

Spotlight on ["ISON"](#)

Our previous Promise study: *"Star of a Young Child"* recognized the parallel between the magi's star of Bethlehem and the coming comet ISON aligning with the Feast of Dedication, which the bible records Christ's presence among the doubters before His crucifixion. ([John 10:22-24](#)) For some today, despite the immensely ongoing divine proofs and fact-based research on comet Negra "[666](#)" ($2 \times 3^2 \times 37$) years ago of 1347, the idea of a comet signaling doomsday and the Second Coming just days away remains highly doubtful and incomprehensible, especially after the global warnings of 2011 & 2012 passed without a hitch. In the eyes of the world, the comet ISON would be an interesting topic during the holidays of Hanukkah and Thanksgiving as family and friends gather joyously to eat and drink and be merry. ([Luke 17:26-27](#), [Isa 22:12-14](#), [Eccl 8:14-15](#))

While the acronym ISON comes from a Russian solar observation project that stands for International Scientific Optical Network; according the Strong Lexicon, the intriguing phrase "[I son](#)" is comprised in the original Hebrew word Abi-yda to mean "[Father of knowledge](#)." The first part "Abi" (*Ab*) (**I**) means "father" (Strong # 1); as the second part "yda" (*yada*) (**Son**) means "to know" (Strong # 3045). Abiyda happens to be the name of one of Abraham's grandson of his wife Keturah (*incense*) "**after**" Sarah was laid to rest of in the "land of Canaan," which relates to the end of [37](#) years from the birth of Isaac, the "appointed time of life." ([Gen 18:14](#)) You may recall that the gematria value for "land of Canaan" is [383](#), which refers to "everlasting light." It should not surprise us that the Biblewheel also harmonizes the words [I son](#) with the 37 years from Isaac's birth to Sarah's death as well as many other passages collaborating the ultimate manifestation. At [perihelion](#) - Nov 28, [ISON](#) will be [724,000 miles](#) ($2^5 \times 5^3 \times$ [181](#)) within the sun. Yet, some anticipate ISON [730,000 miles](#) from the sun, which still breaks down as $2^4 \times 5^4 \times$ [73](#).

"Abiyda" (*Abia*) also relates to the time of incense during the eighth course ([Luke 1:5,8-11](#)) when the angel Gabriel ("*strength of God*") informed Zachariah that he and Elizabeth would have a son at old age (*like Abraham and Sarah*) (Luke 1:7, Gen 18:11), who would trumpet the priesthood and ministry of Christ (Luke 1:69). When Zachariah doubted the messenger Gabriel ("*the strength of God*"), God made him speechless ([Luke 1:18-22](#)). Yet, the voice of his son, John the Baptist, was loud and clear crying from the wilderness "...saying, **The time is fulfilled, and the kingdom of God is at hand: repent ye, and believe the gospel...**" {Mark 1:15}

Ab-ba father, cited three (3) times (*purpose*) in scripture, are the last words that Christ cried out before conceding to His will to the purpose of God at the cross, which only the elect can relate:

And he said, Abba, Father, all things [are] possible unto thee; take away this cup from me: nevertheless not what I will, but what thou wilt. {Mark 14:36}

And because ye are sons, God hath sent forth the Spirit of his Son into your hearts, crying, Abba, Father. {Gal 4:6}, ([Rom 8:15](#))

Another deviation of the root word Abba is [Abib](#) or Nisan which is the time for the first fruits of [barley harvest](#). This is also the time of Passover when Christ was cutoff crying Abba father and demonstrated endurance of judgment for all the elect fulfilled May 21, 2011, 7000 years after the flood. The physical judgment for the world occurs 2 years and a 7 month sabbath journey later.

[ISON](#), Wormwood and Enoch

The following excerpt from an article found online examines the name meanings of the two Russians who discovered the comet ISON. The links have been implemented for confirmation and correlation to our studies. Two individual names that encompass the meanings for “wormwood,” “bitter,” “living waters,” “brightness” and “Enoch” simply cannot be coincidental.

Comet ISON and Revelations Wormwood Prophecy

By Jennifer Asad 7/24/13; Revision 7/29/13

I decided to look up the meaning of the [names of the two Russians](#) who discovered ISON: Vitali Nevski and Artyom Novichonok. The name of the first guy, Vitali, means life. His last name, Nevski, is an offshoot of [Neva](#), which is a river in Russia and means "sea" or "water". Therefore, the name of the first guy breaks down into "Vital or [Living Waters](#)". In Latin, the meaning of Neva is radiance or brightness. In this case his name would mean "alive with radiant brightness". Scientists are interested in ISON due to a study in how icy comets seed life throughout the universe. Without water there is no life.

The name of the second guy is where it gets horrifying. The name Artyom originates from [ARTEMISIOS](#) and means WORMWOOD (a bitter herb). I will repeat that because it is worth driving home. The name of one of the Russian discoverers of this 3 to 4 mile wide comet with a 200,000 mile tail translates to WORMWOOD.

Revelations 8:10-12

10 And the third angel sounded, and there fell a great star from heaven, burning as it were a lamp, and it fell on the third part of the rivers, and on the fountains of waters;

11 And the name of the star is called Wormwood: and the third part of the waters became wormwood; and many men died of the waters, because they were made bitter.

12 And the fourth angel sounded, and the third part of the sun was smitten, and the third part of the moon, and the third part of the stars; so as the third part of them was darkened, and the day shone not for a third part of it, and the night likewise.

It gets more ominous. The observatory from where the two Russians discovered this comet is named Kislovodsk Observatory. It is named after its location and [Kislovodsk](#) means Sour Waters. In fact, the telescope and Observatory is called in full ISON-Kislovodsk. And thus we have the phrase being equivalent to "comet of [bitter waters](#)".

The guys last name, Novichonok, was a little more difficult but shocking as well. Breaking the name into two parts, the first is [Novi](#). Novi is also a familiar form of November. Remember, Comet ISON will be in Virgo in November when it first appears to the naked eye. It reaches the sun November 28th at a time when our sun should be in its solar maximum cycle. By this time ISON is expected to become as much as 15 times brighter than our moon due to passing through hot wind produced by regions along the sun's equator.

Oddly enough, in November ISON becomes visible to the Mercury-orbiting spacecraft named MESSENGER. The planet Mercury was considered to be the Messenger of the Gods because of its quick orbit. But, more bizarre still is that "Revelations" in Latin means "to reveal". Written in an apocalyptic language, it was meant to reveal a

message for the end times, an astrological message. How fitting that this spacecraft named MESSENGER circling the planet Mercury would deliver such a message to the world. This is why I find astrotheology so fascinating.

In Abrahamic religions, Archangel Gabriel serves as the messenger of God. Gabriel is also known as the angel of "revelation". It is Archangel Gabriel who blows a trumpet horn to wake the dead at the Last Judgement. Will ISON be trumpeting?

Novi is also a variant of [Nova](#). In Astronomy, a nova is a star that releases a tremendous burst of energy, becoming temporarily extraordinarily bright. It is believed that a Nova led the shepherds to baby Jesus. Matthew 2:2: "For we have seen his star in the east, and are come to worship him." Wise men of the bible were astronomers and astrologers.

Enoch!

The second half of his name is [Chonok](#) = Searches on this word brings up [Chinook](#) which means a warm dry wind which blows down the east side of the mountains at the end of winter causing a rapid rise in temperature. Another name is Fohn (foehn) winds and means snow eater. As you know, the polar ice caps are melting and so are the glaciers, as sea levels rise. This planet, including the oceans, is warming. It is time to consider that it is not due to man's presence alone.

Carey Lisse at NASA said, "We estimate ISON is emitting about 2.2 million pounds of what is most likely carbon dioxide gas and about 120 million pounds of dust every minute," and "we now know for sure the comet's distant activity has been powered by gas."

***** End of excerpt *****

"[Comets](#) have three parts...The nucleus is the solid center component made of ice, gas and rocky debris. The coma is the gas and dust atmosphere around the nucleus, which results when heat from the Sun warms the surface of the nucleus so that gas and dust spew forth in all directions and are driven from the comet's surface."

The word wormwood is cited in the bible eight times; seven times in the old and once in Revelations. According to the Strong Concordance, the star is regarded as poisonous, which correlates with recent [research](#) as to the cause for the [Black Death](#) of comet [Negra](#) of 1347 - [666](#) years ago.

H3939 לְעֵנָה la'ānâh lah-an-aw' From an unused root supposed to mean to curse; wormwood (regarded as [poisonous](#), and therefore accursed):—[hemlock](#), [wormwood](#).

And the third angel sounded, **and there fell a great star from heaven, burning as it were a lamp**, and it fell upon the third part of the rivers, and upon the fountains of waters; **And the name of the star is called Wormwood: and the third part of the waters became wormwood; and many men died of the waters, because they were made bitter.** {Rev 8:10-11}

...Write the vision, and make [it] plain upon tables, that he may run that readeth it. For the vision [is] yet for an appointed time, but at the end it shall **speak**, and not lie: though it tarry, wait for it; because **it will surely come, it will not tarry**. Behold, his soul [which] is lifted up is not upright in [him](#): **but the just shall live by his faith.** {Hab 2:2-4}

19 years since Trumpets - 1994

Another name for morning star and brightness is “heylel,” which stems from its root word “halal.” Just as intriguing, “hilluwl” - from the same root is “a celebration of thanksgiving for harvest:--merry, praise.” Strong assigns heylel the number “1984” (10 degrees back from [1994](#)):

[1984](#) halal haw-lal' a primitive root; to be clear (orig. of sound, but usually of color); to shine; hence, to make a show, to boast; and thus to be (clamorously) foolish; to rave; causatively, to celebrate; also to stultify:--(make) boast (self), celebrate, commend, (deal, make), fool(-ish, -ly), glory, give (light), be (make, feign self) mad (against), **give in marriage**, ([Rev 19:4-11](#)) (sing, be worthy of) praise, rage, renowned, shine.

A slight deviation is found in the word “hillel” is designated as Strong’s # 1985 (10 degrees back from the end of the jubilee year [1995](#)):

[1985](#) Hillel hil-layl' from [1984](#); praising (namely God); Hillel, an Israelite:--Hillel

[Hillel](#) happens to be the name of a key Israelite of a family line of noted spiritual leaders who were instrumental in the transition period from Hebrew law of works to the redemption by grace of Christianity. Hillel went to Jerusalem in the prime of his manhood and attained a great age. His life parallels that of Moses. Both lived to be [120](#) years old as Hillel, at the age of forty, went to Jerusalem to study for forty years where he gained prominence of being the spiritual head of Israel. He was the grandfather of [Gamaliel](#), who was the renowned teacher of the apostle Paul after he saw the light ([Acts 22:3](#)). Like wisdom is the reward of life ([Proverbs 3:13-18](#)), [Gamaliel](#) means the reward of God. ([Jewish Encyclopedia.com](#))

A couple centuries later (358 AD), [Hillel II](#) earned credit for the accuracy of the [19-year cycle Hebrew calendar](#) that entails seven 13-month leap years. He may have been the first to forecast dates for solar eclipses, which have harmoniously enriched our feast days as shadows of things to come along the way. This is extremely significant because it was Haggai who directed us back 19 years to consider the Feast of Dedication of 1994 as the point to count for the time when the Lord would bless. The dates for the Feast of Light in the years 1994 and 2013 matched perfectly 19 years apart. (Nov 27 to Dec 5) According to gematria, 19 is the number for [physical manifestation](#). The Biblewheel holds the **Number 19** as the Hexagon in the Hexagon/Star pair [19/37](#) which appears in the heart of Genesis 1.1 - the [Creation Holograph](#):

<p>The Heart</p> <p>הלב</p> <p>HaLev</p>	<p>19 = 5 + 12 + 2 (Ordinal Value)</p> <hr/> <p>37 = 5 + 30 + 2 (Standard Value)</p>	 <p>19 / 37</p>
--	--	--

Heaven and earth shall pass away: but my words shall not pass away.

Mark 13.31

Christ “sums” up Israel’s 1948 rebirth in the Fig Tree Parable [65](#) (silence) years ago!

Our Lord is a God of order who predestined the time appointed for the elect even before its creation. (Ephesians 1:4-11, Acts 17:26, 2 Tim 1:9)

To every thing there is a season, and a time to every purpose under the heaven: A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted; A time to kill, and a time to heal; a time to break down, and a time to build up; A time to weep, and a time to laugh; a time to mourn, and a time to dance; A time to cast away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing; A time to get, and a time to lose; a time to keep, and a time to cast away; A time to rend, and a time to sew; **a time to keep silence**, and a time to speak; A time to love, and a time to hate; a time of war, and a time of peace. What profit hath he that worketh in that wherein he laboureth? I have seen the travail, which God hath given to the sons of men to be exercised in it. He hath made every thing beautiful in his time: also he hath set the world in their heart, so that no man can find out the work that God maketh from the beginning to the end. {Ecc1 3:1-11}

The end of the biblical jubilee year at Passover 1995 was the ground where Promise studies uncovered its first significant 1335-day time path that led to the Feast of Dedication in 1998.

Many shall be purified, and made white, and tried; but the wicked shall do wickedly: and none of the wicked shall understand; but the wise shall understand. And from the time *that* the daily *sacrifice* shall be taken away, and the abomination that maketh desolate set up, *there shall be* a thousand two hundred and ninety days. (1290) **Blessed is he that waiteth**, and cometh to the thousand three hundred and five and thirty days. (1335) But go thou thy way till the end *be*: **for thou shalt rest, and stand in thy lot at the end of the days.** {Dan 12:10-13}

Whom shall he teach knowledge? and whom shall he make to understand doctrine? [them that are] weaned from the milk, [and] drawn from the breasts. For precept [must be] upon precept, precept upon precept; line upon line, line upon line; here a little, [and] there a little: For with stammering lips and another tongue will he speak to this people. To whom he said, This [is] the rest [wherewith] ye may cause the weary to rest; and this [is] the refreshing: yet they would not hear. **But the word of the LORD was unto them precept upon precept, precept upon precept; line upon line, line upon line; here a little, [and] there a little; that they might go, and fall backward, and be broken, and snared, and taken.** Wherefore hear the word of the LORD, ye scornful men, that rule this people which [is] in Jerusalem. Because ye have said, We have made a covenant with death, and with hell are we at agreement; when the overflowing scourge shall pass through, it shall not come unto us: for we have made lies our refuge, and under falsehood have we hid ourselves: **Therefore thus saith the Lord GOD, Behold, I lay in Zion for a foundation a stone, a tried stone, a precious corner [stone], a sure foundation: he that believeth shall not make haste.** {Isaiah 28:9-16}

This Thanksgiving, as Americans captivate the harvest celebrations of new life for itself and around the world; may those of us who trust the biblical calendar of God and wait upon the eternal promise of our redemption, gather together prayerfully in spirit in dedication to the return of our Lord and Savior Jesus Christ, who has so faithfully shined His light upon us.

And Enoch lived sixty and five years (65), and begat Methuselah: And [Enoch](#) walked with God after he begat [Methuselah](#) three hundred years (300), and begat sons and daughters: And all the days of Enoch were three hundred sixty and five years: (5 x [73](#)) And Enoch walked with God: and he *was* not; for God took him. {Gen 5:21-24}

And God saw that the wickedness of man *was* great in the earth, and *that* every imagination of the thoughts of his heart *was* only evil continually. And it repented the LORD that he had made man on the earth, and it grieved him at his heart. And the LORD said, I will destroy man whom I have created from the face of the earth; both man, and beast, and the creeping thing, and the fowls of the air; for it repenteth me that I have made them. **But Noah found grace in the eyes of the LORD. These *are* the generations of Noah: Noah was a just man *and* perfect (Gematria value [490](#)) in his generations, *and* Noah walked with God.** {Gen 6:5-9} ([Dan 9:24](#))

By faith Abraham, when he was called to go out into a place which he should after receive for an inheritance, obeyed; and he went out, not knowing whither he went. By faith he sojourned in the land of promise, as *in* a strange country, dwelling in tabernacles with Isaac and Jacob, the heirs with him of the same promise: For he looked for a city which hath foundations, whose builder and maker *is* God. Through faith also Sarah herself received strength to conceive seed, and was delivered of a child when she was past age, because she judged him faithful who had promised. **Therefore sprang there even of one, and him as good as dead, *so many as the stars of the sky in multitude, and as the sand which is by the sea shore innumerable.*** These all died in faith, not having received the promises, but having seen them afar off, and were persuaded of *them*, and embraced *them*, and confessed that they were strangers and pilgrims on the earth. For they that say such things declare plainly that they seek a country. And truly, if they had been mindful of that *country* from whence they came out, they might have had opportunity to have returned. **But now they desire a better country, that is, an heavenly: wherefore God is not ashamed to be called their God: for he hath prepared for them a city.** {Hebrew 11:8-16}

¹In the seventh *month, in the one and twentieth day of the month* [9/25/13], came the word of the LORD by the prophet Haggai, saying.... ⁵*According to* the word that I covenanted with you when ye came out of Egypt, so my spirit remaineth among you: fear ye not. For thus saith the LORD of hosts; **Yet once, it is a little while, and I will shake the heavens, and the earth, and the sea, and the dry land; And I will shake all nations, and the desire of all nations shall come: and I will fill this house with glory, saith the LORD of hosts.** {Hag 2:1-7}

Consider now from this day and upward, from the four and twentieth day of the ninth month, [11/27/94] even from the day that the foundation of the LORD'S temple was laid, consider it. Is the seed yet in the barn? yea, as yet the vine, and the fig tree, and the pomegranate, and the olive tree, hath not brought forth: **from this day will I bless you**. And again the word of the LORD came unto Haggai in the four and twentieth day of the month, saying, Speak to Zerubbabel, governor of Judah, saying, **I will shake the heavens and the earth; And I will overthrow the throne of kingdoms, and I will destroy the strength of the kingdoms of the heathen;** and I will overthrow the chariots, and those that ride in them; and the horses and their riders shall come down, every one by the sword of his brother. {Hag 2:18-22}

From Trumpets - September 6, 1994 to the Feast of Enoch - December 5, 2013 is **7,030** days.

$$7,030 = 2 \times 5 \times 19 \times 37.$$

From the last day of Dedication 12/28/11 to the first day of Hanukkah 11/27/13 = **700** days.

$$700 = 70 \times 10$$

Who is left among you that saw this house in her first glory? and how do ye see it now? is it not in your eyes in comparison of it as nothing? {Haggai 2:3}

These words were spoken by Haggai ("festival") in 518 BC, 19 years (537-518) after the Jew's returned from 50 years (587-537) of exile in 537 BC. Haggai's question, of who is seeing glory since the foundation, is pointing to our past 19 years as well. The Feast of Trumpets - September 6, 1994 was the **50th jubilee** (50 x 50) since King Cyrus' decree to rebuild the temple in 457 BC; which was 130 (587-457) years after its destruction in 587 BC, and 80 (537-457) years after its Babylonian captivity. 457 BC was also 490 years (70 x 7) before the cross in 33 AD. The Feast of Dedication 2013 matches the same dates 19 years prior in 1994. Other notable years that fall on 19-year intervals are years: 37AD, 457 BC, 666 BC and 1,407 BC. This can be quickly confirmed by any user of an Excel worksheet. According to our biblical calendar of history; 1,407 BC, beginning a new 19-year cycle, is the year Joshua (3-4) led Israel across River Jordan into the ***Promise Land of Canaan!***

All Praises and Glory to God! Amen!
