

## Prophetic Harmony

Last year after following Noah 365 days from spiritual judgment 5-21-11 to May 19, 2012 the dry land date (27th day of the 2nd month) ; we observed the rare New Moon - Solar Eclipse on the third day 5/21/12 and equated it to the sign of the rainbow where God remembered his covenant with Noah 365 days after the flood (Gen 9:13-17), and reaffirmed it again to Abraham and Sarah to be manifested through the birth of their son Isaac at the same "...set time in the next year..." after the sign of the rainbow. (Gen 17:19-21)

The previous occurrence of the New Moon - Solar Eclipse was May 10th in the fiftieth (50) jubilee year 1994 when the alarm from the same biblical calendar first sounded on the Feast of Trumpets 9/6/94. In both years 1994 and 2012, the Feast of Trumpets fell exactly 17 weeks from the New Moon - Solar Eclipse. Because at Jacob's well of inheritance in John 4:35, Christ admonished us not to think that there were four months till a harvest of Trumpets in September; we appreciated that the Spiritual Harvest had already begun on the pivotal rainbow date - May 21, 2012. Still watching after surpassing the Feast of Trumpets (Sept. 16, 2012), we realized that the next 15 days to Tabernacles (Oct 1, 2012) related to the 15 furlongs from Bethany to Jerusalem (John 11:18) because it was also exactly 500 days from Spiritual Judgment - 5/21/11. Since the Ascension occurred in Bethany (Luke 24:50-52), we deduced that the 15 furlongs identifies with the final Sabbath journey the disciples took to Jerusalem at Pentecost immediately after Christ ascended from the Mount of Olives. (Acts 1:11-12) We can therefore equate the Feast of Trumpets to the Ascension, and the promise of Pentecost to the Feast of Tabernacles.

Because we are now well aware that there were 1,335 days from Trumpets 9/28/29 AD to the first Pentecost 5/25/33 AD, we can justly translate Dan 12:12 to mean: '*Blessed is he that awaits the final Sabbath journey from the Ascension to the Feast of Tabernacles.*' Similarly "in like manner," from the New Moon - Solar Eclipse Ascension date May 9, 2013 (dry land date - 27th day of 2nd month) our final Sabbath journey time-paths have led us to the ultimate Tabernacles of promise only days ahead. In John 6:61-64, Christ also tell us that those who can't believe or relate to His ascension cannot know of His return.

In our recent Promise study # 32 "*The Sign of His Coming,*" we associated the dove that Noah sent out three times for seven days with the three Sabbath journeys it has taken us to recognize Tabernacles as the end of the world. On the second trip the dove returned with an olive leaf as a sign that his exit to dry land was near. 70 days from the May 9th Ascension date, Tisha B'Av (7-16-13) being 10 degrees (weeks) before the end was our sign to know when to go up to the house up to the house of the Lord (2 Kings 20:8-11). This was our 2nd Sabbath watch from the first, which led to Shavuot / Pentecost (5-15-13) - seven days from May 9, 2013. Tisha B'Av was the date Christ prophesized in response to the inquiring disciples as "the sign" of the end of the world on the Mount of "Olives." (Mat 24:3) The third and final Sabbath journey to Tabernacles from May 9, 2013 also coincides with our Sabbath journey from the beginning of the Spiritual harvest (5-21-12) - being 70 weeks to the middle of Tabernacles 9-23-13, which solved the 70 weeks of Daniel 9:24. This relates to the 3rd trip when Noah's dove "returned not again..." (Gen 8:12)

Before the "three" disciples "ascended" into a cloud (Luke 9:34) on the Mount of "Transfiguration," Peter wanted to build "three Tabernacles." Not realizing that he was placing man equal to God, Peter also had no idea that the "three" Tabernacles was God's "purpose" in pointing us to the very feast that would be the end of the world. However, by the end of the Sabbath journey when Pentecost was fully come; Peter was fully aware when he stood up and cried just as Christ did on the last day of Tabernacles (John 7:37).

<sup>16</sup>But this is that which was spoken by the prophet Joel; And it shall come to pass in the last days, <sup>19</sup>...I will show wonders in heaven above, and signs in the earth beneath; blood, and fire, and vapour of smoke: The sun shall be turned into darkness, and the moon into blood, before that great and notable day of the Lord come: {Acts 2:16- 20} (Joel 3:13-16)

Now that we can see the spiritual parallel between "*Trumpets to Pentecost*" and the "*Ascension to Tabernacles,*" let us reconsider the spiritual numbers factor in the 1,335 days.

$$1,335 = 3 \times 5 \times 89$$

With "3" meaning "purpose" and "5" signifying "redemption," 89 is a prime number which we have

not yet explored. When searching for the significance of the number 89, it would behoove to discover that according to gematria calculations; “89” is equivalent to the word “dove.” The dove represents the Holy Spirit at Trumpets, Pentecost and our final Sabbath day journey leading Tabernacles at the end! Additionally, the number “15” (3 x 5) is the gematria of God’s name Kah (Exodus 15:2 & 17:16).

You may be wondering....What in the world is “gematria?” Gematria is a traditional Jewish system of assigning a numerical value to a word or phrase to uncover hidden or symbolical spiritual meaning. For example the first Hebrew letter “aleph” is valued at 1, the second letter “bet” at 2, the third letter “gimel” at 3, and continues as such through the 22 letter alphabet. The presumption behind this practice is that the numerical equivalence to words is not coincidental since the world was created through the “Word” of God (John 1:1-4). Each letter holds a sequential value that totals to the sum of a particular word or phrase. The result enhances spiritual understanding and harmony of interrelationships consistent between words, numbers, concepts and ideas. While this system has been studied for some 2000 years, only the advancement of technology has caused some bible believers to appreciate its spiritual edification. Below is a gematria table of prophetic numbers that merge and collaborate with Promise study conclusions.

Based on the conclusions derived from the Promise studies, the gematria references to Pharaoh’s dream coming “to pass at the end of two full years” = 1600 (*sickle time - Rev 14:15-20*), both “rainbow” & “two years” = 800 (*eternity*) and “dove” = 89 (*promise*) is nothing short of the amazing love and sovereignty of God. Due to its comprehensive objective biblical application, most of the gematria links in the above table are provided from the [BibleWheel.com](#) which is proven out to be a reliable bible resource. We can view gematria as a window to behold another dimension of God’s infinite wisdom to enhance our spiritual understanding and conviction in His Word. All glory, praise and thanks to God who faithfully keeps His “Word” as promised! At “...the end [it shall speak](#), and not lie...[wait for it, because it will surely come \(gv = “80”\)](#), it will not tarry.” (Hab 2:3)
