

### The Return of "ISON"

❖ [Gematria 101](#)

❖ [Bible Wheel?](#)

❖ [The Key - 66](#)

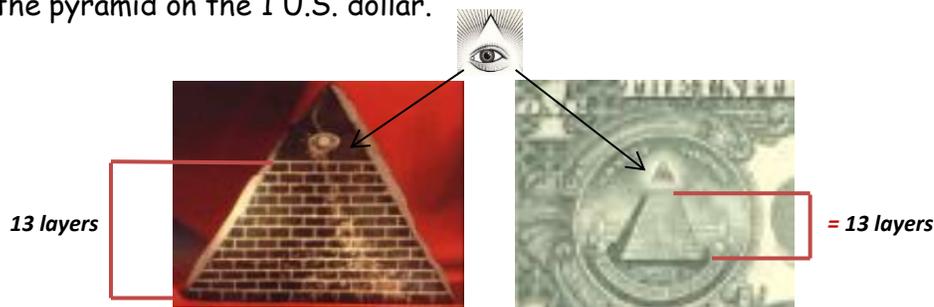

While the world chooses to remain in darkness, the once-in-77,000 years [Thanksgivukkah comet ISON](#) continues to [dazzle](#) the imagination. After it was deemed to completely fizzle out two years ago at its perihelion in 2013; comet ISON [confounded](#) the experts with a [brief flare](#) to place [in doubt](#) their disintegrating declarations. When the results of their [reports](#) were published late in 2014, astronomers attempted to explain away the magnitude and brightness of the delayed departing reappearance as an illusion of "[orbital dynamics](#)."

Jessie Waltman of *BP EarthWatch* revealed that ISON traveled in a [mysterious tri-formation](#) (8/18/13), and had remained intact in his [update](#) a week beyond perihelion on December 4, 2013. Darkskywatcher74 (aka "Tree of Might") had [similar observations](#) of the comet's survival on December 6, 2013. Now two years later there's growing anticipation that the comet is about to return right on target "at the end of two full years" - December 2015 just like Joseph's dream interpretation ([Gen 41:1](#)) which led to his [reward](#). Here's a quote from [Galactic Connection](#):

*"Remember the passage of **Comet ISON** in November 2013? It's coming back after having done a quick U-turn, probably around the Brown Dwarf (a star) already in our solar system, and **will be back sometime before the end of this year** – dates vary between videos, with Earth's passage through its tail either in January or earlier."*

An anonymous source from NASA conveys a connection between ISON and the ancient [Seeing-Eye](#) pyramid through a [YouTube video](#) by self-proclaimed "spiritual archeologist" [Klaus Dona](#):

This is the so-called pyramid with the shining eye. Even Tim used it for his new best seller. So it means it is a very very famous but also very very old symbol, and this is the only existing really pyramid with the eye. It has exactly thirteen steps like the pyramid on the 1 U.S. dollar.

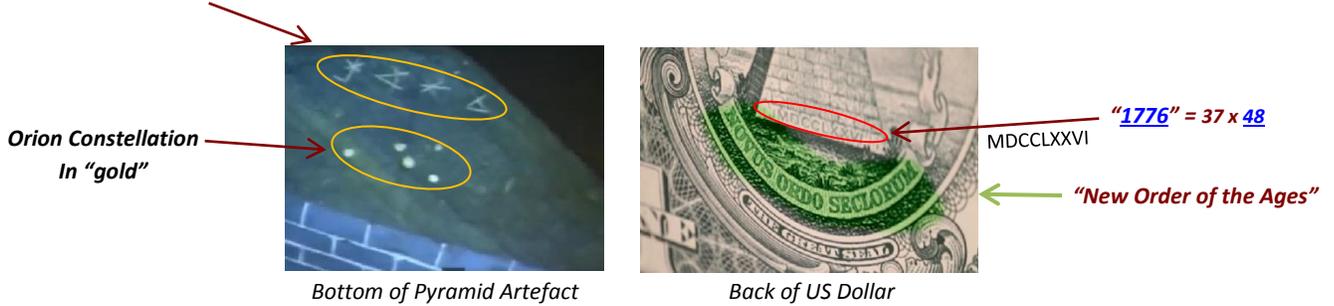

The strange thing with this one, and other artefacts found in Ecuador, that if you put black light on it, the eye shines really very very strong, and the natural color is kind of light green and grey. **And the most impressive for me was that on the bottom of the pyramid, you have, here, in gold inlays the Orion constellation**

and an unknown writing. This unknown writing be found on stones all over the world. In Ecuador, in Columbia, in Illinois, in -1m34s- France, in Calabria Italy, in Turkmenistan, in Malta, and Rex Kilroy has some pictures on his website, and I found out that some of the stones, he shows, with unknown writing, presents the same writing. That means there must have existed a global civilization long long time ago.

And there was only one man able to translate this language, Professor Kurt Schildmann, and he was President of the German Linguistic Association. He spoke and wrote more than forty languages perfect, and he could translate this writing, and he called it "pre-Sanskrit", because it's older than the oldest writing, and the translation of these four letters on the bottom of the pyramid was "The Son of the Creator comes."

\*\*\*\*\*

The fact that the word "Orion" (Keciyl) relates to the month of "Kislev" harmonizes perfectly with Haggai's precise timing when the glory of the Lord will be revealed and the heavens and earth will shake (Hag 2:18-21). Now "here is wisdom" (Rev 13:18) that the *Promise Studies* learned from the Word about the "foolishness" of Solomon's worldly priorities in route to the *Sabbath Journey* towards the 666<sup>th</sup> day to Shushan Purim - March 6, 2015:

Now the weight of gold that came to Solomon in one year was **six hundred threescore and six talents of gold** {1 Kings 10:14} (Gold is the world's #1 precious metal)

**Consider the lilies how they grow: they toil not, they spin not; and yet I say unto you, that Solomon in all his glory was not arrayed like one of these.** If then God so clothe the grass, which is to day in the field, and to morrow is cast into the oven; how much more [will he clothe] you, O ye of little faith? And seek not ye what ye shall eat, or what ye shall drink, neither be ye of doubtful mind. For all these things do the nations of the world seek after: and your Father knoweth that ye have need of these things. **But rather seek ye the kingdom of God; and all these things shall be added unto you.** {Luke 12:27-31}

Recall that "Shushan" (H7800) and "lily" relates "to the pure in heart" and "what is white from the root." While on the otherhand, "...the love of money is the root of all evil." {1 Tim 6:10}

From our study of [Purim](#), we found it puzzling that the hero and heroine of the story had dubious names. While the “star” ([H635](#)) [Esther](#) was derived from the Venus goddess [Ishtar](#) , “[Mordecai](#)” (“worshiper of Mars” - [H4782](#)) is understood to mean servant of a Babylonian god [Marduk](#). The stark irony of the story is resurfacing in once again in hidden secrets found in the realm of false gods shrouded behind the mystical world of power, wealth and mythology. Below is an excerpt analysis on the Sumerian gods as enchanted by the underworld. Like the message of Purim, this synchronized irony underscores God’s sovereign control over the affairs of man.

### **[Pentagon Secret](#) - “[The Anunnaki are Returning](#)”**

*by Gregg Prescott, M.S.Editor, [In5D.com](#)*

The Anunnaki may be returning to Earth according to one recent interview from a man with insider Pentagon sources.

According to [Stan Deyo](#), the [buzzword](#) around the Pentagon is that the Sumerian Gods are returning back to Earth.

#### **Anunnaki Ties to Comets ISON and Encke**

With two well-known celestial objects on the horizon, one must question why the comets ISON and Encke were given those particular names.

The word “on” is associated with the word An (pronounced “on”), as in Anunnaki, and one of their leaders, Anu (ON-nu). The prefix for ISON would be IS, as in Isis who is the same character in folklore as Inanna and the Sumerian Goddess, Ishtar. So, if you separate the word ISON to become IS + ON, you get Ishtar, of the Anunnaki.

[Comet Encke](#) is much more obvious to those who have studied the Anunnaki. Enki (as in comet Encke) was a Sumerian God who was later referred to as Ea (as in why our planet is called Earth). Enki was the deity of crafts, mischief, water, seawater, lake water, intelligence and creation.

#### **Western Sky UFO = Anunnaki?**

Many people are looking toward the western skies at an anomaly we can only call a UFO, as there are no major stars or planets in this particular area of the sky, according to the cellphone app, SkEye or Stellarium. Some believe this UFO may possibly be a Pleiadian or Arcturian ship but it is also possible that it might be the return of the Anunnaki.

As evidence from many reports and videos from all around the globe, this UFO changes color and size. Various sacred geometry shapes can be detected from this UFO and the colors will change intermittently.

If this UFO is the Anunnaki, expect all governments to ensure that a new star will be placed on SkEye and Stellarium applications to cover up the fact that we are not alone in this galaxy or universe.

For some people, this will be too much for them to swallow. Others will deny what is happening but for those who have the capability to look outside the box, all possibilities exist without fear or apprehension.

## Systems of Control

Governments rarely tell us the truth and cover their trails with the excuses of the information being “confidential” or a “security risk” so it is quite possible that most governments know about the return of the Anunnaki, yet fear telling the people because it would collapse their economic slave systems and world religions as we know them.

A thought to ponder comes from the Christian bible, King James Version.

In Genesis 1:26, it states, “And God said, Let us make man in our image, after our likeness...”

One must question why it says “let US make man in OUR image”. If there was one god, then should it read, “And God said, Let ME make man in MY own image”.

Is it possible that the bible was written by the Anunnaki and designed to control man through fear? After all, religion = subservience, control and conformity, which is the same template as EVERY government.

For the record, the King James Version of the Bible was edited by Sir Francis Bacon, who was a 33rd degree Freemason. At this level of freemasonry, there is a motto of “ordo ab chao” which means “order out of chaos”. The bible ends in chaos with the chapter called Revelation.

## Gold Slaves

In the Sumerian tale, Enki disobeyed his father, Anu, and loved the human creations. Enki and Anu have been at war ever since this betrayal. Anu was one of the “creator gods” who manipulated our DNA to make us slave workers who would mine the gold on this planet for the Anunnaki. This is most likely the reason why the Roman Catholic Church is in possession of so much gold. According to one source, it is estimated that the RCC owns 60,350 metric tonnes of gold.

If you look at the pyramid on the back of the US Dollar, you will see an “all seeing eye”. Is it possible that the entity (or entities) at the top of the pyramid are the Anunnaki and have kept us as economic slaves for thousands of years? ....

\*\*\*\*“End of Excerpt of “Pentagon Secret”\*\*\*\*

Without the light of the Word, the esoteric revelations are confounding the world in fear just as in Shushan Purim when the wicked Haman unknowingly set the date against his own head ([Est 3:7](#)) and the people of the city were perplexed before the pending doom soon to fall upon them.

**The copy of the writing for a commandment to be given in every province was published unto all people, that they should be ready against that day.** The posts went out, being hastened by the king's commandment, and the decree was given in Shushan the palace. And the king and Haman sat down to drink; **but the city Shushan was perplexed.** {Esther 3:14-15} ([Esther 8:13](#))

And Moses went down from the mount unto the people, and sanctified the people; and they washed their clothes. And he said unto the people, **Be ready against the third day:** come not at [your] wives. **And it came to pass on the third day in the morning, that there were thunders and lightnings,** and a thick cloud upon the mount, and the voice of the trumpet exceeding loud; so that all the people that [was] in the camp trembled. {Exo 19:14-16}

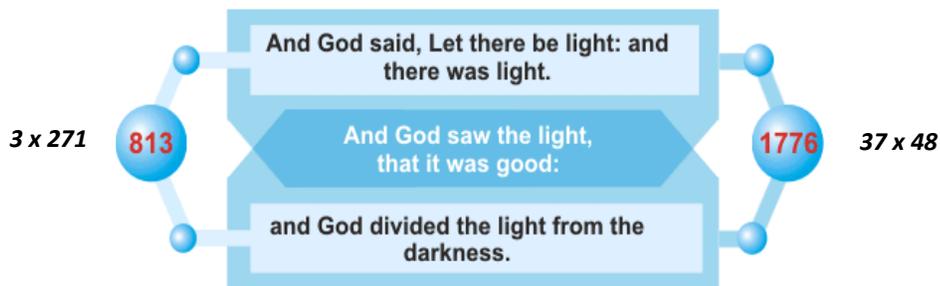

As the fulfillment of Christ’s 2000-year prophecy, 1948 without question was the alarming year that the entire world was placed on notice as the last generation. With the generation dwindling down 63 years later, the renewed mass warning leading up to 5/21/11 may have very well matched the global shock waves reached at the rebirth of national Israel. For all intent and purposes, 2011 was the ominous judgment depicted by the flood when God shut the door to salvation on the world. Those who became saved taking heed to the warning were likened to God’s people being brought out of Egypt in 1447 BC. It’s no coincidence that 1447 times 9 (3x3) equals 13,023, the total number of years from creation to 2011. The Lord’s reference to the exodus of Egypt introduces the Ten Commandments. The first seven words of the passage consist of 28 letters matching creation addressed in [“The Amazing First Verse of the Bible.”](#)

**And God spake all these words, saying, I [am] the LORD thy God, which have brought thee out of the land of Egypt, out of the house of bondage. Thou shalt have no other gods before me.** {Exo 20:1-3}

Just as ISON connected America’s Thanksgiving with Israel’s Hanukkah in 2013; Israel’s rebirth of 1948 reflects America’s national independence in 1776, which is memorialized at the base of the pyramid on the US dollar bill. **“1776”** is the gematria value for **“prophecy”** and relates to the **“Creation of light,”** which the *Bible Wheel* illustrates its integration with **“813”** in Genesis 1:3:

The Number 1776
<i>Lord of the Sabbath. [Mk 2.28]</i>
<i>And God said, Let there be light: and there was light.</i> <i>And God saw the light, that it was good: [Gen 1.3]</i>
<i>And God saw the light, that it was good: and God</i> <i>Divided the light from the darkness. [Gen 1.4]</i>
<i>and they shall call thee, The city of the LORD,</i> <i>The Zion of the Holy One of Israel. [Is 60.14]</i>
<i>The Beloved, In you I am well pleased [Lk 3.22]</i>

The Number 813
<i>And God said, Let there be light: and there was light. [Gen 1.3]</i>
<i>And God divided the light from the darkness [Gen 1.4]</i>
<i>And God said, Let us make man [Gen 1.26]</i>
<i>Priest of the Most High God (Full)</i>
<i>The Ark [Gen 6.14]</i>
<i>The Darkness (Sof) [Gen 1.4]</i>
<i>You are cursed [Gen 3.14]</i>

The words "[New Order of the Ages](#)" written in Latin below the Roman numerals describes the restoration of the kingdom prophesied in scripture ([Isaiah 9:6-8](#)). The first Thanksgiving in America was in dedication of the new world discovery in 1492, which was timed within a rare tetrad like years 70 AD (2<sup>nd</sup> Temple destruction), 1948 and 2015. The New World soon to come in 2015 is 523 years from 1492. According the *Bible Wheel* excerpt below, "[523](#)" (similar to 23 & 401) coincides with the "letter" of the "**Word**" from the **beginning to the end**:

**[GR] > The Number 523 - Alphabet, Aleph and Tav**

Therefore the Lord himself shall give you a sign; Behold, a virgin shall conceive, and bear a son, and shall call his name **Immanuel**.

Isaiah 7.14

Behold, a **virgin** shall be with child, and shall bring forth a son, and they shall call his name Emmanuel, which being interpreted is, God with us.

Matthew 1.23

The idea of spelling a word in full follows very naturally from the structure of the Hebrew language where each letter has a name full of meaning and implication. Thus, the name of the Alphabet is simply the full spelling of the first two letters, Aleph Bet. This coincides exactly with the Hebrew phrase "Aleph and Tav" which spans the Alphabet from beginning to end:

<b>Alphabet</b>	<b>Aleph and Tav</b>
אלף בית	אלף ותו
= 523 =	
<b>Alephbet</b>	<b>Aleph V'Tav</b>

This is another example of the supernatural self-reflective integration of the Hebrew alphabet. We can interpret the name of the Alphabet as the word אב (Av, Father) spelt [full](#) - which then associates the Aleph and Tav with God the Father. Av is the first word of the Hebrew language - the Word is designed to glorify God the Father!

The Number 523 is prime. God used it in designing His prophetic Name Emmanuel which occurs in Scripture only in conjunction with the Virgin Birth. The Greek word used in both Matthew 1.23 and the Septuagint version of Isaiah 7.14 is parthenos, which coincides exactly with the value of Emmanuel spelt full.

<b>Emmanuel</b>	<b>The Virgin</b>
עמנואל	= 523 = η παρθενος
<b>Ayin Mayim Nun Vav Aleph Lamed</b>	<b>He Parthenos</b>

The resonance with fundamental theology shines brilliantly. Emmanuel is the Aleph and Tav (Eternal God) born to the Virgin. This conclusion is amplified beyond measure in the identities linking Emmanuel to the Divine Titles I AM THAT I AM (GR [543](#)) and God Most High (GR [197](#)).

The Full spelling of a word carries the connotation of the fullness of the idea conveyed by the word. Thus, in the fullness of Time - when we come to Tav on God's Clock - we will see God face to face and call him Atoh - THOU. This is encoded in a series of identities: First, we have the full spelling of the Letter Tav, (i.e. its name) Tav. This coincides with the value of Atoh, (Thou):

$$\begin{array}{rcc} & \text{Atoh (Std)} & \\ \text{Tav (Full)} & = & \text{אתה} \\ \text{תו} & = 406 = & \text{Aleph V'Tav} \end{array}$$

It is in the fullness of Time, at the resurrection in the End of Days, when every Knee shall bow to the name of the Lord Jesus Christ.

Significantly, “813” holds the numeric value for the sign of “circumcision” (established with the promise of Isaac) and is 3 times divisible by 271, the Tenth Hexagon number paired in the heart of the 10<sup>th</sup> Star symbolic star of Israel 541, “The Commandments” and “Stone Tablets.” “271” is intimately related to the “Spirit of God,” “The First Day” and the square of 37.

As promised, God promised Abraham from "The Birth of Isaac" to his marriage at Sarah's rest in the land of Canaan (2060 BC); "the time of life" at the end is featured by the number 37 just as it was in the beginning with the first verse of the bible ( $37 \times 73 = 2701$ ). The gemetria for the first two verses in the bible point to the third verse, the creation of light.

Again the creation of light in 813 and the year of Independence for 13 US colonies of 1776 are intimately connected:

Below is a *Bible Wheel* table dividing the first day verses of [Genesis 1:1-5](#) in eight sequential grammatical parts. You will find that only the value 813 stands out twice "...because the thing [is] established by God, and God will shortly bring it to pass." ([Gen 41:32](#))

ID	Value	Text
G1	1998 <i>666 x 3</i>	In the beginning God created the heaven

G3	2177	And the earth was without form, and void; and darkness was upon the face of the deep.

G5	813	And God said, Let there be light: and there was light.
G6	963	And God saw the light, that it was good
G7	813	and God divided the light from the darkness
G8	2141	And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day.
Total: 10977		= 3,659 x 3

Both the creation and separation of light from darkness ([John 3:19-21](#)) are contained in the dual parts of 813. When you divide the total value 10,977 of the first day passages by 3, the result is [3,659](#), which holds the value for the day when Noah's ark rested on Mount Ararat:

And the ark rested in the seventh month, on the seventeenth day of the month, upon the mountains of Ararat. {Gen 8:4} ("Ten" verses further = [Gen 8:14](#), Dry land - Iyar 27)

The Strong's reference for [H3659](#) is "Coniah," which means "Israelite king" and "Jehovah will establish" just as the *Wonderful Counselor Palmoni* ("[Numberer of Secrets](#)") prophesized [100](#) "King of Israel" x [23](#) "live" when He "answered" the question of the saint in Daniel [8:13](#):

Then I heard one saint speaking, and another saint said unto that certain [saint] which spake, **How long [shall be] the vision [concerning] the daily [sacrifice], and the transgression of desolation, to give both the sanctuary and the host to be trodden under foot? And he said unto me, Unto two thousand and three hundred days; then shall the sanctuary be cleansed.** {Dan 8:13-14}

"[276](#)" (12 x 23) is the [23<sup>rd</sup> triangular number](#) and the final time path that followed [666 days](#) from [Shushan Purim 3/6/15](#) to complete the *Sabbath Journey* of [942 days](#) (666 + 276; 3 x 314) to the end. Like "[523](#)," the number "[23](#)" relates to **Aleph and Tav**, the entire Word of God from beginning to the end. ([Rev 21:6-7](#), [22:12-14](#)) Further relevance of the number "[23](#)" with respect to our timeline can be found in the previous *Promise Study* on "[Man-ning the Ship](#)."

As noted, the first verse of the Creation and the first verse of the Commandments each consist of **7 words and 28 letters**. The Ten Commandments were given as a gift which God spoke to represent the covenant or promise of His word. Each of the two verses includes the hidden untranslated Hebrew word "eth" for "sign." This means that from the very beginning God created the "signs" of the heavens and the earth, which is made clear in the book of Psalms.

The heavens declare the glory of God; and the firmament sheweth his handywork. Day unto day uttereth speech, and night unto night sheweth knowledge. [There is] no speech nor language, [where] their voice is not heard. **Their line is gone out through all the earth, and their words to the end of the world.** In them hath he set a tabernacle for the sun, Which [is] as a bridegroom coming out of his chamber, [and] rejoiceth as a strong man to run a race. His going forth [is] from the end of the heaven, and his circuit unto the ends of it: and there is nothing hid from the heat thereof. {Psalms 19:1-6}

He also spoke in the *sign* of the Ten Commandments. Now that all the signs have expired, we can subtract the value 401 of the untranslated sign from the creation verse to get the same answer (2701 - 401 = **2300**) of the saint in Daniel **8:13**. The total value of Exodus 20:1 is 1332, which is the double of 666. "1332" minus 401 equals 931. "931" breaks down as 7 x 7 x 19. "**19**" is the hexagon number of "**physical manifestation**" found in "**The Heart**" of the 37 wisdom star in Genesis 1:1. "19" holds the gematria value for "gold," "feast," "the earth," "the heart," "alas," "behold" and "**He shall come.**" This will be 19 weeks (37% of the year) from Tisha B av (7/25/15) and 37 weeks (71% of the year) from the Solar Eclipse - Equinox - Super moon (3/20/15)."

***“Let there be light and there was light”*** (Gen 1:3)

As illustrated in the matching words and letters, The Ten Commandments connects the written and spoken word of God. A site called the [Nazarene Space](#) comprehends the oral portion of the word as its interpretation or understanding of the writing (*instruction*), and uncovers a harmonious [gematria](#) calculation:

The gematria for “Written Torah” שְׁבַע־תּוֹרָה = **1,335**

The gematria for “Oral Torah” פה שבעל תורה = **1,098**

Therefore, the combined gematria for “Written Torah” and “Oral Torah” is **2,439** (1335 + 1098 + 6) when adding a six 6 (I) ([Vav](#)) to connect the two phrases.

[יהוה](#) - The letter **I Vav** is a connector; it makes a connection, a bond. **Vav** is a channel, the means through which forces go from one place to another. **This is why aside from being a letter and the number six, Vav is also the Hebrew word for “and.”** Of course, in any sentence the word “and” is a connector, a bridge...In Hebrew, “and” is a I ([Vav](#)).

$$2,439 = 3 \times 813 = \text{Gen 1:3} = 6 \times 271$$

**“1335”** holds the value for *“His understanding is infinite!”*, and is associated with **the blessed who waits** ([Isaiah 30:18](#)) till *“the time of the end”* for understanding as written in the books of Daniel 12 and Matthew **13:35**:

And I heard, but I understood not: then said I, O my Lord, what shall be **the end of these things?** And he said, Go thy way, Daniel: for the words are closed up and sealed till **the time of the end**. Many shall be purified, and made white, and tried; but the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand. And from the time that the daily sacrifice shall be taken away, and the abomination that maketh desolate set up, there shall be a thousand two hundred and ninety days. **Blessed is he that waiteth, and cometh to the thousand three hundred and five and thirty days.** But go thou thy way till the end be: for thou shalt rest, and stand in thy lot at **the end of the days**. {Dan 12:8-12}

That it might be fulfilled which was spoken by the prophet, saying, I will open my mouth in parables; **I will utter things which have been kept secret from the foundation of the world.** {Matthew **13:35**} ([Psalm 78:2-4](#))

$$2,439 \text{ minus } 1,335 = 1,104 = 276 \times 4$$

**“1104”** breaks down to **48 x 23** and is the numeric value for *“As the light of seven days”* and *“God the Son,”* which is linked to **363** (*Ordinal Value of Acts 27:37*) and **1010** - *“According to the order of Melchizedek”* ([Heb 6:13-20](#)) who *“when he is come, he will tell us all things.”* ([John 4:25f](#))

**The LORD hath sworn, and will not repent,** Thou [art] a priest for ever **after the order of Melchizedek.** {[Psalm 110:4](#)}

Through comet ISON which came **37,814 days** (2 x 7 x **2,701**) after [Comet Halley 1910](#), God dramatically underscored the connection between *Thanksgiving* and the *Feast of Lights*. From the [First Customary Thanksgiving - Thursday 11-25-1621](#) to [Haqqai 2:18f](#) are **143,906 days**.

$$143,906 = 2 \times 7 \times 19 \times 541 \text{ “Tenth Star of Israel”}$$

While the breakdown of the *Sabbath Journey* as  $3 \times 314$  is huge pointing to Exodus 3:14, the value of **543**, where God identified Himself to Moses as **"I AM THAT I AM"** at the burning bush; one might suspect something distinct about the number 942. However, after an online search, it takes [English gematria](#) to find the value 942 matching ["United States"](#) and ["The Final Conflict"](#) in harmony with our studies. "942" is also the English gematria for the very [first sentence](#) for the book *"Mein Kampf"* where Hitler refers to the fate of his birth. ([Exo 9:16](#), [Rom 9:17](#))

*"Today it seems to me to be providential that Fate should have chosen Brauneu on the Inn as my birthplace."* [Mein Kampf – first sentence, Chapter 1] (See ["Sequential Numeromancy"](#) section)

*"Mein Kampf,"* meaning *"My Struggle,"* was distributed as the German bible with sales exceeding 10 million by the end of World War II. In his quest to conquer the world, Hitler's empire stole millions to the point that his estate cannot be fully counted. As recent as last year, Hitler's ideas have surged as an E-book [best seller](#) on Amazon. Is it just curious fascination how one man was able to shape the minds of a nation into a system of mass murder of 6 million Jews, which is a topic being explored daily on history channels across the globe? What is going on in the secret minds of people who privately read evil ideology out of the sight of the public? How could a Holocaust occur in today's civilization where remnants of survivors still live to tell the story? Yet, it was the work of one man that set into motion the ultimate rebirth of national Israel in 1948. Certainly, Hitler qualifies as an antichrist, but the bible speaks of "many."

Little children, it is the last time: and as ye have heard that antichrist shall come, **even now are there many antichrists; whereby we know that it is the last time.** They went out from us, but they were not of us; for if they had been of us, they would [no doubt] have continued with us: but [they went out], that they might be made manifest that they were not all of us. But ye have an unction from the Holy One, and ye know all things. I have not written unto you because ye know not the truth, but because ye know it, and that no lie is of the truth. **Who is a liar but he that denieth that Jesus is the Christ? He is antichrist, that denieth the Father and the Son.** Whosoever denieth the Son, the same hath not the Father: [(but) he that acknowledgeth the Son hath the Father also]. {1 John 2:18-23}

This passage suggests that antichrists are liars opening their *"mouth in blasphemy against God"* (Rev 13:6-7) as opposed to the *"man of sin"* who actually exalts himself above all in the temple as if he is God according to [2 Thessalonians 2:1-12](#). Therefore, because of their massive impact upon the world and outright denial, many have speculated Hitler and atheist Facebook founder [Mark Zuckerberg](#) to be the first and second beasts respectfully as described in Revelation 13 where we find wisdom to understand the number of the ["Beast"](#) which the CEO named his dog.

And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon. **And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed.** {Rev 13:11-12}

And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, **or the number of his name.** {Rev 13:16f}

Reflective # of 942 = **"249"** = "Abram," "bless," **"ten," "righteous," "stone," "wine"** and "Elias"  
 Same digits as 942 = **"294"** = "Melchizedek," "God of Abraham," "Key of David" and "The Great Light"

**Ironically**, a [YouTube video](#) confidently concludes that the Facebook founder is “not” the beast by proving that the number of his Hebrew name in gematria is “942” instead of “666.” In the study “[Wonderful Counselor of Wisdom](#)” leading to the 666<sup>th</sup> day at Shushan Purim 3/6/15, we discovered that the word “[count](#)” (Rev 13:18) in gematria for the “number of man” was the “**same count**” for the **Sabbath Journey** watch as highlighted and paraphrased for the passage below.

**Paraphrased:** Let him with the key of understanding from Christ through the wheel of gematria, count the time of the trap set for Satan and his followers. For it is the “**same count**” of the 666+276 (314 wedding x 3 purpose) time path Sabbath journey for the blessed who keep the Lord’s strict command to watch by earnestly seeking the promise with patience and endurance. ([Rev 13:10, 14:12](#))

With the introduction of social media in 2006 for over a billion members starting at age “13,” Mark Zuckerberg was named by [Jerusalem Post](#) as first of the most influential Jews in world. Facebook offers a forum that [supports gay marriage](#) and divorce. A survey in the UK calculates that [1/3 of divorces](#) were caused by **FB**, which supports [surveys](#) of attorneys that say **FB** plays [some part](#) in 80% of [American divorces](#). Under the lure of self-glorification, **FB** facilitates pride, gossip, criticism, cheating, spying, materialism, nosiness, stalking, envy, revenge and strife ([Jude 1:16-19](#)). With respect to pride, Esther’s King Ahasuerus shewed off his glory in the “face” of God for 180 days. (Est. 1:3). “[180](#)” holds the value for “face,” which sets the tone in the 17<sup>th</sup> letter “[peh](#)” throughout the 17<sup>th</sup> “book” on Purim, which could actually be called “[the face book](#).”

If you’re still sleeping on the number 942, here’s another “coincidence” that just might wake you up: Strong’s index of “[G942](#)” is for “[batos](#),” which refers to the “burning bush” where God identified Himself to Moses as **I AM THAT I AM** in [Exodus “3:14”](#) which equates to the gematria of “[543](#)” (*prophecy, sign*). When Abraham was [99](#), God appeared with the promise of a son saying:

**“I am the Almighty God ([345](#)); walk before me, and be thou perfect.”** (Gen 17:1-2)

Another Hebrew letter that has a value which is also a factor of 666 is the word [Lamed](#), which equates to the number “74” ( $666 \div 9$ ). [Lamed](#) immediately precedes “mem” as the 12<sup>th</sup> letter and means “everlasting.” Its root word “[lamad](#)” ([H3925](#)) means to **learn or instruct**, which we can also relate to [Enoch](#) by the very definition of his name. Psalms “144” ( $12 \times 12$ ) underscores the identity of “learning” with “the heart” of “[the elect](#)” becoming “full of wisdom.”

Blessed [be] the LORD my strength, which **teacheth** my hands to war, [and] my fingers to fight: {Psalm 144:1}

“LAMED” is the tallest Hebrew letter and is forever “settled in heaven” as the Lord spells out each letter of His Word in the book of Psalms 119 ([Psalm 119:89](#)). The 144,000 of Revelation 14 assures our understanding is harmoniously in concert with the Lord’s Holy Word.

And I looked, and, lo, a Lamb stood on the mount Sion, and with him an **hundred forty [and] four thousand**, having his Father's name written in their foreheads. **And I heard a voice from heaven, as the voice of many waters**, and as the voice of a great thunder: and I heard the voice of harpers harping with their harps: And they sung as it were a new song before the throne, and before the four beasts, and the elders: **and no man could learn that song but the hundred [and] forty [and] four thousand, which were redeemed from the earth.** {Rev 14:1-3}

“144,000” divided by 18 equals 8,000; which breaks down as  $180 \times 800$ , two significant factors that we’ve learned along the way. “180” equates to “the face,” as in 180 days that King Achashverosh showed off his glory in the **face** of God. Isaac, who’s birth established God’s promise died “full of days” at 180 years. ([Gen 35:28-29](#)) “180” is the value for the 17<sup>th</sup> letter “Pey” whose prophetic implications are highlighted with “[Purim](#)” in the Bible Wheel on spoke “17.”

Additionally, “800” is the value for the sign of the rainbow when God remembered Noah once he reached dry land on the 27<sup>th</sup> of Iyar ([Genesis “913”](#)); which corresponded to our solar eclipse on [May 19, 2012](#), [365 days](#) from Spiritual Judgment Day - May 21, 2011. “800” also equates to “omega,” “faith” and “Lord.” The same rainbow covenant to Noah was heard by Abraham and Sarah to be established in the birth of Isaac at the same time the following year. ([Gen 17:21](#)) Isaac’s birth “in the following year” parallels in our day with the time of the solar eclipse Ascension 5/9/2013. ([724,500 days](#) from Trumpets 29 AD;  $9 \times 23 \times 50 \times 70$ ) For Abraham, however, the establishment of an [8 day circumcision](#) would be the sign of God’s covenant.  $8 \times 18 = 144$ .

\*\*\*\*\*

By closely tracking the feast days on the established biblical timeline, we have been guided to the 666 days of Revelation 13 found to be numerically in sync with our journey leading to the promise. However, the language of the verse itself is covert and mysterious on the surface. Therefore, it’s wise to search the root of “beast” and “man” to gain full clarity on its wording.

Here is wisdom. Let him that hath understanding count the number of the **beast**: for it is the number of a **man**; and his number [is] Six hundred threescore [and] six. {Rev 13:18}

We noted earlier the significance of the word “beast” relating to “face” occurring [180](#) times in the bible, underscored when Ahasuerus “shewed the riches of his kingdom” in the face of God 180 days. (Est 1:4) In Revelations 13, “therion” ([G2342](#)) for “beast” in Greek originates from “thera” ([G2339](#)), translated as a “trap” set for the enemy in Romans 11:9.

And David saith, **Let their table be made a snare, and a trap**, and a stumblingblock, and a recompence unto them: 10 Let their eyes be darkened, that they may not see, and bow down their back alway. {Rom 11:9-10} ([Psalm 69:22-23](#))

For when they shall say, Peace and safety; then **sudden** destruction cometh upon them, as travail upon a woman with child; and they shall not escape. {1Thes 5:3}

The word *aiphnidios* ([G160](#)) for sudden is the same word for “**unawares**” found in Luke 21:34. The watch is an urgent matter and should never be taken casually according to Revelation 3:

If therefore thou shalt not watch, I will come on thee as a thief, and thou shalt not know what hour I will come upon thee. {Rev 3:3}

“*Anthrōpos*,” ([G444](#)) the Greek word for **man** is related to *optanomai* ([G3700](#)) meaning “**man-faced**,” translated as “**see**” 37 times in the bible. *Optanomai* is an intense stare or gaze, “in like manner” to the disciples at the Ascension. ([Act 1:11-12](#)) In other words; the wise with understanding should “**count the number of the trap set for the enemy, for it is the number of the watch for the Sabbath journey from the Ascension to the Promise.**”

**Can a bird fall in a snare upon the earth, where no gin [is] for him?** shall [one] take up a snare from the earth, and have taken nothing at all? Shall a trumpet be blown in the city, and the people not be afraid? shall there be evil in a city, and the LORD hath not done [it]? **Surely the Lord GOD will do nothing, but he revealeth his secret unto his servants the prophets.** {Amos 3:5-7}

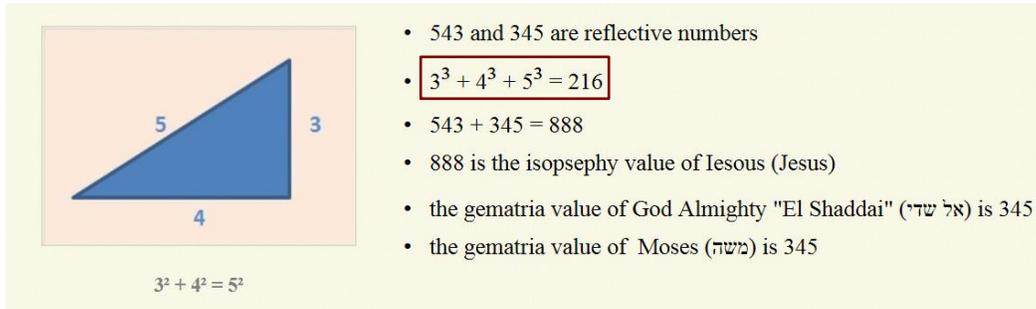

The word “**gin**” ([4170](#)) means bait or noose of which wild beasts are caught. Besides connecting the beast to the unsaved ([Rev 13:16-17](#)); the bible refers to two types of head beasts, which lead the enemy or opposition. The first beast “Satan” gets his power from the dragon (Rev 12:3, 13:4) and holds similar traits to the four beasts of Daniel 7. The second beast in Rev 13 arises from the earth and serves the first by seeking devotees, and is referred to as a false prophet. (Rev 16:13, 19:20, 20:10) The numeric value of a false prophet “[2515](#)” underscores this connection with the serpent at man’s fall in the garden ([Gen 3:1](#)). Both persecute the elect (Rev 19:20, 2Thes 2:6-12). Based on the phenomenal timing of the Lisbon Earthquake on the pagan feast [Allsaintstide](#) - November 1, 1755; history received a preview of the consequences for idol worship. Not only was the last Feast of Dedication 259 years ( $7 \times 37$ ) later, our 666<sup>th</sup> day can be “determined” to “finish the transgression” according to the [70 weeks](#) of [Daniel 9](#).

...and [so] that day come upon you **unawares**. For as **a snare** shall it come on all them that dwell on the **face** of the whole earth. {Luke 21:34-35}

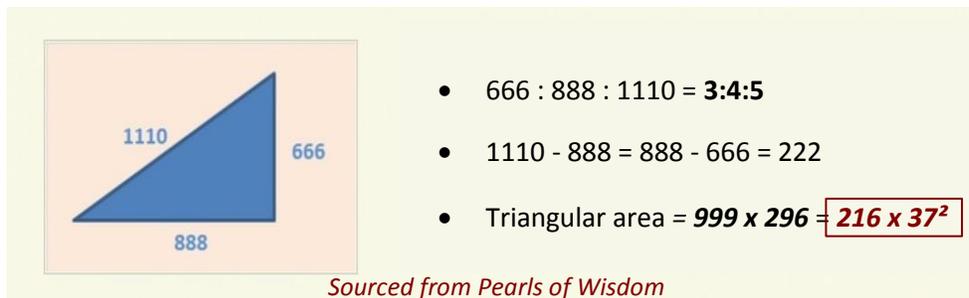

From the burning bush, God also "revealed" Himself to Moses ([Act 7:35-37](#)):

"And God said unto Moses, **I AM THAT I AM**: and he said, Thus shalt thou say unto the children of Israel, **I AM** hath sent me unto you." [Exodus 3:14](#)

In Hebrew, I AM THAT I AM is written as אהיה אשר אהיה (Ehyeh Asher Ehyeh), which has a gematria value of 543. Moses, or in Hebrew משה (Moshe) has a gematria value of 345. **The numbers 3, 4 and 5 constitute the first Pythagorean triple.**

### 314 to 543, 345, 23 and "216" Connection

[222](#) = "Bless, See"  
[296](#) = "The earth" ( $8 \times 37$ )  
[999](#) = "Fulfill, end"

$999 = 27 \times 37$   
 276 Souls = [Acts 27:37](#)

The reflective number of "543" is "[345](#)," which holds the value for "**Almighty God**," "The Name" and "Moses." [345](#) is the result of  $3 \times 5 \times 23$ , which is the ordinal value of aleph and tav. God identifies Himself as "God Almighty" when He appears to Abraham at age [99](#) ("Amen" [Rev 3:14](#)) and repeats the rainbow promise that He made to Noah 365 days after the flood.

And when Abram was ninety years old and nine, the LORD **appeared to** Abram, and said unto him, **I [am] the Almighty God**; walk before me, and be thou perfect. **And I will make my covenant between me and thee**, and will multiply thee exceedingly. {Gen 17:1-2}

7 And you, be ye fruitful, and multiply; bring forth abundantly in the earth, and multiply therein. And God spake unto Noah, and to his sons with him, saying, **And I, behold, I establish my covenant with you, and with your seed after you**; And with every living creature that [is] with you, of the fowl, of the cattle, and of every beast of the earth with you; from all that go out of the ark, to every beast of the earth... 16 **And the bow shall be in the cloud; and I will look upon it, that I may remember the everlasting covenant between God and every living creature of all flesh that [is] upon the earth.** And God said unto Noah, **This [is] the token of the covenant**, which I have established between me and all flesh that [is] upon the earth. {Gen 9:7-17}

The sum of 543 and 345 equals 888, which factors  $8 \times 111$ . "111" equates to "Aleph," "Wonderful" & "The Beginning of Wisdom." "888" is the value for "Jesus" (found in "942" verses in the KJV of the bible), "The Salvation of our God" and "the third day." 12/6/15 is the 3<sup>rd</sup> day beyond the end of 37 weeks from 3/20/15. The enormous significance of 888 is expounded in the excerpt sourced from the *Bible Wheel* below:

**Jesus (Ιησους) = 888**

This Number integrates with all ideas related to the Number 8, such as octave, new beginning, and entrance into God's Covenant. Perhaps the most amazing occurrence of this number is found in the Divine Prologue (Cf. [Jesus and YHVH](#)):

The Number 888 is also found here in Psalm 98.2f

**John 1.2-5 = 23088 = 26 (YHVH) x 888 (JESUS)**

**The LORD hath made known his salvation (913):** his righteousness hath he openly shewed in the sight of the heathen. He hath remembered his mercy and his truth toward the house of Israel: all the ends of the earth have seen **the salvation of our God**.

And here in Psalm 19:

**The heavens declare the glory of God;** and the firmament sheweth his handywork. Day unto day uttereth speech, and night unto night sheweth knowledge.

We have the identities:

<b>The Number 888</b>
<p><b>The Salvation of our God</b></p> <p>ישועה אלהינו</p> <p><u>Yeshoth Elohenu</u></p>
<p><b>The heavens declare the glory of God</b></p> <p>השמים מספרים כבוד אל</p> <p><u>HaShamaim</u></p>

## Earth Shattering Messages

Last year we were stunned to discover that [Allhallowtide](#) the wicked feast of the dead on November 1, 2014 was exactly [1260 days](#) from Spiritual Judgment May 21, 2011. Thanks to the comparative study of [Daniel and Revelation](#) by Isaac Newton, [1260 days](#) was a key times, time and a half time path directly pointing to the end of the world ([Dan 12:6-7](#)). Although the day passed quietly, we learned that November 1<sup>st</sup> was historically marked by the [Lisbon Earthquake](#) 259 years prior in 1755 when the city was destroyed by the resulting tsunami and fire on their very day of worship. The Lisbon community struggled to understand whether the devastation was random or a divine judgement against their faith on their holiest day of the year. With 259 (2014 - 1755) being the result of  $7 \times 37$ ; we concluded that God was indeed sending a clear message of judgment against idol worship. It turns out that the final [1661 days](#) ("[1661](#)" = "At the last day") from May 21, 2011 to December 6, 2014 is [401 days](#) from November 1, 2014. "401" is the gematria for hidden "sign" and, of course "Aleph and Tav" the first and last Hebrew letters.

Today the world prefers to blame the ire of "mother nature" for "natural disasters" that occur in diver places on earth. However, since the *Promise Studies* testify to the sovereignty of God, we can apply gematria to see the catastrophes are divinely prophetic. A recent example would be the earthquake of the city "[Christchurch](#)" in New Zealand on February 22, 2011, which is [1748 days](#) from December 6, 2015. 1748 is the result of  $4 \times 19 \times 23$ . The [Basilica Collapse of St. Francis of Assisi](#) on September 26, 1997 is [6645 days](#) from 12/6/15. 6645 breaks down as 15 "endurance" x "[443](#)," which is the value of the "The Word" and the "The House of God." In the year of MIT's time capsule planting; [Typhoon Faye](#) from September 17-28, 1957 is [21,264 days](#) and [21,253 days](#) respectfully from 12/6/15. "21,264" breaks down as  $3 \times 5 \times 443$ , while "21,253" equates to  $53 \times 401$ . The number "[53](#)" holds the value for "the stone of prophecy."

Anyone dismissing this as coincidence cannot deny Christ's examples of the flood (7000 years from 5/21/11) ([Mat 24:37-39](#)) and destruction of Sodom & Gomorrah ([Luke 17:28-29](#)), which immediately follows God's double promised son to Abraham and Sarah "[according to the time of life](#)" ([Gen 18:10, 14](#)). This was when Abraham received the promise at [99](#) and subsequently beseeched God to spare the city if there were found at least 50 down to ten righteous in 2068 BC ([Gen 18:22-32](#)).

- From Sodom and Gomorrah 2068 BC to the last year 2015 are 4082 years

$$4082 = 13 \times \text{314} \text{ "The Almighty," "Wedding," "Book," "Return"}$$

- "37" years later, from Sarah' rest at 127 in 2030 BC to 2015 are 4044 years

$$4044 = 12 \times \text{337} \text{ "God-91, Speak-246," "Angel-91 Gabriel-246"}$$

**Who [is] he [that] saith, and it cometh to pass, [when] the Lord commandeth [it] not? {Lam 3:37}**

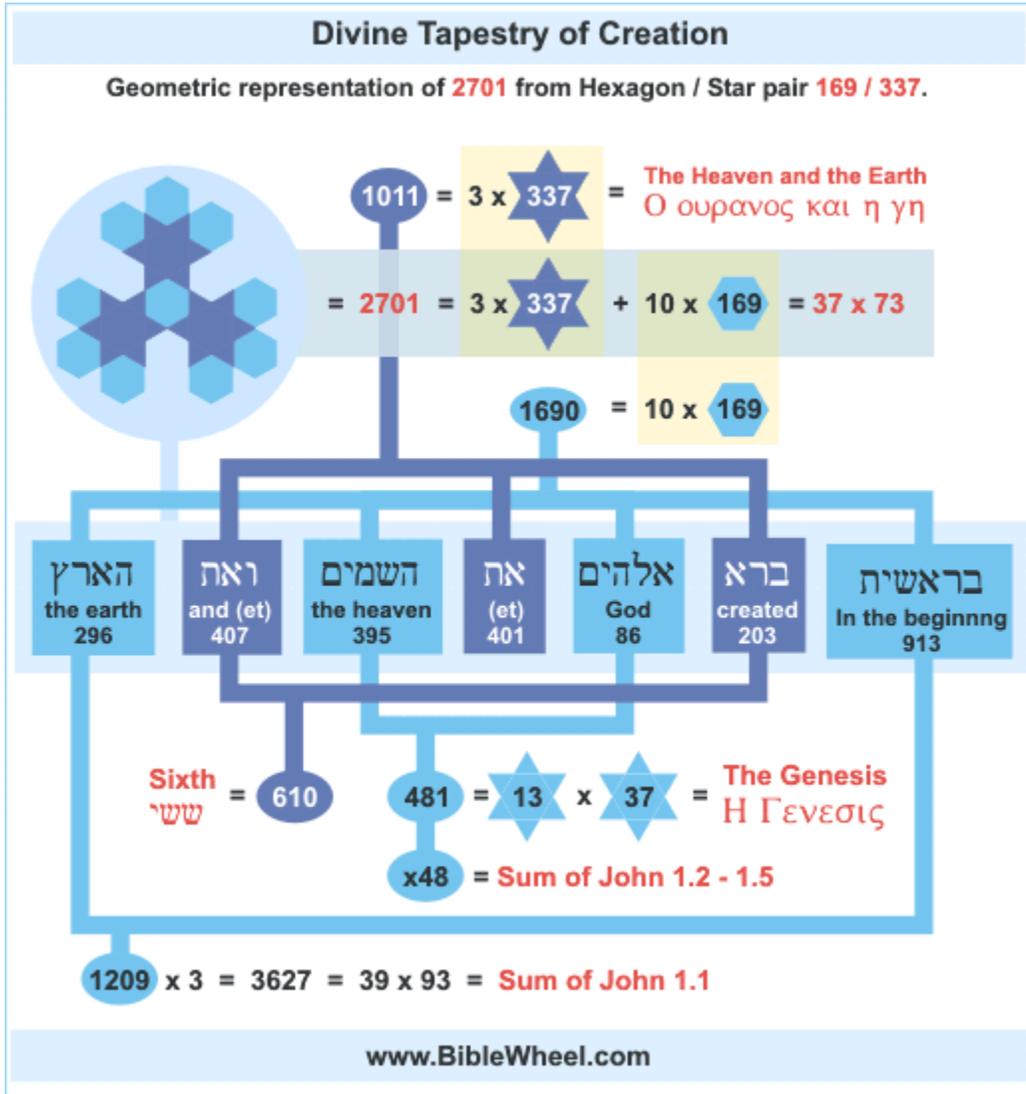

"337" is the 8<sup>th</sup> hexagram, which represents the prophecies of Angel Gabriel concerning the forerunner John the Baptist, the [70 weeks](#) in the 27<sup>th</sup> book of Daniel that begins at the message of [Tisha B' av 2014](#), "[The Star of David](#)" and is factor of the "[Divine Tapestry of Creation](#)" as described by the *Bible Wheel* below:

**[GR] > The Number 1011: The Heaven and the Earth**

**Heaven and earth** shall pass away: but my words shall not pass away.

Mark [13.31](#)

The Number 1011 figures prominently in the [Tapestry of Genesis 1:1](#) where it is the sum of the alternating words with even positions (the second, fourth, and sixth words).

Mount Zion (Sof) [Ps 48.3] הר ציון

Factors: 3 x 337

*For the vision [is] yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry. {Hab 2:3}*

Words are insufficient to measure sincere gratification of revelation that could only come from the heart. The progression of endless revelations that suddenly harmonizes the *"telling" 70 weeks of Daniel 9* doesn't need a narrative to supplement the overwhelming preponderance of proofs uncovered on this blessed journey waiting and watching in hope for the promises of God soon to be manifested before the world in only a matter of days. While the infallible proofs speak for itself, they cannot persuade the denial of a disbelieving world where the amazing light *"...shineth in darkness; and the darkness comprehended it not."* (John 1:5)

Verily, verily, I say unto thee, We speak that we do know, and testify that we have seen; and ye receive not our witness. If I have told you earthly things, and ye believe not, how shall ye believe, if I tell you [of] heavenly things? And no man hath ascended up to heaven, but he that came down from heaven, [even] the Son of man which is in heaven. And as Moses lifted up the serpent in the wilderness, even so must the Son of man be lifted up: That whosoever believeth in him should not perish, but have eternal life. For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. For God sent not his Son into the world to condemn the world; but that the world through him might be saved. He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God. **And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil.** For every one that doeth evil hateth the light, neither cometh to the light, lest his deeds should be reproved. But he that doeth truth cometh to the light, that his deeds may be made manifest, that they are wrought in God. {John 3:11-21}

The Promise Studies have long moved beyond the faith of proving what God has wrought in the signs of His creation. Realizing that the vast symphony of diverse sources collaborating the time line could have only been orchestrated by the Almighty hand of God; the passing of so many incredible time paths served to intensify the inspiration of the watch appreciating the reality closing in on the timing of the ultimate revelation. Despite the world's vanished interest in the rebirth of national Israel, the signal tetrad lunar eclipse and the ridicule at the guaranteed warning of May 21, 2011; the Lord *"...lay in Zion for a foundation a stone, a tried stone, a precious corner stone, a sure foundation: he that believeth shall not make haste."* {Isa 28:16}

Associating the *promise of Isaac* as the embodiment of Noah's dryland rainbow promise stretching out to eternity was the key juncture that led to the *Sabbath Journey*. The value of "Isaac" in Greek "**232**" was incorporated in *"the blessing"* of the first day creation of light: *"let there be light"* (Gen 1:3f). Isaac's name means *"he laughs"* (Yitschaq [H3327](#), [H3446](#), [Isaak G2464](#), [H7832](#)). God's *"promised"* warning of the end has been laughed at as the biggest joke on the planet ([2 Peter 3:3-5](#)). When the earth begins to shake, the mocking of mankind will finally cease.

Because I have called, and ye refused; I have stretched out my hand, and no man regarded; But ye have set at nought all my counsel, and would none of my reproof: **I also will laugh at your calamity; I will mock when your fear cometh;** When your fear cometh as desolation, and your destruction cometh as a whirlwind; when distress and anguish cometh upon you. Then shall they call upon me, but I will not answer; they shall seek me early, but they shall not find me: {Pro 1:24-28} ([Psalm 37:13](#))

## The Creation of Light in Isaac

And he said, Behold, in the tent. And he said, **I will certainly return unto thee according to the time of life;** and, lo, Sarah thy wife shall have a son. {Gen 18:10}

And God said, Sarah thy wife shall bear thee a son indeed; and thou shalt call his name **Isaac: and I will establish my covenant with him for an everlasting covenant,** [and] with his seed after him. {Gen 17:19}

Noah's and Abraham's covenant was established at the life of Isaac through 37 years until Sarah was laid to rest in the promise land of Canaan. Sarah and Abraham laughed like the world being late in age; but God kept His promise in Isaac, who married at 37. According to the *Bible Wheel*, Isaac's Greek gematria value is "**232**," or 2 x "**116**" (*The Mouth of the Lord*)

**[GR] > The Number 232 - Let there be Light!**

And God said, **Let there be light:** and there was light. Genesis 1.3

His seed shall endure for ever, and his throne as the sun before me. **It shall be established for ever** as the moon, and as a faithful witness in heaven. Psalm 89.37

The first two words in Scripture spoken by the Lord God Almighty are **Yahi Aur**, translated as **Let there by light**. We have the identity:

**Let there be light**  
 יהי אור = 232  
 Yahi Aur

This coincides exactly with the two words that define what the Bible is really all about:

**The Word of the Lord**  
 דבר יהוה = 232  
 Davar YHVH *Bible Wheel image*

**[GR] > The Number 813: The Creation of Light!**

And God said, Let there be light: and there was light. Genesis 1.3

The Number 813 unites the [First Day](#) and [Divine Prologue](#).

**The Number 813**

And God said, **Let there be light:** and there was light. [Gen 1.3]  
 ויאמר אלהים יהי אור ויהי אור

**The vision of Daniel "[8:13](#)" is answered in "Isaac"**

*Then I heard one saint speaking, and another saint said unto that certain [saint] which spake, **How long [shall be] the vision [concerning] the daily [sacrifice], and the transgression of desolation, to give both the sanctuary and the host to be trodden under foot?***

$$7,004 = 17 \times 412 \text{ "House" "Sign," "The Ark," } (2 \times 206, \text{ "Word"})$$

For **the word of God** [is] quick, and powerful, and sharper than **any twoedged sword**, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and [is] a discerner of the thoughts and intents of the heart. {Heb 4:12}

Be not afraid of their faces: for I [am] with thee to deliver thee, saith the LORD. Then the LORD put forth his hand, and touched my mouth. And the LORD said unto me, **Behold, I have put my words in thy mouth.** {Jeremiah 1:8-9}

Amos 8 = End of Fig Tree "summer" - Mat 24:32-39

Thus hath the Lord GOD shewed unto me: and behold a basket of summer fruit. And he said, Amos, what seest thou? And I said, A basket of summer fruit. **Then said the LORD unto me, The end is come upon my people of Israel; I will not again pass by them any more.** And the songs of the temple shall be howlings in that day, saith the Lord GOD: [there shall be] many dead bodies in every place; they shall cast [them] forth with silence. Hear this, O ye that swallow up the needy, even to make the poor of the land to fail, Saying, When will the new moon be gone, that we may sell corn? and the sabbath, that we may set forth wheat, making the ephah small, and the shekel great, and falsifying the balances by deceit? That we may buy the poor for silver, and the needy for a pair of shoes; [yea], and sell the refuse of the wheat? The LORD hath sworn by the excellency of Jacob, Surely I will never forget any of their works. Shall not the land tremble for this, and every one mourn that dwelleth therein? and it shall rise up wholly as a flood; and it shall be cast out and drowned, as [by] the flood of Egypt. **And it shall come to pass in that day, saith the Lord GOD, that I will cause the sun to go down at noon, and I will darken the earth in the clear day:** And I will turn your feasts into mourning, and all your songs into lamentation; and I will bring up sackcloth upon all loins, and baldness upon every head; and I will make it as the mourning of an only [son], and the end thereof as a bitter day. Behold, the days come, saith the Lord GOD, that I will send a famine in the land, not a famine of bread, nor a thirst for water, but of hearing the words of the LORD: And they shall wander from sea to sea, and from the north even to the east, they shall run to and fro to seek the word of the LORD, and shall not find [it]... {Amos 8:1-12}

From New Moon [6/18/15](#) to Tisha B'Av 7/25/15 are [37 days](#)

Joseph is known [traditionally](#) to have been born and deceased on the same new moon date Tammuz 1, which is [June 18](#) in 2015 or significantly "[37 days](#)" from Tisha B'av. Joseph was rewarded at the end for uncovering Pharaoh's dream ([Gen 41](#)). Like Enoch, his birth and end on the same day underscores the fullness of his life on earth at [110 years](#). "[110](#)" ( $37 + 73$ ) equates to "an assured foundation" and breaks down as  $5 \times 22$ . The number "[22](#)" relates to "the key" to the "revelation" of the bible, which corresponds to the "wheel" and the "same count" gematria used in the "666" verse of wisdom - Revelation [13:18](#).

Like Sarah's public burial for [400](#) shekels in the double portion grave ([Gen 23:16-19](#)); the account of Joseph's death was momentous in his faith to be ultimately buried in the promise land of Canaan, which gets duly noted in the great the faith chapter Hebrew 11:[22](#). "***By faith Joseph, when he died, made mention of the departing of the children of Israel; and gave commandment concerning his bones.***"

**And Joseph took an oath of the children of Israel, saying, God will surely visit you, and ye shall carry up my bones from hence.** So Joseph died, [being] an hundred and ten years old: and they embalmed him, and he was put in a coffin in Egypt. {Genesis 50:25-26}

In 1407 BC, virtually [400 years](#) after his embalmment in a coffin, Moses surely carried up the bones of Joseph to the promise land of Canaan when God led His people out of Egypt.

**But God led the people about, [through] the way of the wilderness of the Red sea: and the children of Israel went up harnessed out of the land of Egypt. And Moses took the bones of Joseph with him: for he had straitly sworn the children of Israel, saying, God will surely visit you; and ye shall carry up my bones away hence with you.** {Exodus 13:18-19}

## [GR] > The Number 22 ~ Revelation

And [the key](#) of the house of David will I lay upon his shoulder; so he shall open, and none shall shut; and he shall shut, and none shall open.

Isaiah **22.22**

Teach me thy way, O LORD; I will walk in thy truth: **unite** my heart to fear thy name.

Psalms 86.11

The Number 22 is the **Number of Revelation**. It governs the overall structure of Scripture, from the Twenty-two Spokes of the Bible Wheel to the Twenty-two Spokes of the [Inner Wheel of Revelation](#). The divine integration is astounding. The Number 22 - the Number that unites the entire body of Scripture - is also the value of the fundamental Hebrew word יחד (Yachad, Unite, [S# H3162](#)) used in Psalm 86 above! Yet there is more, the phrase "unite my heart" is numerically equivalent for the Hebrew word for the Wheel, Gilgal. We have a pair of identities:

Unite My Heart!

יחד לבבי = 66 = גלגל (Galgal, Wheel)

Yached Levavi

Think about this! The Number 22 **unites** the entire Bible in the form of the Wheel, and the Wheel (Galgal = 66) **unites the heart** of all 66 Books of the Holy Bible, and all of this is united in the intrinsic alphanumeric structure of the Greek and Hebrew languages! Three Cycles of 22 Books united in One perfect Circle. Three and One (cf. [13](#) and the [Unity Holograph](#)). Divine perfection bursting forth! Glory to God in the highest!

Yet there is more. The words given in **Isaiah 22** say that God shall commit the government **into his hand**. The word written is ב'ידו (B'Yado). It is formed from the word for a **hand** (Yod) prefixed with a Beyt and suffixed with a Vav. The [Beyt \(House\)](#) signifies the preposition **in, with, or by**. The Vav signifies the third person masculine possessive (**his** hand). The same construct occurs in [Genesis 22.6](#), translated as "in his hand."

\*\*\* End of Bible Wheel excerpt on the "Revelation" of 22 \*\*\*

The translation "in his hand" in [Genesis 22:6](#) refers to the faith of Abraham's binding of Isaac at 37 when Sarah is placed to rest in Canaan at 127. ([Gen 23:1-2](#))

~ *The Promise Journey to His Coming* ~

1948 - *The prophetic rebirth of national Israel is fulfilled as the last generation and emphatic warning to the world.*

1988 - *The year of creation of 11013 BC puts Pentecost May 22, 1988 as the word's 13,000<sup>th</sup> anniversary and end of the church age.*

1994 - *2300 days after Pentecost 1988 falls Rosh Hashanah, The Feast of Trumpets September 7, 1994. The first Feast of Trumpets 29AD and first Pentecost 33AD were 1335 days apart.*

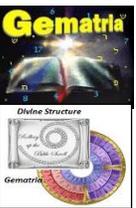

**May 21, 2011** - *23 years after 5/22/88 turns out to be exactly 7,000 years from the flood, the 17<sup>th</sup> day of the 2<sup>nd</sup> month 4990 BC. Like on the ark the salvation door was shut on the world.*

2012 - *The 5/20/12 Solar Eclipse 365 days later matched Noah's dryland rainbow promise on the 27<sup>th</sup> day of the second month. Noah and Enoch raptured at 365, both walked with God.* 

**May 9, 2013** - *The 5/9/13 Solar Eclipse fell on the Ascension date 724,500 days ( $3^2 \times 23 \times 50 \times 70$ ) from Christ's baptism on the Feast of Trumpets 29 AD. "In like manner" the Ascension Day began the eleven disciples' final Sabbath Journey to the promise at Jerusalem. After feeding 5000, Christ tested the doubters with His Ascension. John 6:66 reveals that many walked with him no more.* 

2013 - *The secret language of [gematria](#) in conjunction with a divine Bible Wheel structure is discovered while researching the significance of the number "89" as a factor of 1335. "89" turned out to be related to the Holy Spirit, which began to open and enhance spiritual understanding in harmony with the 11013 BC creation timeline.*

2013 - *The extreme unique properties of the 13<sup>th</sup> prime number "[37](#)" was learned as coinciding with the promise in connection with the time of life, which was the age of Isaac when he got married and Sarah was laid to rest in Canaan. Connected to the dryland rainbow, the Sabbath Journey tied to 37 being the only number under 1,000 with both star and hexagon properties.*

2013 - *666 years after 60% of the world died at the Black Death Comet Negra 1347, the harbinger Comet ISON merges with Thanksgiving and Hanukkah at its perihelion on November 28, 2013. Thanksgiving and Hanukkah cannot meet again for another 77,000 years.*

2014-2015 - *The [363<sup>rd</sup>](#) day of Sabbath Journey landed on Yom Ha'atzmaut & pointed to 276 in "[Alpha & Omega](#)." The rare tetrad where 4 lunar eclipses land on 4 consecutive biblical feasts simulates years of the Destruction of the 2nd Temple 70 AD, destruction of Pompeii 79 AD, America discovered 1492, Rebirth of National Israel 1498 and The Six Day War 1967.*

3-14-15 to 12-6-15 = 267 days, 267 = 3 x 89 "New," "Redeem"

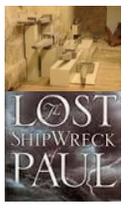

2015 - Shushan Purim, March 6 was 666 days from the start of the Sabbath Journey 5/9/13, which answered the question for wisdom Rev 13:18 for those with understanding. "The story of Purim" in Esther underscores the hidden face (Deu 31:18) and divine will of God.

March 20, 2015 - The Trifecta Super Moon, Equinox, Solar Eclipse was 23 days from 10 days before Earth Day, 66 days from Pentecost and 127 days from Tisha b' Av on the journey to the Sabbath Journey promise. This rare Super Moon is also 37 weeks from the day of Physical Manifestation. The top of the mountains were seen by Noah 37 weeks before he entered on dry land (Gen 8:4 - 8-14).

April 22, 2015 - This was Earth Day and Yom Ha'azmaut, which was interpreted as Hezekiah 10 degree sign because April 12<sup>th</sup>, ten days prior was the 703<sup>rd</sup> day of the Sabbath Journey. 703 is the 37<sup>th</sup> triangular number found in the heart of 2701, the 73<sup>rd</sup> triangular number. An enhanced appreciation for the first verse of the bible in light of geometrics began to unfold.

Considering the words of Haggai in the 37<sup>th</sup> book, Kislev 24, 2015 is 276 days from Shushan Purim 3/6/15 to December 6<sup>th</sup> totaling 942 days to complete the Sabbath Journey. "276" is the number of souls saved on Paul's shipwreck in Acts 27:37. 27 x 37 = 999, "999" equates to the "Key" to the "Door of hope" and "Final Purification." "276" was also found to be the 23<sup>rd</sup> triangular number &, based on "Theomatics," reflects 666 as the number of the beast. 276

"942" breaks down to 3 x 314, the number of pi. "314" is the value for "wedding," "return," "filled" and "The Almighty." At the Ascension, the 11 disciples were called men of "Galilee" (Act 1:11), which signifies the "heathen circle" (H1551). 314/2 = 157 "The New Covenant."

$\pi$  Amazingly, pi can be calculated by using the gematria values from Genesis 1:1 with the 7 Hebrew words of 28 letters. By dividing 28 times the factors of the letters by seven (7) times the factors of the words a close approximate value of pi results to the 5<sup>th</sup> decimal.

Calculation of  $\pi$  from the Bible's first verse

**בְּרֵאשִׁית בְּרָא אֱלֹהִים אֶת הַשָּׁמַיִם וְאֶת הָאָרֶץ**

28 letters x 90 x 200 x 1 x 5 x 400 x 1 x 6 x 40 x 10 x 40 x 300 x 5 x 400 x 1 x 40 x 10 x 5 x 30 x 1 x 1 x 200 x 2 x 400 x 10 x 300 x 1 x 200 x 2

=  $\frac{6.6886 \text{ e}+35}{2.12907 \text{ e}+18}$

After reaching the 666<sup>th</sup> day of our *Sabbath Journey* from 5/9/13 to Shushan Purim 3/6/15; the final extension of 276 days to the end is extraordinary as it matches the number of souls saved on Paul's shipwreck. "276" is the **23<sup>rd</sup> triangular number**, 12 times divisible by 23, and is the sum of all the integers from 1, 2, 3, 4, 5, 6... to 23. Clearly with "276" following the end count of wisdom; God is making a huge statement in underscoring the number **"23."**

- **23** is the numeric value for "life," which God creates with "23 chromosomes" in the human DNA. "23" is prominent in the body's biological make up.
- **23** is the sum of the ordinal values for the first and last Hebrew letters *aleph* (1) and *tav* (22); and therefore relates to *the beginning* and *the end*. The sum of the standard values for *aleph* (1) and *tav* (400) is 401, which equates to "sign" and "the Lord hath done it" (*Isaiah 44:23*).
- **2300** is answered by the *Secret Numberer Palmoni* (216 - "Holy of Holies" 6 x 6 x 6) as the number of days until the sanctuary will be cleansed in Daniel 8:13.
- **2300** is the result of subtracting the value of the untranslated word "sign" 401 from creation value 2,701 of Gen 1:1. (2,701 - 401 = 2300) ("Signs" are not needed upon arrival)
- **2300** is the number of days from the world's 13,000<sup>th</sup> anniversary, which ended the church gospel at *Pentecost* 5/22/88 to the *Feast of Announcment* 9/7/94. (2300 days)
- **23** is the number of years from the world's 13,000<sup>th</sup> anniversary that ended the church gospel at *Pentecost* 5/22/88 to the end of God's salvation program for the world at May 21, 2011, the 7,000<sup>th</sup> anniversary of the flood 4990 BC. From 5/22/88 to 12/6/15 are 10,060 days. 10,060 = 4 x 5 x 503. 503 = "House of God" & "Driven out from God."
- From the last tetrad lunar eclipse 9/28/15 to the last day 12/6/15 are 69 days. (3 x 23).
- From Enoch's birth 7106 BC to Noah's flood 4990 BC are 2,116 years. 2116 = 4 x 23 x 23
- From Noah's flood, 6023 years from creation 11013 BC, to Abraham's promise at 99 in 2069 BC are 2,921 years (4990-2069). 2,921 = 23 x 127 / "Appointed time" occurs **23 times** in scripture
