hyper Holograph

3,627 also breaks down to 3 x 13 x 93 or 39 x 93. These factors are heavily integrated in a “[Devine Prologue](#)” depicted in another *Bible Wheel* graph below:

The *Sabbath Journey* (5/9/13) start date was uncovered two years ago by calculating [724,500 days](#) (3 x 3 x 23 x 50 x 70) from Christ’s baptism at Trumpets 9/28/29 AD to the solar eclipse Ascension [5/9/2013](#). At the time of this discovery, we were completely unaware of its gematria “beginning” significance being “[719](#)” days beyond May 21, 2011. 719 x 4 = John 1:2.

The same was in the beginning with God.

ουτος ην εν αρχηι προς τον θεον = 2,876 = 4 x [719](#)

Outos en en archei pros ton theon

Besides [Gen 1:1](#), its significant to know that the number 2,701 also equates to [Gen 8:14](#) the date of Noah's exit to dry land when God gave the sign of the rainbow:

Genesis "[8:14](#)" (2 x 11 x 37) ~ **Dry land date**

And in the second month, on the seven and twentieth day of the month, **was the earth dried**. {Gen 8:14}

Genesis "[9:13](#)" (11 x 83) ~ **Rainbow sign**

I do set my bow in the cloud, and it shall be for **a token** of a covenant between me and **the earth**.

[365 days](#) from the spiritual judgment [May 21, 2011](#) (7,000 years after the flood - 4990 BC) was the rare solar eclipse rainbow sign on [May 19, 2012](#), which was the 27th day of the 2nd [Hebrew month](#) (Gen 8:14). Being the first such occurrence since the [jubilee year](#) 1994 (5/10/94), the *Promise Studies* was on alert to notice the "next year" ([Gen 17:21](#)) solar eclipse sign of the Lord's "return according to the time of life" ([Gen 18:10, 14](#)) on the *Ascension Thursday* 5/9/13, which began "in like manner" ([Acts 1:10-12](#)) of the final *Sabbath journey* to the end.

As noted above, the fourth Hebrew word "eth" ([H853](#)) is generally not translated in English, but is related to the "sign" or "token" ("owth" - [H226](#)) of the rainbow. This means that: "**In the beginning God created signs of the heaven and the earth**" as declared silently in [Psalm 19](#):

The heavens declare the glory of God; and the firmament sheweth his handywork. Day unto day uttereth speech, and night unto night sheweth knowledge...Their line is gone out through all the earth, **and their words to the end of the world**. ([Psalms 19:1-4](#))

And in the morning, [It will be] foul weather to day: for the sky is red and lowring. O [ye] hypocrites, ye can discern the face of the sky; but can ye not [discern] **the signs of the times?** {[Mat 16:3](#)}

The [Details of Gen 1:1](#) denotes **703** as the “37th” [Triangular Number](#) compared to 2,701 being the “73rd.”

Now we can see that “In the beginning” words spoken in the bible; God has given the “signs” of the heavens and earth, which Christ swore will pass away ([Mat 24:34-35](#)) when His disciples asked privately on Mount Olivet:

...Tell us, when shall these things be? and **what [shall be] the sign of thy coming, and of the end of the world? And Jesus answered...** {[Mat 24:3](#)}

The question of what shall be the end time “sign” was divinely asked on the Mount of Olives where the Lord ascended into heaven:

Now we can better appreciate the 8th day of Hanukkah (12/5/13) for 2013 being "[7,030 days](#)" (703×10) from the Jubilee Year Trumpets - 1994. From Thanksgivukkah 11/28/13 to April 12, 2015 just so happens to be [500 days](#). While one can immediately recognize the obvious Pentecost element in the factors 50×10 (completion); the numeric value of "[500](#)" equates to "Be fruitful and multiply," the words spoken in "[10 verses](#)" to Noah, Abraham, Jacob and Joseph. The gematria value for the number "[50](#)" equates to "**everything!**"

“Solar Eclipse On The Equinox: A Powerful Catalyst for New Beginnings”

**Flood occurred
6023 years
from Creation**

While the world has essentially discounted the time markers of the solar eclipse rainbow (5/19/12) and Ascension (5/9/13) in relevance to 5-21-11 outlined in these studies; the most recent total eclipse that occurred on the equinox [March 20, 2015](#) has sparked the attention of millions in the Eastern world to witness this rare occurrence. Moving towards the east, this solar eclipse was most visible from the North Atlantic, Greenland, Iceland, Ireland, the United Kingdom, Faroe Islands, northern Norway, North Africa and North Asia. March 20, 2015 was also the day of the Spring [equinox](#) and the *third* [supermoon](#) of the year.

Unfortunately, the world can't perceive the significance of this closing countdown signal from the Creator as being “23” days to the 8th day of Omer. Like the standard value of [401](#) for the untranslated 4th word “sign;” “23” is the sum of the ordinal values of the first ([Aleph](#) - 1) and last ([Tav](#) - 22) letters of the Hebrew alphabet, which signifies the entire Word from the *Beginning to the End*. May 21, 2011 ended 23 years of an autonomous gospel outside the apostate church that began at Pentecost 5/22/88, 40 years from the rebirth of national Israel - 1948.

You may recall that the spring solar eclipse last year ([April 29, 2014](#)) was seen as Hezekiah's sign of the sundial returned ten degrees backwards from [Yom Ha'azmaut 5/6/14](#) to expect a third day rapture ([2 Kings 20:8-11](#)). When applying this sign to the 8th Day of Omer, three days from [4/12/15](#) will be 706 days from the Ascension eclipse start of the Sabbath Journey 5/9/13. “706” is the [double](#) of “[353](#),” which equates to “return,” “heaven,” “promise,” “horn,” “heal” and “[everlasting light](#)” (Isa 60:19). “[706](#)” is also the numerical value for “Atonement,” “joyful,” “besiege,” “temple,” “lily,” “birth,” “torment,” “water,” “freedom” and [the 1st verse of Amos 8:](#)

(1) Thus hath the Lord GOD shewed unto me: and behold a basket of summer fruit. (2) And he said, Amos, what seest thou? And I said, A basket of summer fruit. Then said the LORD unto me, **The end is come upon my people of Israel; I will not again pass by them any more. {Amos 8:1-2}**

Recognizing the third day to “[everlasting light](#)” is by no means a coincidence, but patiently developed during the watch of divine time paths revealed along the way. The following everlasting timeline was uncovered last June in the Promise Study #52 “[Light on the Horizon.](#)”

Psalm 106:48 ~ Everlasting to Everlasting ~

The "third day" of Tabernacles is featured for the three feasts above, as they revealed significant time-paths in each observance since the Spiritual Harvest (including 500 days from 5/21/11). Hezekiah's sign pointing to the third day from Yom Haa'tzmaut '2014 further accentuates the third-day point. The gematria significance of the resulting "353" and "383" successive days between the Tabernacles equating to "everlasting light, for everlasting light," clearly speaks for eternity in Christ. Their interrelationship with the promise of the Ten Commandments independently harmonized by the Bible Wheel can only be explained as the glorious revelation of the Lord shining upon the believers who walked this amazing journey to the end in faith, which "...is the substance of things hoped for, the evidence of things not seen." (Hebrews 11:1)

This timeline underscoring the third day of Tabernacles reaffirms that God has been gradually building our understanding in preparation to see His glory. At the Transfiguration, when Peter desired to build three tabernacles, God redirected his attention towards His Son. As each date would come and go, it was critical to patiently maintain God's command to watch in faith.

Cast not away therefore your confidence, which hath great recompense of reward. **For ye have need of patience, that, after ye have done the will of God, ye might receive the promise.** (37) **For yet a little while, and he that shall come will come, and will not tarry.** (38) **Now the just shall live by faith:** but if [any man] draw back, my soul shall have no pleasure in him. But we are not of them who draw back unto perdition; but of them that believe to the saving of the soul. {Heb 10:35-39} (Hab 2:3)

To receive the gift of promise on Mt. Sinai, the congregation had to "be ready against the **third day**" to meet with the God of lightning and thunder (Exodus 19:11) and "**that day**" to avenge against their enemies (Esther 8:13). The first verse announcing the Ten Commandments (Exodus 20:1) matches the number of words (7) and letters (28) of Genesis 1:1, with a numerical value of 1,332 (36 x 37), which signals a change in time (Zech 14:6). 2,701 - 1,332 = 1,369. "1,369" equals the square of 37 (37 x 37) "And the Spirit of God moved upon the face of the waters." (Gen 1:2)

The commandment of the word identifies with the light:

For the commandment [is] a lamp; and the law [is] light; and reproofs of instruction [are] the way of life: {Proverbs 6:23}

Thy word [is] a lamp unto my feet, and a light unto my path. {Psalm 119:105}

“Everlasting Light” doubled = 353 + 353 = 706 relates to the end...

The sun shall be no more thy light by day; neither for brightness shall the moon give light unto thee: but the LORD shall be unto thee an **everlasting light**, and thy God thy glory. **Thy sun shall no more go down; neither shall thy moon withdraw itself:** for the LORD shall be thine **everlasting light, and the days of thy mourning shall be ended.** Thy people also [shall be] all righteous: **they shall inherit the land for ever**, the branch of my planting, the work of my hands, that I may be glorified. {Isaiah 60:19-21}

The word **“lattice”** is associated with **“vision”** and **“order.”** Only the hand of God could choreograph such a phenomenal scheme blueprinted within His creation because:

The heavens declare the glory of God; and the firmament sheweth his handywork. Day unto day uttereth speech, and night unto night sheweth knowledge. [There is] no speech nor language, [where] their voice is not heard. **Their line is gone out through all the earth, and their words to the end of the world.** In them hath he set a tabernacle for the sun, Which [is] as a bridegroom coming out of his chamber, [and] rejoiceth as a strong man to run a race. {Psalm 19:1-5}

Incredibly, the Strong reference **G353** (*analambanō*) occurs **“13”** times in the bible meaning **“to take up”** or **“raise”** as in connection to the Ascension (**Mark 16:19, Acts 1:2, Acts 1:11**). The Hebrew reference **H353** (*'eyal*) occurs just once meaning **“strength”** or **“might.”**

Recounting “[nineteen](#)” prophetic time paths that have steadily progressed since 2011; The Promise Studies simulates “*Bethany*” ([G963](#)), where Christ ascended into heaven, as the “*House of Dates*” for those looking forward to the day of the Lord ([2 Peter 3:11-13](#)) and a “*House of Misery*” for those who despise God’s stern command to watch ([Rev 3:3](#)).

Whoso keepeth the commandment shall feel no evil thing: and **a wise man's heart discerneth both time and judgment**. Because to every purpose there is time and judgment, **therefore the misery of man [is] great upon him. For he knoweth not that which shall be: for who can tell him when it shall be?** {Ecclesiastes 8:5-7}

But they have not all obeyed the gospel. **For Esaias saith, Lord, who hath believed our report?** So then faith [cometh] by hearing, and hearing by the word of God. But I say, Have they not heard? Yes verily, **their sound went into all the earth, and their words unto the ends of the world.** {Romans 10:16-18}

Who hath believed our report? and to whom is the arm of the LORD revealed? For he shall grow up before him as a tender plant, and as a root out of a dry ground: he hath no form nor comeliness; and when we shall see him, [there is] no beauty that we should desire him. **He is despised and rejected of men;** a man of sorrows, and acquainted with grief: and we hid as it were [our] faces from him; he was despised, and we esteemed him not. {Isaiah 53:1-3}

In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made by him; and without him was not any thing made that was made. In him was life; and the life was the light of men. And the light shineth in darkness; and the darkness comprehended it not. There was a man sent from God, whose name [was] John. The same came for a witness, to bear witness of the Light, that all [men] through him might believe. He was not that Light, but [was sent] to bear witness of that Light. [That] was the true Light, which lighteth every man that cometh into the world. John 1:1-9

And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil. For every one that doeth evil hateth the light, neither cometh to the light, lest his deeds should be reprov'd. But he that doeth truth cometh to the light, that his deeds may be made manifest, that they are wrought in God. John 3:19-21
