

~ One Final Word ~

In accord with the disciple's desire to know: "when shall these things be?" (Mat 24:3), *The Promise Studies* (formally "End Time Info") has trusted God in its discernment to uncover truth from any reliable source available to its disposal since its initial inspiration from the Family Radio "Biblical Calendar of History" preceding the jubilee year 1994. Such sources have included historical accounts from Josephus; such as the book of Maccabees, Enoch and the destruction of the temples, as well as rabbinic literature, diverse references, particular agriculture, astronomy (*opposed to astrology*) and the recent appreciation of gematria (*opposed to numerology*) through mainly the exhaustive material of the Biblewheel.com (*ignoring its liberal advertisements*). Any sound resource that could be biblically harmonized and substantiated was fair game to "Prove all things..." in the earnest search for prophetic truth and understanding. (1 Thessalonians 5:19-20)

It is truly a wonder how our immensely instrumental beginning and ending bible reference resources (*originators of Family Radio and Biblewheel.com*) today neither believe in time revelation nor the spiritual impact of judgment on May 21, 2011. Yet, in spite of their mutual retractions, the inspired persistent endurance of the *Promise Studies* at "yet7000years" has merged what it had already labeled "[A Foregone Conclusion](#)" with the well-established products of their work into amazing "[Prophetic Harmony](#)" – evidencing the power and sovereignty of God's hand in the affairs of mankind to accomplish the predestined outcome of His intended purpose.

The king's heart *is* in the hand of the LORD, as the rivers of water: he turneth it whithersoever he will. Every way of a man *is* right in his own eyes: but the LORD pondereth the hearts. {Proverbs 21:1-2}

For the scripture saith unto Pharaoh, Even for this same purpose have I raised thee up, that I might show my power in thee, and that my name might be declared throughout all the earth. {Rom 9:17}

For as the rain cometh down, and the snow from heaven, and returneth not thither, but watereth the earth, and maketh it bring forth and bud, that it may give seed to the sower, and bread to the eater: So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it. {Isaiah 55:10-11}

When contemplating our final time path of Sarah's life that unites with the Sabbath journey and 70 weeks of Daniel-9 being identified with "37," a distinct number of only ten that hold *star & hexagon* properties "**out of 200 trillion**;" there are no added proofs that can measure up or even necessary to persuade. (Luke 19:40) It would be blasphemy to be dismissive of this glorious phenomenon. As God declared in Habakkuk 2, it has become undeniably clear that the Lord's Word has **loudly spoken** to those waiting for it.

²Write the vision, and make *it* plain upon tables, that he may run that readeth it.

³For the vision *is* yet for an appointed time, **but at the end it shall speak, and not lie**: though it tarry, wait for it; **because it will surely come, it will not tarry**.

Anyone who cannot believe this would not believe even if they were to "...see the Son of man ascend up where he was before?" (John 6:62) As a matter of fact at the very Ascension before the final Sabbath journey to Jerusalem, the disciples asked "...will thou at this time restore again the kingdom to Israel?" (Acts 1:6) Although they could not know the times or the seasons then; today we have received the power to know through the Holy Spirit because we can trust that: "Surely the Lord GOD will do nothing, but he revealeth his secret unto his servants the prophets." (Amos 3:7) **ALL Glory to the Lord!**

Addendum

Below is a table of the Promise Studies' new application of gematria tied to the generations of Adam recently developed on yet7000years.com after pondering the fact that Enoch lived 65 years when he begot Methuselah, who lived the longest in the bible.

Name = Gematria Value	At Age	Bible Reference	Birth/Event	Years lived after	Prime Factors	Yrs Sum Total	Prime Factors

Isaac = 208				37	Gen 23:1	37	127 - Sarah rests
961 = 31 x 31	188		Total Row	38		227	Abraham @ 137

In the above table, there are a total of twelve generations that make up thirteen names with the inclusion of Sarah, the “mother of all nations.” Enoch is the “seventh” generation who will come with “10,000” saints as noted in the 65th book of the bible ([Jude 1:14-16](#)). The combination of the “7” and “10” points to the 70-day sabbath journey which gets “doubled” to 140 at the end (*from the Ascension to Tabernacles – 2013*). Up to the 7th generation of Enoch, we can view a doubling of “65” and “800” which means it “will surely come to pass.” ([Gen 41:32](#)) The number “300” stands out in the center of the table as the number of years Enoch “lived” with the Holy Spirit before he “ascended” into heaven.

In verse “65” of John 6 where many turn away when their faith is tested by the Ascension, Christ explains; “...that no man can come unto me, except it were given unto him of my Father.” The gematria value for verse 65 is “[8,304](#)”, which is also equated to John 10:40 where Christ escapes being stoned to the location of His baptism at the River Jordan after the division on the porch “outside” the Jerusalem temple on the Feast of Dedication. This is right after the non-elect had pressed Him to tell plainly...”How long dost thou make us to doubt?” (*doubt = airo: G142 - to lift up, G5590 - to breath*).

The last verse in the chapter is “71” (*gematria – “dove”*), which being made up of “16” words and “80” letters should strike terror in the heart of any defector who turns away. Twelve minus one equals “eleven” which relates to the “appearance” of God. ([Mar 16:14](#))

⁷⁰Jesus answered them, Have not I chosen you twelve, and one of you is a devil? ⁷¹He spake of Judas Iscariot *the son* of Simon: for he it was that should betray him, being one of the twelve.

Another long chapter exceeding 65 verses is found in Luke 1 where the angel Gabriel foretells of John the Baptist at the morning sacrifice. Verse 65 says: “And fear came on all that dwelt round about them:...” after Zacharias **wrote on a table** the name of John the Baptist and immediately praised God. The gematria value for Luke 1:65 is [10,324](#) (2 x 2 x 29 x [89](#)). A parallel passage with the same gematria value is Acts 4:4... “⁴Howbeit many of them which heard the word believed; and the number of the men was about [five thousand](#)” (10 x 10 x 50) or (8 x 25 x [25](#)). The next day....

⁵And it came to pass on the morrow, that their rulers, and elders, and scribes, And Annas the high priest, and Caiaphas, and John, and Alexander, and as many as were of the kindred of the high priest, were gathered together at Jerusalem. And when they had set them in the midst, they asked, By what power, or by what name, have ye done this? Then Peter, filled with the Holy Ghost, said unto them, Ye rulers of the people, and elders of Israel, If we this day be examined of the good deed done to the impotent man, by what means he is made whole; Be it known unto you all, and to all the people of Israel, that by the name of Jesus Christ of Nazareth, whom ye crucified, whom God raised from the dead, *even* by him doth this man stand here before you whole. **This is the stone which was set at nought of you builders, which is become the head of the corner.** Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved. Now when they saw the boldness of Peter and John, and perceived that they were unlearned and ignorant men, they marvelled; and they took knowledge of them, that they had been with Jesus. ¹⁴And beholding the man which was healed standing with them, they could say nothing against it. {Acts 4:5-14}

While verse 71 identifies with the power of the Holy Spirit “dove” and verse 72 (3 x 3 x 8) relates to the “promise”; verse “73” refers to God oath sworn to Abraham:

⁷¹That we should be saved from our enemies, and from the hand of all that hate us; ⁷²To perform the mercy *promised* to our fathers, and to remember his holy covenant; ⁷³**The oath which he sware to our father Abraham,**

The gematria sum value for verse “73” = 3,945 (15 x [263](#)). Out of five of its parallel passage equivalents, here’s one for the record:

⁴With thy wisdom and with thine understanding thou hast gotten thee riches, and hast gotten gold and silver into thy treasures: {Ezekiel 28:4}

Finally, the numerical value for the “last” verse “80” of Luke 1 is 9,295 (5 x 11 x 13 x 13) which reads:

⁸⁰And the child grew, and waxed strong in spirit, and **was in the deserts till the day of his showing unto Israel.**

One passage equivalent (value 9295) is for the above text is in Luke 22, verse “37”:

³⁷For I say unto you, that this that is written must yet be accomplished in me, And he was reckoned among the transgressors: **for the things concerning me have an end.**

As we draw near the promise of eternity, the spiritual communication between God and His chosen children of Israel has become ever so intimate, clear, distinct and mutually unlimited. Just as the Holy Spirit arrived at Pentecost, when the language barrier was broken, it yielded understanding:

⁵And there were dwelling at Jerusalem Jews, devout men, out of every nation under heaven. ⁶Now when this was noised abroad, the multitude came together, and were confounded, because that every man heard them speak in his own language. ⁷And they were all amazed and marvelled, saying one to another, Behold, are not all these which speak Galilaeans?

¹⁴But Peter, standing up with the eleven, lifted up his voice, and said unto them, Ye men of Judaea, and all ye that dwell at Jerusalem, be this known unto you, and hearken to my words: ¹⁵For these are not drunken, as ye suppose, seeing it is *but* the third hour of the day. ¹⁶But this is that which was spoken by the prophet Joel;

In the early days after the flood, the people had one language and began to construct a tower to boldly work their own way up to heaven.

And they said, Go to, let us build us a city and a tower, whose top *may reach* unto heaven; and let us make us a name, lest we be scattered abroad upon the face of the whole earth. And the LORD came down to see the city and the tower, which the children of men builded. And the LORD said, Behold, the people *is* one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do. ⁷Go to, let us go down, and there confound their language, that they may not understand one another's speech. ⁸So the LORD scattered them abroad from thence upon the face of all the earth: and they left off to build the city. ⁹**Therefore is the name of it called Babel; because the LORD did there confound the language of all the earth: and from thence did the LORD scatter them abroad upon the face of all the earth.** {Gen 11:4-9}

However in Haran, where Sarah temporarily lived till the age of 65 before moving on to Canaan, Jacob dreamed of a ladder that could reach into heaven and received a promise of the highest order spoke by the Lord Himself.

And he dreamed, and behold a ladder set up on the earth, and the top of it reached to heaven: and behold the angels of God ascending and descending on it. And, behold, the LORD stood above it, and said, I [am] the LORD God of Abraham thy father, and the God of Isaac: the land whereon thou liest, to thee

will I give it, and to thy seed; And thy seed shall be as the dust of the earth, and thou shalt spread abroad to the west, and to the east, and to the north, and to the south: and in thee and in thy seed shall all the families of the earth be blessed. And, behold, I [am] with thee, and will keep thee in all [places] whither thou goest, and will bring thee again into this land; for I will not leave thee, until I have done [that] which I have spoken to thee of. {Gen 28:12-15}

Today, anyone thinking this sworn oath of which God speaks is a hoax should consider the words of Peter long after he witnessed God's glory on the mountain with Moses and Elijah:

Moreover I will endeavour that ye may be able after my decease to have these things always in remembrance. For we have not followed cunningly devised fables, when we made known unto you the power and coming of our Lord Jesus Christ, but were eyewitnesses of his majesty. For he received from God the Father honour and glory, when there came such a voice to him from the excellent glory, This is my beloved Son, in whom I am well pleased. And this voice which came from heaven we heard, when we were with him in the holy mount. We have also a more sure word of prophecy; whereunto ye do well that ye take heed, as unto a light that shineth in a dark place, until the day dawn, and the day star arise in your hearts: Knowing this first, that no prophecy of the scripture is of any private interpretation. For the prophecy came not in old time by the will of man: but holy men of God spake as *they were* moved by the Holy Ghost. {2 Peter 1:15-21}

Prior to May 21, 2011 it was a common for those carrying the warning torch to not dare entertain any questions considering the possibility of an ongoing existence "if the end doesn't happen." So strong was the evidence that a bible guarantee was boldly stamped on the warning signs all over. Only those who held fast to the watch recognized that the continuance of evidence proved that God made good on His promise in shutting the door to salvation for the entire world. Yet as the harmonious proofs leading to our conclusion became greater and greater, it's puzzling that most of the onlookers dismissed a [timeline](#) circulation of 21 successive time paths from John the Baptist's announcement from Trumpets 9-28-29 AD that included an incredible 6-figure path ($723,996 = 2^2 \times 3^2 \times 7 \times 13 \times 13 \times 17$) to the 2011-Feast of Lights that could only have been fingered by the hand of God.

How could it be that the collection of onlookers grew satisfied with contradiction, confusion and may haps over the overwhelming substantiation and [infallible proofs](#) uncovered herein? The only difference between the drive of May 21, 2011 and after is in the "numbers." Unfortunately, people prefer to be in the "company" of numbers over the absolute power of numbers from God divinely entwined with the bible; where the likes of Noah, Lot, Jeremiah and Elijah prophesized alone. The Pharisees also chose not to be excluded from the group: "For they loved the praise of men more than the praise of God." (John 12:42-43, Jude 1:16). Many disciples too failed the test (John 6:62) of the Ascension from Trumpets 29 AD ($724,500 = 2 \times 3 \times 3 \times 7 \times 23 \times 50$) when Jesus explained that:

It is the spirit that quickeneth; the flesh profiteth nothing: **the words that I speak unto you, they are spirit, and they are life.** But there are some of you that believe not. For Jesus knew from the beginning who they were that believed not, and who should betray him. And he said, Therefore said I unto you, that no man can come unto me, except it were given unto him of my Father. **From that time many of his disciples went back, and walked no more with him.** {John 6:63-66}

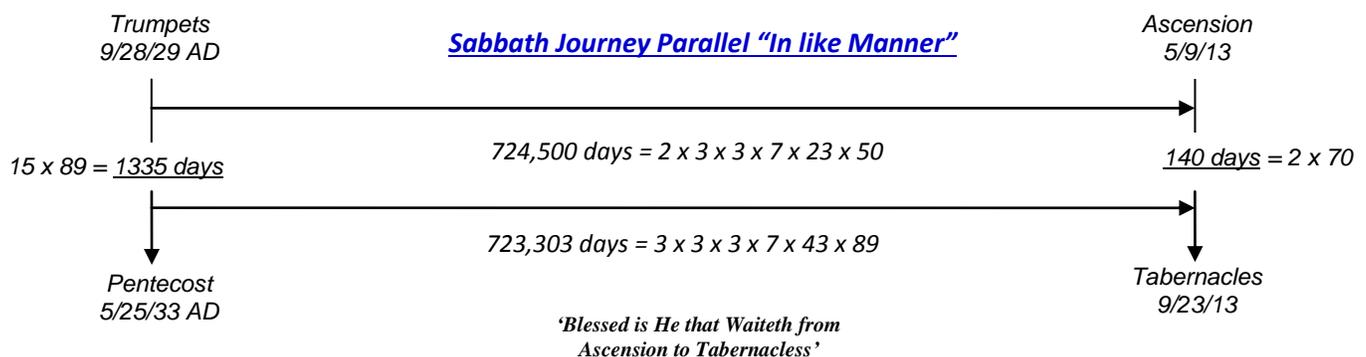

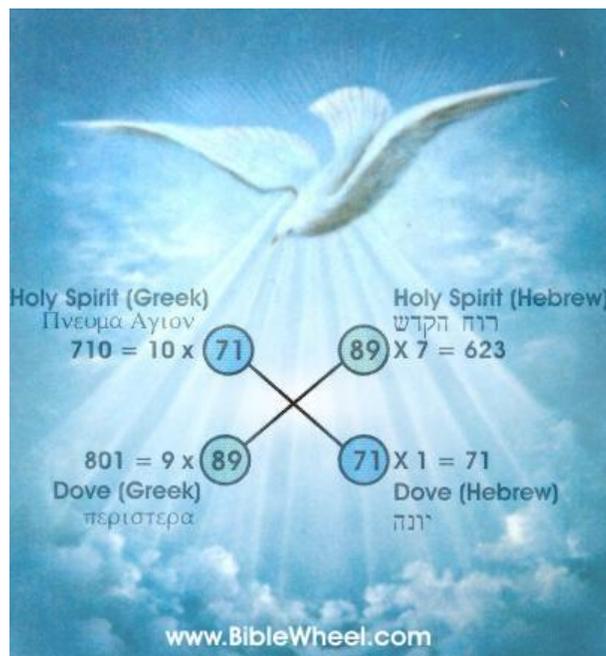

How amazing is it that it was the very gematria number of the Holy Spirit “89” that drew our attention to the secret world of gematria just only several weeks ago after we had already determined the [Foregone Conclusion](#)?

Now that we can see the spiritual parallel between “*Trumpets to Pentecost*” and the “*Ascension to Tabernacles*,” let us reconsider the spiritual numbers factor in the 1,335 days.

$$1,335 = 3 \times 5 \times 89$$

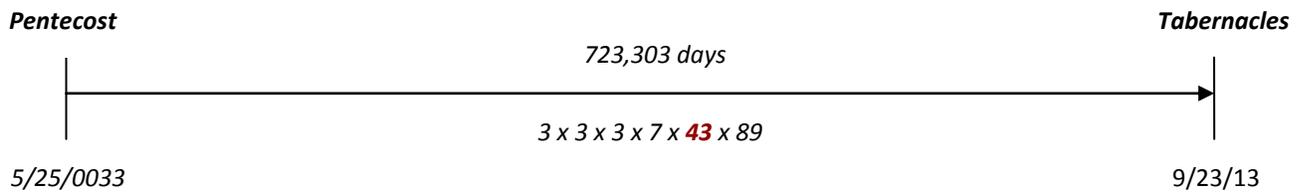

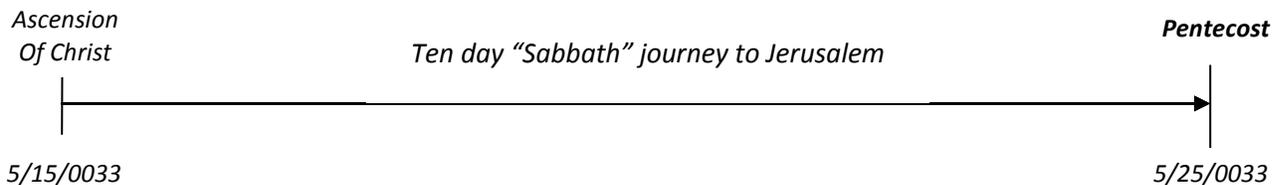

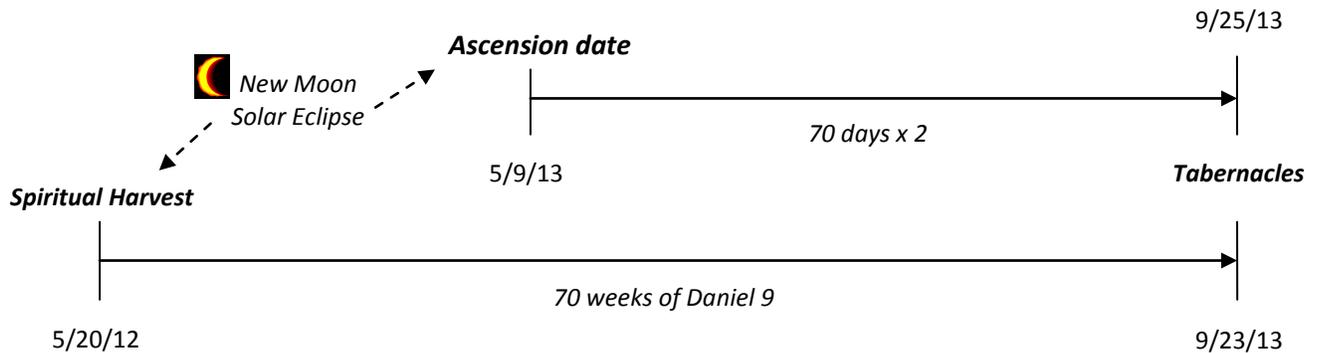

With “3” meaning “purpose” and “5” signifying “redemption,” 89 is a prime number which we have not yet explored. When searching for the significance of the number 89, it would behoove to discover that according to gematria calculations; “89” is equivalent to the word “dove.” The dove represents the Holy Spirit at Trumpets, Pentecost and our final Sabbath day journey leading Tabernacles at the end! Additionally, the number “15” (3 x 5) is the gematria of God’s name Kah (Exodus 15:2 & 17:16).

While we are now clear that the number “89” is the sum value for Holy Spirit, and “71” is the sum value for dove; there was no doubt of the biblical [interrelationship](#) between the two as illustrated in the *Biblewheel* diagram below:

As powerful as the 724,500 time path to the Ascension date (*May 9, 2013*) that leads us to the final Sabbath journey is; its parallel equivalent *Spiritual Harvest* date (*May 20, 2012*) 365 days from May 21, 2011 is divinely expressive also. Both dates fall on the rainbow dry-land anniversary 27th day of the 2nd month and incredibly matches the two New Moon – Solar Eclipses (*May 20, 2012 & May 9, 2013*) one year apart. Significantly, like the Ascension date - 2013, a Sabbath journey is applied from the Spiritual Harvest (5/21/12) date to meet at the Feast of Tabernacles “70 weeks” (490 days) ahead. This means that both paths are identified with the “time of life.” The doubling up of the two Sabbath journeys means that the thing which is established by God will shortly come to pass.

~ The Time of Life ~
 (490 = 7 x 7 x 10)

Anyone understanding the 724,500-day correlation between Trumpets 29 AD and Ascension date 2013, should anticipate a spiritual connection from Pentecost 33 AD to Tabernacles 2013. While the gematria value for “according to the time” equals 490 for “complete perfection;” the gematria equivalent for the number “43” is the “**greatness of the Lord**” and “**exceeding joy!**”
