

The Feast of Lights beams 153

End of the Road

The timeline below previously presented in [“The Home Stretch”](#) highlights six jubilee-related feasts in connection with the number 153 which was developed over the 2014-15 blood moon tetrad years of this journey to the promise. Remember that tetrads are dramatic harbingers of global change; including the destruction of the 2nd temple - *Tisha B’ Av 70 AD* (“37” years after Christ predicted 33AD), the *Spanish Inquisition and New World America - 1492*, *The Great Depression - 1929*, *National Israel’s rebirth - 1948* and the *Six Day War of 1967* “fifty” years ago.

While a jubilee identity for Thanksgiving, Hanukkah, Yom Ha’aztmaut, Purim, Miketz and Shavuot is traditionally apparent; the bible’s expressed connection of the “[jubilee](#)” with [Yom Kippur](#) is absolutely clear; “*Then shalt thou cause the trumpet of the jubile to sound on the tenth [day] of the seventh month, in the day of atonement shall ye make the trumpet sound throughout all your land.*” [{Lev 25:9}](#)

The arrival of Comet ISON on Thanksgiving 11/28/13 was dramatically anticipated as 666 years from the 1347 [Black Death Comet Negra](#), which is known to have wiped out over 60% of the world’s population. The 2013 merging of Thanksgiving and Hanukkah cannot reoccur for another 77,000 years. The fact that the perihelion (*closest point to the sun*) of Comet ISON joined this phenomenon removed any rationality for doubt.

As a shadow of things to come, four years ago it was discovered that the first day of Hanukkah initiated with Comet ISON 11/28/13 began exactly [153 days](#) to the first tetrad [solar eclipse 4/29/14](#). **Here again, like 32 AD to Pentecost, 153 days is revealed beyond the Feast of Lights!** As intriguing as its’ mathematical [attributes](#) are, the number [153](#) within the text is only mentioned once in the bible in the account of the miraculous catch of fish, which occurs “*after*” the Resurrection and Passover crucifixion, which relates to the Spiritual Judgment of May 21, 2011 when the completion of God’s elect passed over judgment into eternity. Numbers “[1:53](#)” repeats the covenant testimony of the **3700th** verse of the bible in Numbers “[3:7](#).”

The account of the 153 fish catch is recorded in [John 21:1-14](#) where the disciples had not caught any fish throughout the night. Jesus standing on the shore tells them to put out their net on the right side of the boat and they miraculously catch [153 fishes to dine](#).

In order to gain a fuller understanding of what this means, it's important to consider another biblical miracle of catching fish when Peter, James and John were recruited as disciples. ([Luke 5:1-11](#)) This was in the early days of His ministry after Christ was baptized. Here again, the fishermen hadn't been able to catch anything after toiling all night. But after seeing Christ fill two boats to nearly sink with fish in an instant, the disciple forsook all and followed Him from then on. What makes this particularly relevant is that Peter, James and John were the same disciple's on the Mount of Olives that prayed with Him ([Mark 14:32-34](#)) and asked Him for the timing of the end of the world, which Jesus "answered" fully. ([Mark 13:3-37](#)) These were the same [three disciples](#) that He brought with Him to be [raptured together](#) with Moses and Elijah at the Transfiguration after advising that some standing on earth shall not taste death.

In the later account, Christ told the disciples to cast their net on the "[right side](#)" of the ship. After the resurrection, the bible frequently indicates Jesus seated on the "[right side of the Father](#)." The right side is symbolized a special place of honor.

The LORD said unto my Lord, Sit thou at my right hand, until I make thine enemies thy footstool. {Psalm 110:1} ([Matt 22:44](#))

Jesus saith unto him, Thou hast said: nevertheless I say unto you, Hereafter shall ye see the Son of man sitting on the right hand of power, and coming in the clouds of heaven. {Matt 26:64}

Christ's last observance of the Feast of Dedication in 32AD also preceded Pentecost by 153 days. In response to the Jews inquiring doubt, Jesus said: "**My sheep hear my voice, and I know them, and they follow me:**" ([John 10:22-24, 27](#))

When the Son of Man comes in His glory, and all the holy angels with Him, then He will sit on the throne of His glory. All the nations will be gathered before Him, and He will separate them one from another, as a shepherd divides *his* sheep from the goats. **And He will set the sheep on His right hand, but the goats on the left. Then the King will say to those on His right hand, 'Come, you blessed of My Father, inherit the kingdom prepared for you from the foundation of the world:** for I was hungry and you gave Me food; I was thirsty and you gave Me drink; I was a stranger and you took Me in; I was naked and you clothed Me; I was sick and you visited Me; I was in prison and you came to Me. {Mat 25:31-36}

The flood without question is the most dramatic warning of imminent judgment day from the bible. The warning of judgment for the very same date (*May 21, 2011 = Iyar 17, 5771*) exactly 7,000 years could only be an extension of mercy and grace from the Lord God Himself. Anyone rejecting the prophecy as of man has either refused to search out the matter, or is carelessly oblivious to the objectiveness of numbers on a [11013 BC creation calendar](#) that God preserved by the Word from the very beginning.

Acknowledging the guidance of 2 Peter 3:8 “...that one day [is] with the Lord as a thousand years, and a thousand years as one day...”; this study has held fast beyond Noah’s 7-day warning ([Gen 7:4](#)) through the ark promise door of May 21, 2011. Enduring trouble waters for the next 365 days (*5 x 73*) led to the dry land rainbow solar eclipse date (5/20/12 = Iyar 27) when God repeated His covenant with Noah ([Gen 9](#)) to Abraham ([Gen 17](#)) personified in the [promised](#) birth of Isaac at the same set time in the next year 355 days (*5 x 71*) later, which fell on the *Ascension Thursday solar eclipse 5/9/13* (Iyar 27). “**71**” is the gematria for “dove” which relates to the Holy Spirit that came at Pentecost. “**73**” equates to “the wisdom of God.” The 5/9/13 solar eclipse Ascension Thursday began the final countdown of the Sabbath Journey to the promise “in like manner” to the out pouring out of the Holy Spirit at Pentecost 5/25/33 AD. The timeline presented below offers a visual illustration “walking” in the shoes of Noah and Abraham.

God promised Sarah that in the birth of Isaac He would return “according to the time of life.” ([Gen 18:10, 14](#)) Isaac was born when Sarah was 90 and remained single until his mother was publically laid to rest in the promise land of Canaan at 127. This means that Isaac was 37 years old when he married Rebekah in 2030 BC. **From 2030 BC to 2017 are 4046 years. 4046 is the result of $2 \times 7 \times 17^2$.**

Incidentally, Sarah’s age at 127 can be expressed as “**0127**,” which is an anagram for the value of the beginning verse of the word “**2701**” (37×73) and the last year of the world “2017.” “**127**” can also be re-stated as “**271**” which is symmetrically equivalent to **37** and the ordinal value of “the spirit of God moved upon the face of the waters ([Gen 1:2](#)),” which has a standard value = **37²**.

After he publically buried Sarah in the promise land of Canaan (Gen 23), Abraham sent his servant Eliezer to find Rebekah as bride for his son Isaac. [Eliezer](#) means “God is help” and has the value of “[318](#).” “Abraham’s ([248](#)) servant ([76](#))” is 324. Thus, added together “Abraham’s servant Eliezer” totals 642. “[642](#)” holds the value for “covenant,” “birthright,” “bless,” “blessing,” “gate” and “sun,” and can be factored as 3 x 214. “[214](#)” is the value of “spirit.” Therefore, we can translate the parallel as ‘Abraham the Father sent the Holy Spirit to find a bride Rebekah for His son Isaac to be blessed with the promise.’

We have calculated the final number as days for *Sabbath Journey* from *Ascension Thursday 5/9/13* to *Pentecost 6/4/17* for a total of 1488, which curiously equates to the English gematria of “President Donald Trump.” The elected US president happens to have been born 6/14/46 on a lunar eclipse, which we have seen used as a prophetic sign coinciding with the tetrad feasts. If the length of our Sabbath Journey were to extend to the date of the president’s birth, the *Sabbath Journey count* would extend an additional 10 days to 1498 days. “[1498](#)” holds the value for “full” and “confirm.” However, the actual 1488-day *Sabbath Journey* count simulates Hezekiah’s sign of the sundial turned 10 degrees backwards in order to know when to go up to the house of the Lord on the third day ([2 Kings 20:8-11](#)). Incredibly, “1498” signals an affirmation from the Holy Spirit which harmoniously factors as 7 x “214,” the value of the “spirit”. Amen.

It’s significant to note that *ten “camels (Gen 24:10),”* mentioned “17” times in [Exodus 24](#), were very instrumental in the recruit of Isaac’s wife Rebekah in the desert. The gematria of camel is “[73](#)” which matches the value for “wisdom.” The word “camels” occurs “fifty” times in the bible. A harmonious study on the camel’s entrance as the “[Eye of the Needle](#)” and a test for Rebekah’s worthiness as a bride can be found at [Nazarene Space.com](#). The value of the “eye of the needle” is “[186](#),” which also values “it is done.” $186 \times 8 = “1488;”$ the span of the *Sabbath Journey* from *Ascension Thursday 5/9/13* to *Pentecost 6/4/17*. “1488” also factors as $2 \times 8 \times 93$. “[93](#)” holds the value for “will,” “love,” “shield,” “chamber” and “inheritance.” “[39](#)” values “The Lord is one” and is the reflective number of 93. Factored together $39 \times 93 = “3627,”$ which is [the value of John 1:1](#): *In the beginning was the Word, and the Word was with God, and the Word was God.* “3627” forms the trapezoid that fits as a perfect foundation for the creation verse Genesis 1:1 - the [73rd triangular number](#) “2701.”

How truly amazing it is to find that the final 1488-day (93 x 8 x 2) Sabbath Journey is symmetrically harmonious with the first verse of the bible. John 1:1 consists of 17 words and is the 26,046th verse of the bible. $26,046 = 2 \times 3^2 \times 1447$. "26,046" is double the number of years (13,023 x 2 = 26,046) from creation 11013 BC to *Spiritual Judgment year 2011*. According Joseph's interpretation of Pharos's dream, a thing doubled "...is established by God, and God will shortly bring it pass." ([Gen 41:32](#)) "1447" is the year of Israel's exodus from Egypt and the gematria value for Proverbs 3:19.

The LORD by wisdom hath founded the earth; by understanding hath he established the heavens..... **1447** [Prov 3:19](#)

The fear of the LORD [is] the beginning of wisdom: and the knowledge of the holy [is] understanding..... + **2549** [Prov 9:10](#)

Now when Solomon had made an end of praying, **the fire came down from heaven**, and consumed the burnt offering and the sacrifices; **and the glory of the LORD filled the house**..... = **3996** Total [2Ch 7:1](#)

$$1447 = 37 \times 13 \times 3 + 4 = \text{Pro 3:19}$$

$$2549 = 37 \times 23 \times 3 - 4 = \text{Pro 9:10}$$

$$3996 = 37 \times 27 \times 4 = 37 \times 108$$

While there is 1488 days from the start of the Sabbath Journey Ascension Thursday-solar eclipse 5/9/13 to a 3rd day rapture on Pentecost 6/4/17; there are 1485 days to the first day of consternation on Shavuot 6/1/17. "1485" can be broken down to 27 x 55. "27" holds the gematria value for "**hath told**," "light" and "riddle." "55" holds the value for "**everything**," "**consummation**," "**end**" "**Day of the Lord**" and "**The light**."

"153" equals the sum of all its cube digits $1^3 \times 5^3 \times 3^3 = 153 = 1 \times 125 \times 27$

"**153**" is the 17th triangular number and equals the sum of all integers from one to 17

$$153 = 1+2+3+4+5+6+7+8+9+10+11+12+13+14+15+16+17$$

"**153**" is 17 times divisible by the sum of its own digits $153 / (1+5+3) = 17$

After the crucifixion, which she had also witnessed as her companions fled, each of the four gospels record Mary Magdalene in company or as the first to see Jesus after His resurrection. The gematria for "**Magdalene**" is "153."

In the end of the sabbath, as it began to dawn toward the first [day] of the week, came Mary Magdalene and the other Mary to see the sepulchre. **And, behold, there was a great earthquake**: for the angel of the Lord descended from heaven, and came and rolled back the stone from the door, and sat upon it. {Matt 28:1-2}

Now when Jesus was risen early the first day of the week, **he appeared first to Mary Magdalene**, out of whom he had cast seven devils. And she went and told them that had been with him, as they mourned and wept. {Mark 16:9-10}

And they found the stone rolled away from the sepulchre. And they entered in, and found not the body of the Lord Jesus. **And it came to pass, as they were much perplexed thereabout, behold, two men stood by them in shining garments**: And as they were afraid, and bowed down [their] faces to the earth, they said unto them, Why seek ye the living among the dead? He is not here, but is risen: remember how he spake unto you when he was yet in Galilee, Saying, The Son of man must be delivered into the hands of sinful men, and be crucified, and the third day rise again. And they remembered his words, And returned from the sepulchre, and told all these things unto the eleven, and to all the rest. **It was Mary Magdalene, and Joanna, and Mary [the mother] of James, and other [women that were] with them, which told these things unto the apostles. And their words seemed to them as idle tales, and they believed them not.** {Luke 24:2-11}

Jesus saith unto her, Touch me not; for I am not yet ascended to my Father: but go to my brethren, and say unto them, I ascend unto my Father, and your Father; and [to] my God, and your God. **Mary Magdalene came and told the disciples that she had seen the Lord, and [that] he had spoken these things unto her.** {John 20:17-18}

"Magdalene" means "a tower" ([G3094](#)) and is the name of the place in Palestine where Mary was from. The Aramaic origin of tower is "migdal" ([H4026](#)) and occurs "50" times in the bible. Like the event of the miraculous fish catch, Mary "Magdalene" being the first to see the Lord highly identifies with Christ's post-crucifixion/resurrection appearances before the Ascension and has a gematria value of **153** consisting of "ten" Hebrew letters.

"Magdalene" = "[η Μαγδαληνή](#)" (8 + 40 + 1 + 3 + 4 + 1 + 30 + 8 + 50 + 8) = 153

While the Spiritual Judgment of May 21, 2011 may have seemed as an idle tale for many, this was the ultimate point of eternal "**pass over**" of judgment for the elect and the end of hope for the unsaved. After watching and waiting *1335 days* towards the end of the **Sabbath Journey**; this dedicated watch has been finally blessed with the light of promise in the last extension of *153 days* to glory.

From Solomon's Foundation laid 967 BC to last year 2017 = 2983 years
2983 = [19](#) "Physical Manifestation" x [157](#) "The New Covenant"

As repeatedly referenced throughout this watch, the **37-year** span (2067 BC - 2030 BC) of Isaac's life from the fulfillment of his birth to his marriage ("according to the time of life" when Sarah is laid to rest in Canaan) parallels with the final *Sabbath Journey* from the solar eclipse dry land Ascension date 5/9/13 to the Promise at the end. This explains the anticipated numerical relevance of the *Sabbath Journey* period to the number 37. In the last chapter of the 27th book of Daniel, the man clothed in linen answers the question of time.

And [one] said to the man clothed in linen, which [was] upon the waters of the river, **How long [shall it be to] the end of these wonders?** And I heard the man clothed in linen, which [was] upon the waters of the river, when he held up his right hand and his left hand unto heaven, and swore by him that liveth for ever that **[it shall be] for a time, times, and an half;** and when he shall have accomplished to scatter the power of the holy people, all these [things] shall be finished. {Dan 12:6-7}

In conjunction with [Rev 13:18](#) of the 27th book of the New Testament; the wisdom of the *number of man* harmonizes well with Daniel's prophecy of a "time, times" and a "part of time," as the Hebrew word for "half" [H2677](#) (*chetsiy*) is also translated as "part" in the bible. While the three words "man-of-sin" are found in "[17 verses](#)" of the bible, the one exact phrase in [2Ths 2:3](#) provides a detail description as one "Who opposeth and **exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.**" ([2Ths 2:4](#)) Today's time distinguishes only one supreme system ruling the temple, claiming power to forgive sins, that holds a title (*vicar of God's son*) that matches the bible's number of man - 666.

Now in relevance to the number 37, "666" is 18 times divisible by 37. "18" happens to be the value for "life" and "man." With respect to the final "part;" the Number "1:53" duplicates the covenant testimony of *Numbers* "3:7," which happens to be the **3700th** verse in the bible. The charge of people ([Num 1:53 & 3:7](#)) is to keep watch at the tabernacle (*tent* [H168](#)) door of the promise, which is where Sarah was listening when God promised her a son ([Gen 18:10](#)). Strong # [G3700](#) (*optanomai*) is translated as "see" 37 times in the bible and "17" times as "appear."

It was within the authority of the papacy that sprung the Spanish Inquisition of 1492 under King Ferdinand and Queen Isabella. The Inquisition compelled either catholic conversion or expulsion from Spain and ultimately led to the exile of 160,000 Jews. Curiously, it was Queen Isabella who also sponsored the expedition of America’s New World discovery that very same year. [1942](#) was also a blood moon tetrad year when the first day of Passover and the Feast of Tabernacles align with the lunar eclipses for two consecutive years. There can be no doubt that the historical events of 1492 as a picture of the **“New World”** to come were prophetically timed by God. The year 1492 led to the United States jubilee independence celebrated *July 4, [1776](#)*.

In the beginning was the Word, and the Word was with God, and the Word was God.

The Numbers [37](#), [73](#), and [373](#) are all deeply integrated via fundamental hexagonal symmetries. This integrates with the explicit message of Scripture, which relates the Number 6 and the creation of the Cosmos. The geometric form of the prime Number [373](#) is a variation on the theme of the Star Numbers. It is a fractal Star Number that is built upon the union of Seven Stars, each with the value of [37](#), as shown in the image below:

After careful review of the biblical calendar, we find that Moses would have had to be 39 years old in 1488 BC since he died at 120 when Joshua led the people into the land of Canaan. Remember 39 times its reflective 93 equals 3,627, the gematria value of John 1:1, which forms the foundation for the creation triangle Gen 1:1 (page 4). A detail [timeline](#) correlates Moses’ prophecy occurring in 1488 BC, which is repeated in Acts [3:22](#) and [7:37](#):

The LORD thy God will raise up unto thee a Prophet from the midst of thee, of thy brethren, like unto me; unto him ye shall hearken; {Deut 18:15}

[Harmonious link to Pentecost](#)

Summary: God intended Israel to cross over into the Promised Land on Pentecost morning. We know this because the [precise](#) number “11 days” ([Numbers 1:2](#)), rather than a round number, alerts us to the fact that 11 days converges on the very anniversary at Sinai one year earlier, which in turn, leads us to speculate a **3½-day** delay till [Pentecost](#) morning for the subsequent crossing---exactly one year after the Sinai covenant.

What is the meaning of a Pentecost-entry into the Promise Land?

Pentecost was the festival that celebrated the first wheat harvest in the Promised Land. Since Pentecost was the day God intended them to enter the Promised Land, and since, at this time, Israel would have had nothing to present to the Lord (since they were only then entering it), therefore, it seems logical to conclude that the people of Israel were themselves this harvest to the Lord---a harvest of souls. But since they failed to enter this rest, (Heb. 3:7-4:11), it thus remains for a people to enter it, which the New Testament declares to be the Church. This is why the Church was born on Pentecost morning, (Acts 1, 1Cor. 15:20-23; Revelation 14:4): to fulfill the promises of God. This is not to say that God has set aside Israel as a nation forever---God forbid! Because of Israel's unbelief, God graciously used the opportunity to bring in the Gentiles (non-Jews) so as to provoke them to jealousy. But when Israel turns to Messiah nationally, then the final resurrection harvest will happen, of which the remaining feast of tabernacles is symbolic, (Rom. 10-11).

Just as we see God using the 3700th verse in the bible to point to the prophetic purpose of the Number 1:53; we find that the Strong's indexing places a close connection with the definition of "seeing" between [G3700](#), [G2300](#) and [G1492](#), which occurs "666" times in the bible. [3700](#) is the value of the priest names on the breastplate of the twelve tribes of Israel.

As previously noted, the historic discovery of America in 1492 was divinely timed by God as a picture of the New Word to come. 2300 is the [Wonderful Numberer](#) - [Palmoni's](#) answer to "...how long..?" in Daniel [8:13-14](#). Now when we take the difference between 3700 and 1492; the result is 2208, which is the number of inclusive [evening / morning days](#) from May 21, 2011 to Pentecost 6/4/17.

2,208 cannot only be factored as $3 \times \underline{23}$ "Aleph- Tav" $\times \underline{32}$ (reflective of 23) "Pure," "The Heart of Glory;" 2208 is also the "double" of [1104](#) (23×48), which values "**God the Son**" indexing Psalm **110:4** "after the order of Melchizedek:"

The LORD hath sworn, and will not repent, Thou [art] a priest for ever **after the order of Melchizedek**. {Psalm 110:4} ($1104 = 4 \times 276$) ([1010](#) + [2020](#) = [3030](#))

Abraham buried Sarah in a "[double](#)" portion cave ([Gen 23:19](#)). According to the interpretation of Pharaoh's dream: a thing doubled is "*established by God, and God will shortly bring it to pass.*"

Additionally significant is the result of 808 as difference between 2300 and [1492](#) ($4 \times \underline{373}$ "swear"). The number "[808](#)" ($2 \times \underline{404}$) relates to the "[Faith](#)" of "[Abraham](#)" to whom the Lord "appeared" ([Gen 17:1-2](#)) and "swore" His promise "by an oath...after the order of Melchisedec." ([Heb 6:13-20](#))

By faith Abraham, when he was called to go out into a place which he should after receive for an inheritance, obeyed; and he went out, not knowing whither he went. By faith he sojourned in the land of promise, as [in] a strange country, dwelling in tabernacles with Isaac and Jacob, the heirs with him of the same promise: **For he looked for a city which hath foundations, whose builder and maker [is] God.** {Hebrews 11:8-10}

“Methuseal” being the oldest man to ever live at 969 years old portrays the end of age and shares a gematria value of **777** with “God,” “heaven,” and “seventy years.” 969 is the result of $3 \times 17 \times 19$ and is the sum of all triangular numbers up to **153**. Below is an excerpt found at Theologos.net (*The Pattern and the Prophecy – by James Harrison*) which illustrates this geometric marvel integrating 17, 153 and 969.

Further more, the numbers **17** and **153** are directly related to a number in the Old Testament, **969**, which is the longest years a man of flesh (Mathushelah, Genesis 5:27) ever lived on earth according to the Bible. What is the connection?

$$\begin{array}{r}
 1 = 1 \\
 3 = 1 + 2 \\
 6 = 1 + 2 + 3 \\
 10 = 1 + 2 + 3 + 4 \\
 \dots = \dots \\
 +) 153 = 1 + 2 + 3 + 4 + \dots + 17 \\
 \hline
 \mathbf{969}
 \end{array}$$

To express this structure in a geometrical shape with **969** tennis balls, it is a solid tetrahedron containing 4 facets (each facet having **153** balls) and 6 sides (each side having **17** balls). The following drawing shows what a tetrahedron is. A tetrahedron is simply the manifestation of a triangle in the 3D world, or reversely, the latter is simply the projection of the former in the 2D world:

What is the hidden message here? Well, the hidden message is the same as what the Bible claims in the surface text: **Jesus rose from the dead on the 17th** in order for us to resurrect (symbolized in **153**) from the dead when He comes the second time. This is eternal life (symbolized in **969**), promised before, enjoyed by us now, and fully realized in four aspects (spirit, mind, soul and body) in the future.

The 1948 rebirth of national Israel is purposed 69 years to 2017, which breaks down to 3 x 23. The fulfillment of this prophecy succeeded America's year of independence in 1776 by 172 years (172 = 86 x 2). "86" is the gematria value for the name of "God" (Elohim) introduced in the first verse of the bible. Incredibly, 1776 minus the intro verse of the Ten Commandments 1332 equates to 444, which values the words "Temple" and "Damascus." The sudden military action against Syria fits well with the timing of the prophetic conclusions outlined herein in light of the Blue Letter Bible commentary of Isaiah "17." Damascus is considered one of the most ancient cities in the world today. Its pending destruction symbolizes a time capsule of things to come.

The burden of Damascus. Behold, Damascus is taken away from [being] a city, and it shall be a ruinous heap. The cities of Aroer [are] forsaken: they shall be for flocks, which shall lie down, and none shall make [them] afraid. The fortress also shall cease from Ephraim, and the kingdom from Damascus, and the remnant of Syria: they shall be as the glory of the children of Israel, saith the LORD of hosts. And in that day it shall come to pass, [that] the glory of Jacob shall be made thin, and the fatness of his flesh shall wax lean. And it shall be as when the harvestman gathereth the corn, and reapeth the ears with his arm; and it shall be as he that gathereth ears in the valley of Rephaim. Yet gleaning grapes shall be left in it, as the shaking of an olive tree, two [or] three berries in the top of the uppermost bough, four [or] five in the outmost fruitful branches thereof, saith the LORD God of Israel. {Isaiah 17:1-6}

When someone presents a biblical observation as truth; one can choose to ignore it, reject it, blindly accept it or research the information from independent sources in order to form an intelligent conclusion regarding the observation ([1 Thes 5:20-21](#)). Recently, I came across a study that found a striking numerical correlation integrating prime numbers in the fulfillment of prophecy by John the Baptist in Mark 1:8:

*I indeed have baptized you with water: **but he shall baptize you with the Holy Ghost.***

Christ's victory at the cross induced the redemptive power of the Holy Ghost at Pentecost, which fell exactly [1335 days](#) after His own baptism on *Trumpets 29 AD*. The Holy Ghost commissioned the elect to spread the gospel to the entire world ([Mark 16:15](#)). According to the Bible Wheel, the gematria value of Mark 1:8 and Mark 6:15 is [6907](#). "[888](#)" is the value of "*Jesus,*" "*The Salvation of our God*" and "*The heavens declare the glory of God.*" "[6907](#)" happens to be the [888th prime number!](#)

A prime number can be defined as a whole number greater than 1, whose only factors are 1 and itself. An exhaustive link to prime numbers can be found at [allthingsuniverse.com](#). The reflective numbers 37 and 73 are reflective primes in [12](#) and [21](#) respectively. The number 17 is the [7th prime number](#). "67," the value of the 7th Hebrew letter "[zayin](#)," which relates to understanding (*binah*) happens to be the [19th prime number](#) tying it to "[physical manifestation.](#)" "[71](#)," the value for "*dove*" which identifies with the "*Holy Spirit*," is the [20th prime number](#) or the "double" of the "*Tenth.*" Amazingly, the special star number of Israel "[541](#)" is the [100th prime number](#). Consider the odds that the symbolic Star of David would also be the 100th prime number which could be factored as 10 x 10. "[541](#)" also holds the value for "*The Commandments,*" "*Tablets of Stone*" and "[Sarah.](#)"

The [999th prime number](#) is 7907. [7907](#) holds the gematria value for 1 Kings 8:1 at "[The Dedication of the Temple](#)" and 1 Timothy 6:19 regarding "*the time to come:*"

Then Solomon assembled the elders of Israel, and all the heads of the tribes, the chief of the fathers of the children of Israel, unto king Solomon in Jerusalem, that they might bring up **the ark of the covenant** of the LORD out of the city of David, which [is] Zion. {1 Kings 8:1}

Laying up in store for themselves **a good foundation against the time to come**, that they may lay hold on eternal life. {1 Tim 6:19}

The [777th prime number](#) is [5903](#), which holds the value for only one verse in the bible which involves [the return of the Ark of the Covenant to Israel.](#)

And the Levites took down the ark of the LORD, and the coffer that [was] with it, wherein the jewels of gold [were], and put [them] on the great stone: and the men of Bethshemesh **offered burnt offerings and sacrificed sacrifices the same day unto the LORD.** {1 Sam 6:15}.

It's truly a wonder how people are encouraged to frown upon and run away from seeking the wisdom ([73](#)) of gematria and numbers when the bible refers to Jesus as the Word ([373](#)) and the [Wonderful Numberer](#) Himself ([Dan 8:13-14](#)). Clearly in the value 2701 (37×73) pointing "2017;" gematria was built into the foundation of creation in the first verse of Genesis as the signature of God. To consider the subsequent proof as overwhelming is actually a gross understatement based on the infinite measure evidence which God has so graciously provided over time. It makes you wonder by whom and when was the first use and practice of gematria? History's answer to this question helps explain man's resistance to search the matter out.

History: The Babylonian king Sargon II, in 8th century BC, is believed to have been the first to **use gematria** when building the wall [Khorsabad](#) of exactly **16,283** cubits long, because that was the numerical value of his name.

[King Sargon II](#) (referred to [Isaiah 20:1](#)) became renowned abroad in 710 BC when he conquered and took the Babylon throne while building his own capital palace in [Khorsabad](#), Iraq spanning 10 years from **717-707 BC**. Discovered by archeologist in 1843, the ancient city raised alarm in our day due to its [destruction by ISIS](#) only two years ago. Yet, even more striking is that the numeric value of his name at **16,283 is the result of 19×857** . While we well understand that "[19](#)" relates to "physical manifestation;" "[857](#)" relates to the "Living" "Word of God" and "to be amazed," and happens to be the [148th prime number](#). "[148](#)" ($1480 \div 10$) is the value for "victory," "Passover," "promise" and "prosper." "[153](#)" is the value for "The Passover" and "Sons of God."

Gematria is found in magi literature used in connection with the Greek alphabet and is said to have introduced gematria system to Israel during the time of the Second Temple. The Magi ([wise men](#)) were guided by the star to the timing of the first arrival of Christ on earth. ([Mat 2:7](#))

After the outpouring of the Holy Spirit for the early Christians, gematria inspired the dove to be a portrayal of Jesus. The Greek word for "dove" (*peristera*) equals [801](#) as well as "The Creator" and the letters "Alpha + Omega," which represents the Beginning and the End. As noted, the Hebrew value for dove is "[71](#)," which is the reflective of "[17](#)."

Gematria is essential to the esoteric spiritual philosophy "[Kabbalah](#)" which originated with the Torah has an equally [mysterious numeric value of 137](#). "[137](#)" is the age of Abraham when he buried Sarah in the promise land of Canaan. Shortly after, Isaac was "**married**" at age 37.

“37” highlights God’s creation factored with its reflective number “73” to produce the value of the very first verse of the bible at 2701.

“2701” points to its prophetic anagrams of 127, the age of Sarah when she was laid to rest in the Promise land of Canaan ([Gen 23:1](#)) and 2017, the year of redemption for the elect. 2701 is also the value of Noah’s dry land rainbow sign verse [Gen 8:14](#), the date where God remembered His promise 365 days after the judgment of the flood.

And in the second month, on the seven and twentieth day of the month, was the earth dried.

37 is the age of Isaac when Sarah was buried in the land of Canaan “according to the time of life.” Since there is a reflective in the first verse of the bible, one might suspect a similarity in the last verse of the bible.

The grace of our Lord Jesus Christ [be] with you all. Amen. {Rev 22:21}

The gematria value of this last bible verse is **8971**. “89” equates to “redeem” and “new;” while “71” equates to “dove,” “fullness” and “**the Spirit of Wisdom**.” The Bible Wheel unveils the reflective word association between 89 and 71 as illustrated below:

The prime Number 89 is joined with the prime Number 71 as part of a numerical chiasm the unites the Greek and Hebrew words for Dove with two of the Greek and Hebrew phrases for the Holy Spirit, as shown in this diagram:

Sourced from the Bible Wheel

This reflection is super remarkable considering that the arrival of the Holy Spirit at *Pentecost 5/25/33 AD* was the ultimate blessing of waiting [1335 days](#) ([Dan 12:12](#)) from Christ’s baptism at *Trumpets 9/29/29 AD*. *Pentecost 5/25/33 AD* was also [153 days](#) from Christ’s final observance of Hanukkah 32 AD when He was asked by the doubters to speak “plainly” ([John 10:22-24](#)).

Counting 1335 plus an added 153 days from the start of the *Sabbath Journey* 5/9/13 led us to the day of promise, which totaled [1488 days](#) (1335 + 153). The key was uncovering the “beginning” date to count from, which was counted [719 days](#) from May 21, 2011. Amazingly, “[719](#)” holds the value for “beginning.” $719 + 1488 = 2207$. “2207” is the value of [Psalm 105:19](#):

Until the time that his word came: the word of the LORD tried him.

Now let’s consider the mathematical difference between the two anagrams **2701** and **2017**. The beginning creation verse value **2701 minus** the ending creation year **2017 equals “684,”** which holds the value for “speak,” “answer,” “holy,” “blameless” and “wrath.” Mathematically, “684” happens to be the third result of the cube sum of all digits for the prophetic number “[1776](#),” the year of the *New World Order*! The 7th and 8th results in the chain turn out to be **153**.

[1776](#) represents the creation of light and holds the value for “last, (*eschatos*)” “prophecy” and [Genesis 1:4](#) which describes the divide between the darkness and light. This verse contains the 37th word “light” that begins with the 137th letter of the bible. 137 is the [fine structure constant](#) that defines the speed of light.

The link between 684 and 153 is highlighted in the below depiction of a net catching fish as the third part of all numbers as described and shared in an article on “[The Numbers 17 and 153](#)” from “*The Open Scroll*.”

Considering 684 is the difference between the beginning number 2701 and the end number 2017, its sum cube connection in the math chain from 1776 to 153 is nothing less than extraordinary. $684 = 6 \times 6 \times 19$ (*Physical Manifestation*). An anagram of 684 is [648](#), which holds the value for “birthright,” “blessing” and “gather.” Now let’s try a few more examples beginning with 1488, the final count of the *Sabbath Journey*.

Here while the generating cube sums do not ultimately lead to 153; the repetition of results begins with "190" at the "10th" sequence. " The sum of 37 and 153 equals "190," which holds the value for "end," "time," "number," "Canaan," "mouth," "answer," "rejoice," "scatter," "net" and the "rib" of man.

190 is the 19th triangular number and can be factored as 10 x 19. "10" relates to "completion" as represented in the gift of the "Ten Commandments." "19" relates to "physical manifestation" and is the hexagon appearing in "the heart" of the hexagon/star number 37. 19 x 37 equals 703, which centers the 2701 triangle and equates to "and the earth."

Next, we shall apply 1369, which is the square of **37** (37 x 37). 1369 holds the value for the power of the *Holy Spirit*:

And the Spirit of God moved upon the face of the waters. {Gen 1:2}

<i>Digits</i>	<i>Cube addition</i>	<i>Sum Result</i>	<i>Prime Sequence</i>
1369	$1^3 + 3^3 + 6^3 + 9^3$	973	34 th prime # (2 x 17)
973	$9^3 + 7^3 + 3^3$	1099	7 x 157
1099	$1^3 + 0^3 + 9^3 + 9^3$	1459	232nd prime #
1459	$1^3 + 4^3 + 5^3 + 9^3$	919	157th prime #
919	$9^3 + 1^3 + 9^3$	1459	232nd prime #

For the number **1369**, the edifying message is uncovered in the gematria value of the prime sequence of the sum result. The table above underscores the prime positions 157 and 232. "**157**" holds the value for "*The New Covenant*" and "*Everlasting Salvation.*" 157 doubled is the pi number "**314**," which values "*The Almighty*," "*Wedding*" and "*book.*"

232 is the double of 116. According to the *Bible Wheel*, these two numbers produce common identities in their values:

116 = "*The Mouth of the Lord*"

2 x 116 = 232 = "*The Word of the Lord*"

"**232**" is also the numeric equivalent of "*Let there be light*," "*The Blessing*," "*My Firstborn*," "*Eternal God*" and "*it shall be established forever.*" Psalm "**89:37**"

It shall be established for ever as the moon, and [as] a faithful witness in heaven. Selah.

In Greek "**232**" also happens to be the gematria value for Isaac. God established his promise to Abraham and Sarah embodied in the birth of Isaac (Gen 17:2). This promise was the repeat of Noah's dry land rainbow promise 365 days after the flood (Gen 9:7-9), except 10 generations later God extended His promise to Abraham for the same time an extra year when Sarah was 90 (Gen 17:17, 21). Watching two years beyond our parallel spiritual judgment date - **May 21, 2011**, 7,000 years after the 4990 BC flood; we discovered the [Solar Eclipse - Ascension Thursday](#) date **5/9/13** that began the final *Sabbath Journey* count of 1,488 days (666 + 666 + 3 + 153) to *Pentecost*. At Christ's ascension in 33 AD, the disciples were told to wait for the promise at Jerusalem "**in like manner**" just a *Sabbath Journey* away (Act 1:11-12).

"According to the time of life," (Gen 18:10, 14) when Sarah was laid to eternal rest in the promise land of Canaan at age **127** (Gen 23:1-2); Isaac was finally married at **37** when Abraham was **137**.

➤ From Sarah's rest at age 127 in 2030 BC to promise year 2017 are 4,046 years

4,046 = 2 x 7 x 17 x 17 * **2017** is the **306th** prime number. **306** = 2 x "**153**"

"And the LORD said, Shall I hide from Abraham that thing which I do;" (Gen 18:17)

Below is an excerpt illustration from [Bible Gematria](#) that unveils graphic association between the Genesis 1:1 Triangle and 153.

In the 37th book of the bible, the prophet Haggai implores us to consider the 24 day of the ninth month Kislev in the year that the foundation was laid ([Hag 2:18-21](#)). When we consider 2011 as the year that the foundation eternity was laid, the 24th day of the 9th month would equate to 12/20/11.

➤ From Kislev 24 (12/20/2011) to Shavuot 5/31/17 are 1989 days

➤ From Kislev 24 (12/21/2008) when DOW crashed 777 points to 6/4/17 are 3087 days

$$3087 = 3 \times 3 \times 7 \times 7 \times 7$$

With the overwhelming prophetic infallible proofs uncovered by this watch over the past few years, one might expect that there would be many other sources collaborating the same date for 2017. However, without recognizing the biblical calendar of history, any of the scant references to 2017 is nothing more than vague guess work with no serious substance. The lack of a collective coalition doesn't at all diminish any of the emphatic proofs that God has so graciously provided. However, there is yet one profound prophecy for 2017 that has generated viral online-attention since the record year of the financial crash in 2008.

"The Internet Prophecy"

The dubbed *"Internet Prophecy,"* attributed to the 13th century writings of Rabbi Judah Ben Samuel was published for the first time in 2008, in the Christian/Messianic Magazine *Israel Today*, translated and summarized from the original German by Ludwig Schneider. Samuel was a highly respected mystic who studied gematria, astrology and Kabbalism, and is known for accurately predicting the political evolution of Jerusalem control for a span of 800 years beyond his death in 1217. Schneider's translated prophecy of Judah Ben Samuel is outlined and illustrated below:

1. *When the Ottomans conquer Jerusalem they will rule over Jerusalem for eight jubilees.*
 - *The Turks conquered and ruled Jerusalem from 1517 to 1917. (8 x 50 = 400 years)*

2. *Afterwards Jerusalem will become no-man's land for one jubilee...*
 - *The Turks were conquered by the British 1917. Jerusalem was mandated as no man's land under international law for 50 years until seized by Israel in Six Day War of 1967.*

3. *Then in the ninth jubilee it will once again come back into the possession of the Jewish nation - which would signify the beginning of the Messianic end time."*
 - *The end of the 9th jubilee at 1967 begins the tenth jubilee period for 1967 to 2017.*

Recognizing the ultimate timing of the end; “684” now comes to focus as the prophetic link between the beginning of creation 2701 (Gen 1:1) and the end-time numbers: *153 and 2017*.

$$2701 - 2017 = 684 = 153 + 531$$

Another key observation is **684’s** relevance to phi: “The totient function φ , also called Euler's totient function, is defined as the number of positive integers that are relatively prime to (i.e., do not contain any factor in common with) , where 1 is counted as being relatively prime to all numbers.”

$$\varphi(684) = \varphi(666) = 216 = 6 \times 6 \times 6$$

“**216**” holds the gematria value for “My Word” and the “Holy of Holies,” while being the border of the 73rd triangular number: “**2,701**.”

~ Rev 13:18 ~

Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number [is] **Six hundred threescore [and] six.**

$648 + 684 = 1332 = 2 \times 666$
 $648 + 18 = 666 = 684 - 18$
 $18 = 6 + 6 + 6$
 $684 + \text{mirror } 486 = 1170$
 $1170 = \text{“The Omega”}$
 $1332 = \text{Exodus } 20:1$
Ten Commandments Intro verse
 $153 + 513 = 666$
 $2701 - 2017 = 684 = 153 + 531$
 $684 = 6 \times 6 \times 19$
 $19 = \text{“The Earth”} \& \text{“He Shall Come”}$

“**The Number 19** (Physical Manifestation) is the Hexagon in the Hexagon/Star pair **19/37** which appears in the heart of Genesis 1.1 - the Creation Holograph.” (Bible Wheel excerpt)
